

Commission aligns county policy with new liquor law

By Ali Holcomb

The Jackson County commissioners have aligned the county's regulations with the new state law that allows for the sale of cereal malt beverages in stores located within the county but lie outside of an incorporated city. The commissioners recently passed a resolution establishing cereal malt beverage license fees for distributors located in rural, unincorporated areas, such as the Dollar General located outside the city limits of Hoyt.

According to the resolution, the county fee for a cereal malt beverage license is \$35 and the fee for a Kansas cereal malt beverage license stamp is \$25.

A new state law took effect April 1 that allows grocery and convenience stores to sell "strong beer," which is cereal malt beverages containing up to six percent alcohol by volume.

In other business, according

to the approved minutes from April 8, the commission:

* Heard an annual report on Northeast Kansas Environmental Services from Martha Smith, Logan Bausch and Angie Reith.

Last year, the organization issued 27 new permits, completed 19 wastewater systems, evaluated 65 wastewater property systems for resale and completed six well screens.

* Learned from Scott Kieffaber, noxious weed and environmental services director, that he is working with cities to provide recycling and household hazardous trailers for their city-wide cleanup days this spring.

Kieffaber reported that construction of a new walk out door is complete and that the concrete work at the landfill was expected to start soon. He would like to look into having some concrete slabs on the north and south sides of the

recycling building to direct water away from entering the building.

Commissioner Bill Elmer suggested he take a look at the guttering to see if it could be contributing to the problem as well.

* Met with Dan Barnett, road and bridge supervisor. Commissioner Ed Kathrens reported concerns on U and U4 Roads and near the county line south of Larkinburg. He also passed along a thank you for the work completed on J Road from a county resident.

* Met in executive session with Barnett, Jackson County Clerk Kathy Mick and Deputy County Clerk Tara Peek for 20 minutes. No action was taken back in open session.

* Reviewed the Nemaha County Wind Farm project proposal and discussed road use in Jackson County for this project.

Projected headcount numbers for 2019-20 school year up at RV

By Ali Holcomb

Enrollment projections at Royal Valley for the 2019-20 school year are headed in the right direction, Superintendent Aaric Davis told board members Monday evening.

"I feel pretty good about where we're headed," Davis said during the board's meeting. "We're showing growth in most of the buildings next year."

Davis is estimating the district will serve 858 students next year, which is 18 more than this year.

"The middle school is the only building that will take a slight hit because they are pushing out a class of 85 students and bringing in a class of 53," he said.

Davis said that throughout the year, the elementary school has seen "nice growth."

Between the 2012-13 school year and the 2017-18, the district experienced a drop in headcount from 939 students to 804 students (135 students).

Davis said that a boost in headcount will help the district's Full Time Equivalency (FTE), which is used in the formula to determine state funding.

"We had an FTE of 813 this year, and I'm predicting our FTE to be closer to 832 next year, which is a step in the right direction," Davis said.

Also during the meeting, the board approved a trip request from RVHS FCCLA members Lindsey Bowden, Janine Gustafson, Josslyn Coulter and Alyssa Carlisle.

The students have qualified for the FCCLA National Leadership Conference in Anaheim, Calif. set for June 29 through July 5.

Carlisle and Coulter will be competing in a STAR event at nationals.

Bowden and Gustafson have been selected to lead student workshops on their Fitbit project held in the district this past year.

Monique Litherland is the FCCLA sponsor, and the board agreed to have the district pay for her trip expenses, which are estimate at \$2,263. The students will be required to pay their own trip expenses through fund-raising or personal funds.

In other business, the board of education:

* Approved consent items, including resignations from Trevor Keller, high school assistant basketball and middle school assistant track coach; Darla Haverkamp, RVES para-professional; Trish Slimmer, RVES first grade teacher; and Bailey Schultz, Little Panther Preschool assistant teacher.

* Accepted a \$5,000 CLC grant from Free-State Electric. The funds will be used to purchase new furniture and supplies for the CLC room.

* Received a Legislative update from Davis.

Art Walk, Loft Tour set for Friday around Square

By Brian Sanders
Visitors to Holton's Town Square this Friday afternoon will be treated to the work of local artists — and have the opportunity to meet them "Face To Face" — as well as the chance to "step up to support the arts."

From 4 p.m. to 7 p.m., Jackson County Arts will host its eighth-annual Jackson County Art Walk around the Square, featuring a variety of works of art from local and regional artists, including featured local artist Becky Drager and featured regional artist Dorothy Hancock. "Face To Face" is the theme of this year's Art Walk, which is free and open to the public.

Tickets for one aspect of the event — the loft tour, a fund-raising activity for Holton Community Theatre that spotlights 11 second-story spaces around the Square — are \$20 each and may be purchased in advance or on the day of the event at White Law Office.

Visitors to the "Face To Face" art show in the Jackson County Courthouse will also have the

opportunity to vote in the juried "Face To Face" portrait show with their spare change. The winner gets the voting money, it was reported.

Jackson County Arts is also issuing a "Call For Art" to Jackson County artists who would like to display their portrait art during the event. The entry fee is \$5 per piece up to three entries in a juried art show, and prizes will include \$50 for first place, \$30 for second place and \$20 to the third-place "people's choice" winner.

Paintings may be dropped off in the Jackson County Courthouse meeting room from 3 p.m. to 3:30 p.m. the day of the event. Judging will begin at 3:30 p.m., prior to the start of the event.

Local and regional artists displaying their work during the Art Walk will include:

- **Jackson County Museum:** Dorothy Hancock, featured regional artist, watercolor paintings.
- **Jhett's Pizza:** C.L. Riley, oil paintings, Western scenes and landscapes.
- **Penny's:** Deborah

Hanes-Nelson, watercolor portraits.

• **Jackson County Rural Water District 3:** Monika Raye, animal artwork.

• **Koger Variety:** Hannah McCrory.

• **Denison State Bank:** Chris Heineken/Copper Petals.

• **The Hot Spot:** Carol Totten, watercolor portraits and mixed media.

• **White Law Office:** Loft Tour tickets.

• **Title Abstract:** Hugh Mitchell, watercolor portraits.

• **Edward Jones:** Josh Nolan.

• **Asgard's Gate:** Josh Cochran, acrylics.

• **Be Outdoors:** Holton Middle School art students.

• **Park Fifth Avenue:** Fred Appelhanz, live music.

• **H&R Block:** Jim Hunley, photography.

• **The Gossip:** Lorie Fleming-Huyett, paintings.

• **More Than Lemons:** Becky Drager, featured local artist; and Kirk Drager, live music.

• **Schlaegel's Tax Service:** Heather Schlaegel.

Continued on Page 12

Class of 1969 composite photos still sought

Two Class of 1969 composite photos from Soldier and Wetmore are still being sought for *The Holton Recorder's* upcoming Glory Days section, to be printed prior to this year's Memorial Day weekend activities.

The Recorder has class composite photos on hand from the graduating 1969 classes at Holton, Hoyt, Mayetta, Denison

and Whiting.

Students at two of the four high schools that would eventually combine into the Jackson Heights school district in the fall of 1969 — Circleville and Netawaka — were attending other schools that year. Circleville students were in class at Soldier, while Netawaka students were in class at Whiting.

High school students in Denison would also have their final graduating high school class in the spring of 1969, it was reported. The following fall, they began attending Holton High School.

The Recorder already has composite photos from graduating classes at Hoyt and Mayetta high schools through 1971, after which time the

two towns' schools would consolidate into the Royal Valley district. That district's first senior class graduated in 1972.

Delia High School's last graduating class was in 1966, it was reported.

To submit Class of 1969 composite school photos, call *The Recorder* office at 364-3141.

BAK plans discussed at county meeting

By Ali Holcomb

More than 800 bicyclists will stop in Holton on June 14 as part of Biking Across Kansas, and preparations are under way to welcome the group to Jackson County.

During a recent Jackson County Commission meeting, Ashlee York and Janet Carpenter discussed some of the activities planned for the bikers and their support staff.

The group is expected to arrive in Holton in the afternoon, and they will spend the night at Holton High School. It's their last night of the BAK.

Vendors and music are being planned for that evening on the Holton Square, and York and Carpenter requested permission to host a beer garden in the Courthouse courtyard. They said they would fence off an area in the courtyard to serve as the beer garden.

Commissioner Bill Elmer said he did not want to set a precedent to allow beer consumption on the county Courthouse grounds.

Commission Chairperson Janet Zwonitzer said she was in favor of the beer garden since it would be well staffed and in a

contained area.

Zwonitzer said that, in the future, the commissioners could still review all other requests on a case by case basis and would not have to approve every beer garden request on the county grounds.

Commissioner Ed Kathrens said he was not in favor of the beer garden in the courtyard and said it could affect the business of other establishments that serve beer. The commissioners did not approve the request.

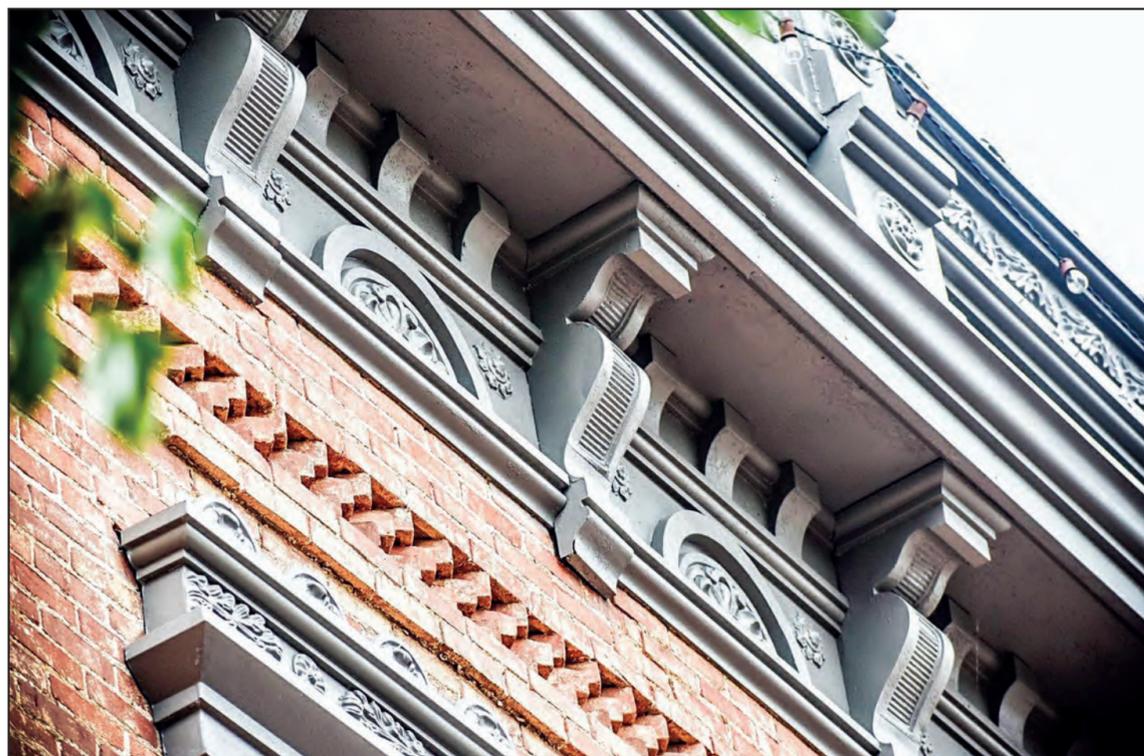

In other business, according to the approved minutes from April 15, the commission:

* Met with Cindy Hower of Kellerman Real Estate to discuss workers compensation coverage for volunteer county firefighters.

* Met in executive session for five minutes with Hower and County Counselor Alex Morrissey to discuss a matter of attorney-client privilege. No action was taken back in open session.

* Accepted the low fuel bid of \$19,606.91 from Haag Oil Company. Knotty Pine Oil Company submitted a bid of \$20,070.

Continued on Page 16

One of the lofts to be featured in Friday's Loft Tour on Holton's Town Square is the loft currently owned by Shane and Janice Mulroy, which has housed stationery, drug and hardware stores in the past and has retained its decorative ornamental frieze, shown in the photo above, at the top of the building. Local photographer Constance Fox will have her photography on exhibit in the Mulroys' building, which is currently for sale.

 *Joint tenancy general warranty deed - Amy M. Lewis aka Amy Gudenkauf, a single person, of Jackson County, to Douglas Sidener and Leschia Sidener, husband and wife, of Jackson County, the south 10.33 acres of that portion of the north half of the west half of the southwest quarter of S26, T9, R16 of the 6th P.M., Jackson County.
 *Joint tenancy quit claim deed - Keith Simecka, a single person, of Jackson County, to Jerry D. Lutz and Jana J. Lutz, of Jackson County, Lot 84, New Jersey Avenue, known as 626 New Jersey, city of Holton, Jackson County.
 *Quit claim deed - Chad Lundin to John Albert Chiles III, the north half of Lot 57, Vetter's Fourth Addition, city of Holton, Jackson County.

Unemployment rate in county dips in March

The unemployment rate in Jackson County decreased from February to March, although the entire state of Kansas noted a slight increase from month to month, according to preliminary estimates reported by the Kansas Department of Labor (KDOL) and Bureau of Labor Statistics (BLS).
 Data from the two agencies shows a seasonally adjusted unemployment rate of 3.5 percent in March, up from 3.4 percent in February and up from 3.4 percent in March 2018.

"Kansas gained 5,900 jobs, when compared to March of last year," said Acting Labor Secretary Delia Garcia. "The industries gaining the most jobs were manufacturing and education and health services."

In Jackson County, however, the unemployment rate fell from 3.9 percent in February to 3.7 percent in March, although the jobless rate here was up from 3 percent in March of last year.

Seasonally adjusted job estimates indicate total Kansas nonfarm jobs decreased by 2,500 from February. Private sector jobs, a subset of total nonfarm jobs, decreased by 1,700 from the previous month.

"Kansas employers reported fewer jobs in March when compared to February. However, comparison with March of last year shows the state has 5,300 additional private sector jobs and an increase in earnings of \$1.39 per hour," said Senior Labor Economist, Tyler Tenbrink.

Since March 2018, Kansas gained 5,900 seasonally adjusted total nonfarm jobs and 5,300 private sector jobs.

Unemployment in the Topeka metropolitan service area (MSA), including Jackson, Jefferson, Osage, Shawnee and Wabaunsee counties, declined from 4.1 percent in February to 3.9 percent in March. The MSA's jobless rate in March 2018 was 3.5 percent.

Other area counties' unemployment rates are listed below by county and unemployment rates in March, February and March of 2018.

• **Atchison County:** 5.1 percent in March, 5.1 percent in February and 4.5 percent in March 2018.
 • **Brown County:** 3.7 percent

in March, 3.8 percent in February and 3.3 percent in March 2018.

• **Doniphan County:** 4.1 percent in March, 4 percent in February and 3.9 percent in March 2018.

• **Jefferson County:** 3.9 percent in March, 4.1 percent in February and 3.5 percent in March 2018.

• **Marshall County:** 3.8 percent in March, 3.6 percent in February and 2.9 percent in March 2018.

• **Nemaha County:** 3.1 percent in March, 3.1 percent in February and 2.5 percent in March 2018.

• **Pottawatomie County:** 3.3 percent in March, 3.6 percent in February and 2.8 percent in March 2018.

• **Shawnee County:** 3.9 percent in March, 4 percent in February and 3.5 percent in March 2018.

• **Wabaunsee County:** 4.1 percent in March, 4.1 percent in February and 3.2 percent in March 2018.

Family Life Don't let food go to waste

By Nancy C. Nelson
Meadowlark Extension
District Agent
Family Life

In the United States, more than one-third of all available food goes uneaten through loss or waste, and food is the single largest type of waste we discard as trash or garbage. April has been designated as "Winning On Reducing Food Waste Month."

On average, Americans toss and waste 23 pounds of potentially edible food per person each month. At this rate, food waste is costing the average family of four approximately \$190 per month.

Studies show that better meal planning and careful food storage can help prevent food waste at home.

Buy what you need. Keep a running list of meals you enjoy and their ingredients. Inventory your refrigerator, freezer and cupboards to avoid buying food you already have.

Plan meals before you go shopping, make a list and buy only the quantities you need.

Buy in bulk only if you are able to use the food before it spoils.

Check cooled storage temperatures — your refrigerator should be at 34 degrees to 40 degrees F and your freezer at 0 degrees F or colder. For cupboard storage, choose a cool, dry, dark location away from heat and chemicals.

Freeze food such as bread, sliced fruit or meat that you know you won't be able to eat in time.

Prepare and freeze meals ahead of time so you spend less time in the kitchen. Prepare and cook perishable items before they spoil, then freeze for later. Example: Cook and freeze chicken breast or taco meat.

COMMUNITY CALENDAR

Thursday, April 25

*7:30 a.m. to 10 a.m. Holton Community Hospital Foundation building project meeting at Your Place or Mine in Holton. The meeting is open to the public. Coffee will be provided. For more information, call 364-9660.

Holton USD 336 Informational Meeting Concerning Bus Fees

For the upcoming 2019-20 School Year

5:30 p.m. to 6:30 p.m.

Tuesday April 30, 2019

At Holton High School Auditorium

All school patrons invited!

An informational meeting will be hosted at Holton High School to go over potential bus fees for next year due to overcrowding on school buses. The school district has been transporting children in town and this school year, the buses have reached capacity and can not continue to transport in town children without some changes.

Schools must take care of transportation needs of children who live more than 2.5 miles from their attendance center, and the district is willing to go approximately 1 mile from a child's attendance center (but will not add any additional stops at this time) as well as get children across Highway 75.

Students in 6th through 12th grade whose home is under 1 mile from the attendance center or any K-12 student transported that does not go to their home or the current in-town closest drop off would be expected to pay to ride at \$45 per household, per semester - payments due per semester.

Holton USD 336 Informational Meeting About "REDESIGN!"

5:30 p.m. to 6:30 p.m.

Wednesday, April 24, 2019

At Holton High School Auditorium

All school patrons invited!

Holton High School and Holton Middle School have been accepted as schools going through the APOLLO Redesign process. For the APOLLO phase, KSDE invited districts to designate one or more elementary and/or secondary schools to be designed around the five outcomes established by the Kansas State Board of Education, the five elements identified as defining a successful Kansas high school graduate and what Kansans said they want their schools to look like in the future.

Like the phases before, each district applying to become an Apollo district also had to have support of their faculty, school board, and the local Kansas National Education Association (KNEA) or other professional organization.

School redesign is a process driven by four principles:

- Student success skills: An integrated approach to developing social-emotional growth.
- Community partnerships: Partnerships are based on mutually beneficial relationships and collaboration.
- Personalized learning: Teachers support students to have choice when it comes to time, place, pace, and path.
- Real-world applications: Project-based learning, internships, and civic engagement make learning relevant.

OPINION

Willingness to compromise bolsters reputation of Gov. Laura Kelly

House Bill 2209 makes sweeping changes to healthcare policy in Kansas.

And though she did not personally support it, Gov. Laura Kelly showed that she was willing to compromise by allowing this bill to become law without her signature.

Gov. Kelly then skillfully used the gesture to suggest legislators blocking Medicaid expansion in the state meet her halfway and enact Medicaid expansion.

After long and careful deliberation, including in-depth discussions with both opponents and proponents, Gov Kelly said she continued "to harbor serious reservations about the legislation in HB 2209."

Still, she said, she was willing to compromise.

"I believe it is fundamentally wrong to deny health coverage to anyone because they have a pre-existing condition," she said in a news release. "It troubles me that only two other states in the nation have implemented a model similar to this bill, making the long-term impact uncertain. And I am disappointed that the Kansas Insurance Department chose not to engage with the Legislature to ensure the final product included basic consumer protections and regulatory safeguards."

Gov. Kelly said that, as a matter of principle, she could not sign House Bill 2209.

"I also fundamentally believe that governing demands a relentless pursuit of common ground," she said. "Proponents of House Bill 2209 brought this legislation forward because healthcare costs far too much. Our rural communities need help. Kansas farmers and ranchers face historic challenges in the wake of declining farm income, severe weather and a global trade war."

Kelly said proponents of HB 2209 also openly acknowledge that this bill will not solve all the complex problems plaguing our healthcare system.

In their opinion, an "all of the above" approach stands the best chance of helping the greatest number of Kansans, Kelly said.

"On these points, I wholeheartedly agree," she said.

With that larger vision and

shared goal in mind, Gov. Kelly said she would allow House Bill 2209 to become law without her signature.

"New ideas always carry a certain level of risk. I believe the potential risks of this legislation can be mitigated if they are coupled with a stable, secure, proven healthcare option: Medicaid expansion," she said. "In the last decade, Medicaid expansion has been thoroughly vetted from every imaginable angle, with more than 300 studies confirming its effectiveness and necessity. We know with certainty that it will strengthen our economy, save taxpayer dollars and provide healthcare to about 150,000 Kansans."

Kelly said that a majority of the Kansas Legislature already voted for her proposal in 2017 or publicly promised to support Medicaid expansion in their 2018 campaigns.

More than 70 percent of states - with both Republican and Democratic governors - have expanded Medicaid. And 77 percent of Kansans want the State Legislature to do the same, she said.

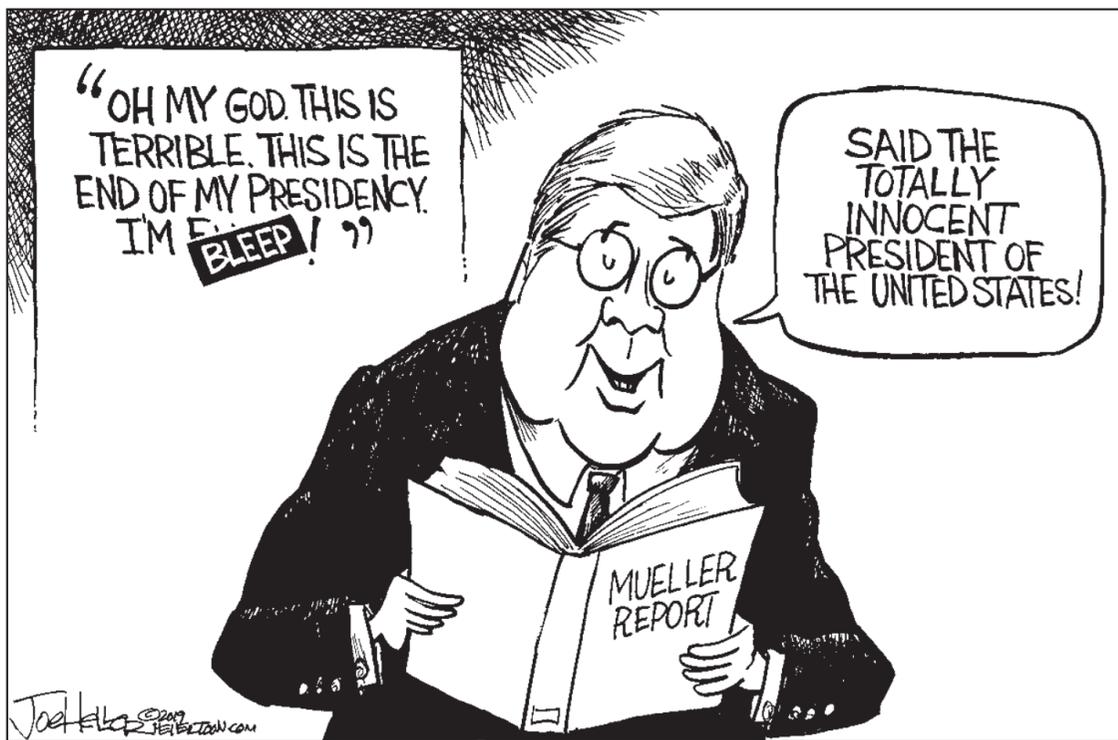

"Unfortunately, leaders in the Kansas Senate continue to prioritize their own political ambitions over the health and security of Kansas families and hospitals," she said. "Despite the will of both their chamber and their state, these three Senate leaders remain devoutly committed to partisan obstructionism. I will never govern in this manner. My priority will always be the people of Kansas, and I allow House Bill 2209 to become law as a demonstration of my genuine commitment to compromise."

Gov. Kelly also challenged legislators to join her in this good-faith effort.

"Meet me halfway and enact Medicaid expansion before the 2019 legislative session adjourns," she said.

Gov. Kelly continues to impress Kansans who seek good common-sense government over the partisan gamesmanship exercised by members of both major political parties. The compromise explained here bolsters the governor's good-will.

David Powls

U.S. could learn from China about Internet

By John Richard Schrock

Extensive harm can be transmitted via the Internet. Recently, officials in New York declared a countywide State of Emergency due to a measles outbreak infecting at least 151 people in the last five months, according to *The New York Times*.

Unvaccinated children will not be allowed to enter into public places until they are vaccinated. The anti-vax movement is mainly spread via the Internet.

The second tragedy was the massacre at two New Zealand mosques on March 15 by a right-wing extremist. The white supremacist not only posted a lengthy manifesto before the attack but streamed real-time footage of his killing spree online in hopes of motivating similar actions worldwide.

Despite frantic efforts by Western Internet services to take down the footage, downloaded and reposted footage made the task an overwhelming whack-a-mole effort. He had no difficulty reaching and inspiring like-minded white supremacists worldwide whom he had never met, thanks to the Internet. Except in China.

In China, there will be no

measles outbreaks or other deaths from vaccine-preventable diseases. Aside from standard new reporting of the New Zealand tragedy, there will be no footage to encourage further atrocities.

China's great Firewall censors such Internet traffic. The West is eager to condemn Chinese censorship, but never acknowledges their advantage in these situations.

A decade ago, about 60,000 Chinese censors monitored their Internet. That number has probably increased substantially. I have been surprised by the depth of disciplinary knowledge in the China censorship.

Twelve years ago, I was invited to report on the most recent developments in systematics, the science of classifying organisms. There were 10 new proposals being debated in the West. I accessed their materials online stateside and printed off 10 sets in paper copy to leave in folders after my presentation. But to my surprise, four of the 10 were not accessible online in China.

I will describe two. Plants, animals, bacteria and viruses all have slightly different rules of classification, all variations on the taxonomic system refined by Linnaeus in 1759. One proposal was to make the classification the same for all. It was a bad proposal

because viruses are described on their DNA or RNA sequences while other organisms are based on structures, etc.

The second proposal was a "PhyloCode" that originally would have eliminated the standard levels of classification (kingdom, phylum, class etc.) and replaced them with unique names at each branching of the family tree, literally thousands of levels that would be nearly unteachable and unusable in daily use, such as in defining groups that hunters could hunt, etc.

These are very complex ideas in taxonomic biology. The fact that the Chinese Internet censorship system discriminated these unworkable ideas from the six mainline proposals means that they have a very intelligent system for sorting and blocking. Western scientists wasted their time. The Chinese did not.

The idea that China's Firewall is only bad, targeting just items about Tibet or Taiwan or Falun Gong, is incorrect. Their young students learn accurate sex education in classroom lessons; our students' shallow understanding is mostly learned from pornography.

I long practiced my biology teacher candidates with exercises to look up biology information online. They were appalled.

Those assigned the muscle

or circulatory system found more than half of the Web sites were wrong, often in ways that naive young students would never detect. Those assigned the digestive or reproductive system found more than 90 percent of Web sites to be inaccurate.

And despite continual pronouncement of training students to be online savvy or Internet literate, if there was any method to detect accurate from wrong Web sites without already knowing the subject, we would all be using it. There isn't. But in China, the proportion of erroneous Web sites is dramatically lower.

The world wide web is likely to segment into at least three regions.

China will continue to filter material that disrupts their society, from pornography to politics.

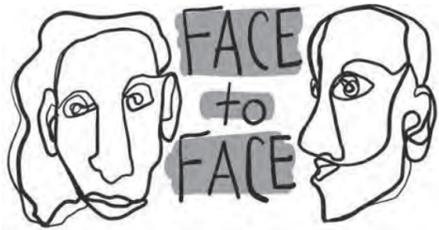

Europe is becoming more restrictive than the U.S., moving toward limitations that have already long applied to the printed press in areas of copyright and libel.

Meanwhile, the U.S. languishes in an online Wild West where "anything goes." And that will be good for spreading white supremacy and measles.

Note: John R. Schrock is a professor emeritus of biology at Emporia State University.

MOLLETTE: Don't fall for those telephone scams

By Glenn Mollette

In January, a Denver couple received a scam phone call from a man who told them he had kidnapped their daughter. The man was very convincing that their daughter was in his possession.

In the background, they heard a woman's voice begging for help. The call was convincing enough that they tried to wire money to the man.

Fortunately, the money didn't go through. Police soon showed up after the wife left a note with the bank teller explaining what was happening. The police determined it was a scam.

A 90-year-old friend received a call a couple of years back. The caller explained that he was with the Internal Revenue Service. He alleged my friend was \$40,000 behind in his federal taxes and that payment had to be made immediately.

My friend didn't owe anybody and had always been a model citizen. The worry and fear for this 90-year-old man were more than he could handle. He committed suicide a few days after the call.

Several years ago, I received a call after my son had boarded a submarine. I would not be able to communicate with him for several months.

The caller in a very convincing voice stated my son owed \$350 and if not paid immediately he would file charges against him that would be very negative toward his military career.

I explained he would not be available for a while. The caller insisted that someone needed to intervene to prevent the black mark against my son. You guessed it. I fell for it and paid the demanded money. Of course, within a couple of hours and some research I knew I had

been scammed.

Somehow, somewhere there is someone keeping an eye on soldiers' families that they can catch at a vulnerable moment and scam them.

When you are scammed you feel like an idiot when it's over. It's embarrassing. However, these telephone artists are professionals. This is all they do every day in places like Nigeria where many of these calls originate from people who go to work from 9 a.m. to 5 p.m. every day like you go to your daily job. Only, their daily job is to come up with real life convincing lies to scam you out of your hard-earned money.

Some of us have only lost a few hundred dollars but others have lost thousands and in the case of my friend, he ended his life over a very believable telephone call.

I remember our first tele-

phone. I was about nine years old. Telephone calls were cool. I talked to friends on the telephone for hours.

When the telephone rang we knew it was family or friends calling and answering it was enjoyable and important.

Today, a ringing telephone is a nuisance. Some days I receive five to 10 calls from what looks like local numbers who end up being people selling health insurance, credit cards, student loan payoffs, car warranties, scams pertaining to taxes owed and numerous others.

Thus, I no longer answer the phone if I don't recognize the number. Leave a message and I promise I'll call you back. If the person calling you is real and legitimate they won't mind leaving you a message and a real number to return the call.

OBITUARIES

Williams

Ira M. Williams, 94, went to be with his savior on Easter Sunday, April 21, 2019.

He was born March 2, 1925 in Houstonia, Mo. He was the third son of George A. and Bertha L. Williams.

Ira served in the U. S. Army, stationed at Fort Riley. He graduated from Kansas State University in 1950.

He taught Vocational Agriculture at Rossville High School for 20 years. Ira also farmed full time in the Delia area. He and his son owned and operated Kansas Seamless Gutter for 20 years.

Ira and Marguerite (Hedrick) were married on Aug. 8, 1948. They have three children: George (Sharon) Williams, Mary (Jim) Dahlberg and Carl (Pam) Williams. Survivors also include seven grandsons, one great-grandson and six great-granddaughters.

The Williams have resided in Oklahoma City since 2003. He was active in Rossville Methodist, Delia Presbyterian, Rolling Hills Christian and Cherokee Hills Christian Churches.

Visitation and viewing will be held from 9 a.m. to 10 a.m. Saturday, April 27 at Parker-Price Cremations, Funerals and Receptions, 245 NW Independence Ave., Topeka, KS 66608. Services will be held at 10 a.m., followed by graveside services at Walnut Hill Cemetery, Grove, at noon.

To leave a message for Ira's family, please visit www.ParkerPriceFH.com

Franklin

Leslie L. "Les" Franklin, Jr., 67, Denison, died Tuesday, April 9, 2019, at his home.

Family will greet friends from 1 p.m. to 3 p.m. Sunday, April 28 at Mercer Funeral Home in Holton. Inurnment will be held at a later date.

Memorials may be given to the Les Franklin Memorial Fund c/o Mercer Funeral Home, P.O. Box 270, Holton, KS 66436.

Holton Recorder 4/24/19

Moore named to Washburn's Mortar Board

Mackenzie Moore of Holton was among 55 Washburn University students recently initiated into the Ichabod chapter of Mortar Board Senior Honor Society, it was reported.

Mortar Board recognizes college seniors for their achievements in scholarship, leadership and service.

Mortar Board Senior Honor Society is a national honor society that was founded in 1918. There are more than 200 active chapters across the nation. Washburn's Ichabod chapter of Mortar Board was chartered in 2006.

Crops and Soils

Get moles under control

By David G. Hallauer
Meadowlark Extension
District Agent, Crops and
Soils/Horticulture

If you haven't seen them already, it won't be long until you can feel them underneath you as you mow. Moles: one of a homeowner's biggest nuisances...

The soil upheaval is a result of the moles looking for food. With earthworms as their primary food source, moles burrow in the soil in search of them (and grubs), disturbing everything as they go. They can even uproot small plants and feed on flower bulbs.

Control is difficult. Almost

everyone has a home remedy (chewing gum, broken glass, etc.), but most are inconsistent and unproven. Poison baits tend to fail because moles feed on earthworms and grubs, not the vegetable matter typically the base of most baits.

Grub control products might help with grub populations, but they aren't effective against earthworms, leaving the primary food source untouched.

Traps are the best control method. They come in different forms (harpoon, choker and scissor-jawed) and each are effective once their placement and setting is fine tuned.

For best trapping results, start by determining which runs are active. Some may be abandoned soon after construction while others are used for a longer time period.

Determine active ones by using a broomstick or other object to poke holes in a num-

ber of runs. Come back a day later. If they've been repaired, they are active runs and should be used for trap placement.

Place traps in active runs by digging out a little soil, placing the trap and then replacing loose soil. Secure the trap well so that the recoil will not lift it out of the ground. Make sure the triggering mechanism is in the center of the run.

Finish by pushing down two more holes, one on each side of the trap. The hope is that moles will be caught when they try to repair the tunnel. If you haven't caught a mole in three days, move the trap and start over!

For more information on mole control as well as "how-to" videos, see the K-State Research and Extension wildlife control page on moles located online at www.wildlife.k-state.edu/species/moles/index.html. Publications are also available from your District Office.

Potawatomi United Methodist Church

By Ilene Dick

Sunday, April 21, was a beautiful day as a nice attendance gathered at Potawatomi United Methodist Church to celebrate the risen Christ.

Followed by a bountiful Easter breakfast at 6:45 a.m., worship service began at 7:40 a.m. Pastor Howard opened the service, welcomed guests and called for announcements, joys and concerns.

Pam Daugherty thanked everyone for helping with the breakfast. In turn, Warren Pugh thanked the Daughertys for organizing and helping with preparation.

Prayer concerns were raised for all affected by the damaging fire of Notre Dame. The prayer covenant church for the week is Topeka Crestview UMC with Pastor Eidson. It was a joy to have Earline Pugh able to attend the Easter celebration and for all guests present.

Betty Bowser carried in the light of Christ as Tina Pugh played the prelude. The call to worship was read responsively from Psalm 118:14-15, 19-24 followed by the hymn of praise, "Up From The Grave He Arose." The Easter Vigil was prayed in unison.

Pam and Leon Daugherty and Loretta Roush provided the special by singing the beautiful Easter hymn, "He Lives." Pastor Howard's message for the children was titled "Jesus Is Alive And So Are We." Offertory ushers were Keith Bell and Leon Daugherty.

Pastor Howard's message was titled "Who Are We Looking For?" with the text coming from John 20:1-8. The scripture tells the story of the resurrection. It wasn't until they had seen the empty tomb that they remembered the scriptures and Jesus had said He would die, but He would also raise from the dead! This is the message to carry with us throughout the year.

The service closed with the hymn of faith, "Because He Lives," and the benediction.

Following church service, Tina Pugh had an Easter egg hunt for the children. Lily Hall provided Easter treats for everyone present in honor of her sister who recently died.

Next Sunday's sermon will be titled "Too Good To Be True" with the scripture taken from John 20:19-31. Everyone is welcome.

Obituary guidelines

When submitting obituaries to *The Holton Recorder*, please remember that survivors listed in free obituaries are limited to those related to the deceased either by blood, marriage or legal adoption. "Companions," "special friends," caregivers, pets and godparents do not fit into either category. If you would like the names of non-relations to be printed with the obituary, call or e-mail *The Recorder* to make arrangements for a paid obituary.

Judy and Donnie Thoman attended a birthday party for a friend's daughter on Saturday afternoon, April 20. The Thomans hosted an Easter dinner for the family. Judy also attended Kaden Swain's track meet at Royal Valley on Thursday, April 18.

Betty Bowser attended a family Easter dinner at First United Methodist Church in Holton on Sunday, April 21.

Happy birthday to Rachael McCoy, whose special birthday date was April 12.

Mike and Vicki Armstrong celebrated Easter lunch with Pat and Dan Armstrong in Mayetta. It was a joy to have their Father Armstrong from Osage Nursing Home for the celebration.

Lily Hall enjoyed delivering Easter baskets to children, and also the early Easter breakfast and service with her daughter.

Jim Bell of Lenexa spent the week with his parents, Dorthea and Keith Bell, and attended church with them on Easter Sunday. The Saturday before, they all went to Manhattan to fish for the day. While there, they toured the town and saw the old college campus where Jim attended school years ago.

Sherry Glenn attended church with her sister, Susan Guffy,

her husband and their brother at Holton First United Methodist Church on Easter Sunday. After church, they enjoyed dinner at Dinner Bell Café in Wetmore.

Ronald and I enjoyed visits this week from our son, Jim, on Monday morning, April 15, our former neighbor, Bob Dove, on Tuesday afternoon, April 16, and Keith and Dorthea Bell of Mayetta on Thursday morning, April 18.

Ronald and I, with other Vintage Park residents, enjoyed music by Gary Bell and Friends on Tuesday afternoon, April 16. We also enjoyed having our daughter, Lori, have the delicious Easter dinner at Vintage Park with us on Sunday, April 21.

Glenda and Kenny Hase of Rossville called on Ronald and me on Sunday afternoon, April 21. We enjoyed a good visit.

Family and Consumer Sciences

Don't let your summer schedule bog you down

By Cindy Williams
Meadowlark Extension
District Agent, Family and
Consumer Sciences

Before the summer is filled with activities, it is a good time to think about your family's lifestyle.

Consider taking some time to evaluate your family schedule. Are you doing what you really want to be doing? Are you letting life get filled with too many things that do not bring meaning to your family?

Some things cannot be changed, some things have to be done, but there are other things that could be eliminated from your life.

Consider the following and then spend some time deciding if your family life is what you want or if there are other things you could do to lead a simpler life. An off-course test pilot once radioed back to the control tower, saying, "I'm lost, but I'm making record time."

Many families are like that test pilot, moving faster, doing more. With little time for reflection, one activity after another is squeezed into frenzied lives.

But are you really getting anywhere?

What would it take to put your family on course to a simpler lifestyle, an uncluttered, focused, and rich life?

According to University of Kentucky Cooperative Extension specialist Sam Quick and

Robert Flashman, it is important to let go of nonessentials so that your family can embrace what's most meaningful.

This involves clearing away things that clutter your life and detract from what you really want. It means taking a fresh look at what you value and making sure you're spending your time, energy and money to support your goals.

Voluntary simplicity doesn't mean a bare-bones budget or shunning the wonders of modern technology. It may mean buying new technology to be able to keep in contact with family members. It may mean splurging for a family vacation you have talked about for years before the children are away from home.

Because every family has different values, gifts and dreams, the ways of determining what is best for your family will be unique to your family. There is no one right way. Each must follow their passions, listen to each family member's thoughts and create your own lifestyle.

Think about your dreams, values and life goals. List the five most important things you want to do with your family. Look over your answers. Of all the things you listed, put a star by the three most important. What steps toward your dreams and goals do you want to begin taking this summer?

This is a good first step to making sure your lifestyle is what you want it to be. Spend some time soon reflecting on your family's lifestyle and determine if you are heading the direction you want to be.

Get the word out about activities!

Wildcats split DH with Sabetha

■ Tourney at the T-Bones Park set for this week

By David Powls
The Holton High School baseball team continues to benefit from some pretty good pitching performances against Big Seven League opponents.

On Monday, the varsity Wildcats split with the Sabetha Bluejays winning game one of the doubleheader 6-4 but losing the second game in the late innings 7-4.

Holton now has a 6-2 league record (third place in the league) and is 6-3 overall.

Sabetha, at 6-1 in the league, is in second place behind Jeff West (7-1 in league and 10-2 overall). The Bluejays are 9-2 overall.

The Wildcats are scheduled to compete at the Butch Foster Memorial Baseball Classic at the T-Bones park at Kansas City, Kan. on April 25, 26 and 27 with Spring Hill, Perry-Lecompton, Basehor-Linwood, Baldwin, host Bonner Springs, Paola and Tonganoxie.

In the first round of the tourney, Holton will play Bonner Springs at noon on Thursday. The winner of that game will play at 2 p.m. Friday while the loser will play at 6 p.m. Friday. A tourney bracket is published on Page 7.

In game one, junior Cody Mulroy was the starting pitcher. Mulroy pitched five innings striking out eight batters, walking four and giving up three earned runs on four hits.

Junior Eli Prine pitched in relief for the Wildcats striking out four and not allowing any hits or runs in two innings.

Sabetha scored two runs in the top of the first inning and Holton countered with three runs in the bottom of the first as sophomore Blake Mulroy walked and Prine hit a single before senior Zane Moylan doubled to score two of the runs.

The Wildcats added two more runs in the third inning. Three Wildcats in a row drew walks and then junior Keegan Purcell reached base on an error to bring in the two runs.

The Wildcats added one more run in the bottom of the sixth inning to bring about the final score.

The Wildcats had seven hits in the game, six singles and Moylan's double.

Braden Argabright pitched four and two-thirds innings for Sabetha giving up five earned runs on six hits and eight walks.

Game two of the doubleheader was tied 4-4 after four innings. Sabetha added a run in the fifth and one in the sixth to win the game.

The Bluejays scored two runs in the first inning and two more in the third. Holton scored one run in the second and three in the third to tie the game.

Moylan led the way with two hits for the Wildcats. Sophomore B. Mulroy was the starting pitcher for the Wildcats striking out three and allowing two earned runs on seven hits.

HCC lists tourneys

The Holton Country Club will sponsor its first golf tourney of the year on Saturday, April 27, it has been reported. This will be a two-person scramble beginning at 11 a.m.

The next tourney at the Holton Country Club will be Saturday, May 4. This will be a one-person scramble beginning at 11 a.m.

On Thursday, May 16, there will be a two-person scramble with players having to have a total age of 100.

Then on Monday, May 27, there will be a two-person scramble starting at 10 a.m.

For more information about these tourneys, call the clubhouse at 364-3558.

The member-guest tourney will be held May 30 through June 2.

The golf course also has a Wednesday night scramble open to the public each week.

Golf club memberships are also available at the golf course, and green fees range from \$15 to \$20 per day. Call the course at 364-3558 if you need additional information.

Holton softball sweeps Sabetha in league play

By Ali Holcomb

The Holton varsity softball team remains undefeated in the Big Seven League this season after sweeping Sabetha at home Monday in a doubleheader.

The Lady Wildcats remain on top in Big Seven standings with an 8-0 league record. Their overall record is 12-2. Sabetha dropped to 2-6 in league play.

The Wildcats defeated the Lady Bluejays 8-2 and 14-1 as they continued their dominance in the league.

In the first game, Holton scored three runs in the bottom of the first inning, three runs in the fourth and two in the fifth.

Sabetha drove in one run in the top of the fourth inning and one in the seventh inning.

During the game, the Wildcats had 16 hits in 30 at bats and six RBI. Junior Bailey Flewelling led the team with a home run, a triple and three RBI.

Senior Lauryn Moore had a triple, a double and two RBI, and junior Adalee Degenhardt also had a double.

Freshman Gracie Gallagher hit a triple and pitched the entire game for the Wildcats. Gallagher had seven strikeouts and gave up just six hits and two runs.

In the second game, Holton won in five innings. The Wildcats scored one run in the bottom of the first inning, three in the second, eight in the third and

Panther baseball picks up split with Hiawatha

■ Thursday's DH at Sabetha

By David Powls

After falling 14-2 in the first game of a doubleheader at home versus Big Seven League opponent Hiawatha on Monday, the Royal Valley Panthers rebounded to win the second game 6-5.

The win improved the varsity Panthers' league record to 1-7. Overall, the Panthers are 4-9.

Meanwhile, Hiawatha is 3-4 in the league and 6-6 overall.

On Thursday of this week, the Panthers are scheduled to play a doubleheader at Sabetha starting at 4:30 p.m.

Hiawatha led 1-0 after the first inning of game one and 5-1 after three innings.

The Redhawks added four more runs in the fourth, one in the fifth and four in the sixth while holding RV to just one more run in the fifth.

Moreno pitched four of the six-inning game for Hiawatha striking out six and allowing one run on six hits. Carson pitched two innings in relief for Hiawatha.

Junior Tegan Ruddy pitched three innings for Royal Valley striking out four and allowing five runs on four hits.

Freshman Cooper Daugherty pitched one inning in relief striking out one, walking three and allowing four runs (two earned) on three hits.

Sophomore Jack Wiedmann pitched two innings in relief walking two and allowing five runs (four earned) on three hits.

Hiawatha had 10 hits and one error while Royal Valley had five hits and eight errors.

Sophomore Nathan DeCoteau had one hit (a double) and scored a run in the game. Sophomore Cole Dressman had two hits (including a triple) and two RBI. Senior Ben Neuner had two hits.

Junior Isaac Neuner walked once. Wiedmann walked once and scored a run.

Lierz, Jones and Grubb each had two hits apiece for Hiawatha. Grubb had one double. Lierz and Jones both hit triples.

With game two tied at 5-5 in the bottom of the seventh inning, junior Zach Burger hit a walk-off ground-out that scored the winning run from third base.

Rule violation brings disqualification

By Brian Sanders

A simple rule violation can have big consequences.

Royal Valley High School senior golfer Corey Humpert found that out on Monday at the Centralia Invitational golf tournament, where he was tied for first place with Onaga's K.C. Koelzer with a score of 95 after 18 holes.

But after it was discovered that Humpert may not have finished some holes with the same golf ball that he started the holes with — as high school golfers are required to do — he was disqualified, and Koelzer stood alone at the top.

"My golfers know the rules," Panther head coach Willie McClane said. "I am disappointed that this happened, because Corey lost a medal, and more than that, the rules of the game were not followed."

Coach McClane said it was possible that the rule violation happened on more than one occasion, and when such violations occur, an arbitration committee hears the complaint and makes a decision.

"I think Corey's reaction was disappointment," McClane said. "But the coaches have to hold the kids to a high standard to follow the rules."

Humpert was one of three Panther golfers to compete in the tournament, where Kyle

Patterson finished 34th out of 39 with a score of 133 and Katie Reicherter finished 36th with 144.

"The scores were not where we wanted them to be," McClane said.

Holton High School's junior varsity team also participated in the tournament, finishing sixth and led by Marcus Pruet and Canon Karn, who finished 22nd and 23rd, respectively, followed by Ethan Teter in 25th.

The top team at Centralia was Hanover, who landed three golfers in the top 10, while host school Centralia finished second with two golfers in the top 10.

Scoring
Team scores: 1. Hanover 399, 2. Centralia 414, 3. Frankfort 427, 4. Onaga 434, 5. Sabetha 435, 6. Holton 488.

Individual scores: 1. K. Koelzer (Onaga) 95, 2. K. Talley (Cent.) 97, 3. C. Bruna (Han.) 98, 4. D. Sedlacek (Han.) 98, 5. J. Tynon (Frank.) 98, 6. T. Mars (Cent.) 98, 7. B. Bussmann (Frank.) 99, 8. H. Chase (Valley Heights) 100, 9. Z. Bruna (Han.) 101, 10. B. Trimble (VH) 102.

Royal Valley scores: 34. K. Patterson 133, 36. K. Reicherter 144.

Holton JV scores: 22. M. Pruet 112, 23. C. Karn 114, 25. E. Teter 115, 31. C. Jackson 123, 35. L. Adcock 136, 38. C. Watkins 152.

HHS baseball...

Continued from Page 6
Junior lefty Maverick Uhl came on to pitch one inning in relief striking out two, walking four and allowing two earned runs on one hit.
Sophomore Kyle Bohnenkemper then pitched three innings in relief for the Wildcats striking out eight, walking one and allowing one run.
“We’re playing some pretty good ball, I think,” said HHS head coach Joe Purcell. “At the start of the season, I thought we would have some pretty good pitching and that has been the case. Plus, we’re getting some good pitching from a couple of additional pitchers, (Maverick) Uhl and (Kyle) Bohnenkemper.”

Panther tracksters compete at Abilene Invitational

By Michael Powls
The RVHS track team traveled to Abilene for the Abilene invitational on Thursday, April 18.
Girls team scores were as follows: Hays 94.33 points, McPherson 91, Wamego 89, Abilene 70.67, Royal Valley 53, Clay Center 45, Chapman 35, Hope 34, Southeast of Saline 28, El Dorado 26 and Flint Hills Christian 7.
Boys team scores were as follows: Wamego 131 points, McPherson 110, El Dorado 75, Abilene 72, Hays 62, Chapman 44, Royal Valley 35, Southeast of Saline 25 and Clay Center 25.

Holton softball undefeated in league

Continued from Page 6
two in the fourth. Sabetha scored one run in the top of the third inning.
As a team, Holton had 11 hits in 19 at bats and 10 RBI.
Flewelling had another home run in this game. Moore hit a home run and also had a double. Junior Kinleigh Rhodd had a triple.
Freshman Olivia Summers pitched all five innings for the Wildcats. Summers had two strikeouts, one walk and allowed four hits and one run.
The Wildcats will travel to Perry-Lecompton on Thursday for a doubleheader against the Lady Kaws, who are 4-4 in the league. Games begin at 4:30 p.m.

Lady Panthers win 2 in dominating form

By Ali Holcomb
The Royal Valley Panther softball team dominated in a doubleheader against Hiawatha Tuesday at home, sweeping the Lady Redhaws 16-1 and 17-2.
The Lady Panthers improved to 5-3 in the Big Seven League and 9-4 overall. Hiawatha is now 0-8 in league play.
In the first game, the Panthers won in four innings, scoring seven runs in the bottom of the first inning, six runs in the second and three runs in the bottom of the fourth. Junior Maddie Saia had a two-run home run for RV in the bottom of the fourth.
“Maddie has worked hard to be where she’s at and be in the line-up every game,” said RV coach Corey Katzer. “She’s grown by leaps and bounds.”
Hiawatha scored its only run in the top of the third inning.
“Hiawatha’s pitcher strug-

gled with control a little bit and walked a few batters in the first inning and that started us going,” coach Katzer said. “We didn’t hit the ball extremely hard in the first couple of innings, but I think as the game went on, things took off for us.”
During the game, RV had nine hits in 21 at bats and nine RBI. The Panthers were walked six times during the game.
Junior Cassidy Parks hit a triple during the game, and sophomore pitcher Mae Joslin hit a double.
Joslin pitched all four innings. She had one strikeout, one walk and gave up two hits.
In the second game, the Panthers drove in nine runs in the bottom of the first inning, one in the second, six in the third and one in the fourth.
The Lady Redhaws scored one run in the top of the first inning and one in the top of the third inning.
Sophomore Maya Ogden

hit a home run during the game for the Panthers.
“We brought several JV players up for the second game who have been playing very well and gave them a chance to show us what they can do,” Katzer said.
During this game, the Panthers had 14 hits in 24 at bats and 16 RBI.
Junior Abigail Harding pitched all four innings. Harding had five strikeouts, one walk and gave up three hits.
“There’s still some small things we need to improve,” Katzer said. “We’re still missing some signs and need to focus more. I think the Holton game woke us up a bit. Since then, we’ve had some of our best practices of the year. We’ve made strides over the last week and a half, and hopefully that continues to carry over.”
The Panthers will travel to Sabetha (4-6 overall) on Thursday for a doubleheader. Games begin at 4:30 p.m.

Cobra boys team 2nd at Silver Lake

By Brian Sanders
Tuesday was a busy day for the Jackson Heights High School track and field teams at the eight-team Silver Lake Spring Meet, where the varsity boys team finished second, Head Coach Brad Alley said.
“Our kids competed at a high level,” Coach Alley said. “We have some kids who are really starting to hit their strides.”
The Cobra varsity boys were boosted in scoring by Daniel Little, who notched victories — and personal bests — in the 800-meter (2:05.04) and 1,600-meter (4:44.69) runs, according to Alley.
“Daniel had a monster day,” Alley said. “Running a 4:44 in the mile, and three races later, running the half in 2:05, are tremendous times at this point in the season.”
Alley also noted the work of Jason Bosley, who took first in the high jump (6’2) and fourth in both the long jump (18’10.5) and triple jump (39’5.5), and Levi Olberding, first in the triple jump (42’2.5).
“Jason had a huge day in the high jump,” Alley said. “He went over six feet for the first

time... He had a really good attempt at 6’4.”
The varsity Cobras also added points with the second through fourth-place finishes of Taylor Wamego (44’10.5), Carson Williams (40’3.5) and Curtis Niehues (39’4) in the shot put. More points came from third-place finishes by AJ Mock in the 400-meter dash (54.48), Jackson Ahlgren in the pole vault (11 feet) and Cooper Williams in the long jump (19’1.25).
Tyrell Childs competed in both the varsity and junior varsity fields, adding points on the JV side with third-place finishes in the 200-meter dash (25.6) and the long jump (18’0.5). Wyatt Bacon also added JV points with a second-place finish in the 1,600-meter run (5:19.83). The JV team finished in sixth place overall.
The varsity Lady Cobras, who finished fourth, were led by long-distance runners Faith Little, first in the 3,200-meter run at 12:23.28 — “one of the top times in the state,” Alley said — and Annie Allen, second in the 1,600-meter run at 5:57.41.

Circleville News

By Jeannie Arnold

Roy and Beverly Kranz recently spent a week in Branson, Mo. Others there were Judy Robison, Nancy and Donnie Wischmeier and cousins Rodney and Carol Coffman from Indiana. The weekend was spent visiting, eating a lot and some fishing.

The Wischmeiers left on Monday. Roy and Rodney then got serious on the fishing. They had a lot of fun, as the trout was being very cooperative. A lot of visiting was done and some reading and enjoying the perfect weather.

The Circleville Senior Executives met at noon on Monday, April 15. Kenny Wykert, vice president, called the meeting to order after leading the flag salute. David Allen gave the blessing. A delicious meal was enjoyed from the Holton Seniors Meal Site for 13 members. Two of the members brought the food to Circleville.

The minutes from the March meeting were read, corrected and approved. The treasurer's report was given by Dixie Mannell. New business was to send a donation to Jackson Heights Post Prom. Old business was brief, mainly about the upcoming Community Service Day of Jackson

Heights seniors on Tuesday, May 14, and what they will be doing. The students and adult volunteers will eat at the Circleville Sunshines Cafe.

The upcoming Circleville Alumni banquet was also discussed and it was said that the front of the gym would be point tucked in the near future. The east side has been done. Post cards will be mailed out to alumni members and friends soon.

For entertainment, Ginger Johnson played songs on her harmonica. Barbara Hutchinson shared inspirational sayings that were written on strips of paper inside plastic Easter eggs. Each member drew an egg and read an inspirational quote.

For the May 20 meeting, the seniors will go to the Holton Senior Citizens Site. The June meeting will be held at the Circleville Lodge Hall with grilling hamburgers and hot dogs.

Milt Snyder made a motion to adjourn and Evelyn seconded it. The vote was unanimous. The group was dismissed by 1:15 p.m.

The Circleville Easter egg hunt was held at the ball field on Saturday, April 20, with 45 kids present to participate. Tylie Shupe, Aubrey Walsh and Brody Browning were the

ones who found golden eggs and were awarded an Easter basket in their age groups.

Maxine Lewis went with Bob and me to Topeka to the home of Merlin and Judy Arnold for Easter dinner. Other guests were Roger, Jackie and Olivia McAsey and Jackie's sister, Annette, Kim and Chris Marten, Brady Marten and friend, Nicole, and Kevin, Shelley, Colin and Aubrey. Ian McAsey joined us when he got off work. The afternoon was enjoyed visiting and watching the younger ones hunt Easter eggs.

Dennis and Barbara Hutchinson had Easter Sunday dinner guests of their son, Doug Hutchinson, from Mission and Helen Farley of Circleville.

Sheriff's office participates in traffic campaign

The Jackson County Sheriff's Office participated in the regional 4/20 traffic campaign last weekend, according to Jackson County Sheriff Tim Morse.

"The campaign's goal is to reduce impaired drivers from the roadways," Sheriff Morse said.

During this period, law enforcement enforced a "No Refusal Weekend," which means suspected impaired drivers who refused a breath test were subject to blood testing by court order.

"It is the norm in Jackson County that deputies will seek a search warrant to obtain a sample of a driver's blood if they have probable cause that a driver is impaired and that driver refuses testing," Morse said.

During the campaign last weekend, deputies worked two vehicle crashes and made nine arrests. Two arrests were for driving under the influence of impaired driving, and one search warrant for blood was obtained when the driver refused to submit to testing, Morse said.

Three drug arrests were made, and four additional arrests were made. Six citations were issued.

The late Warren Bernhardt, owner and operator of the Jolly Troll of Holton, was honored with the Bob Hapgood Award at the Kansas Music Hall of Fame induction ceremony and concert on April 14 at Liberty Hall in Lawrence. In the photo above, Allen Blasco (at left) of the Kansas Music Hall of Fame is shown introducing the Bernhardt family, which includes (second from left) Dean Bernhardt, Sandy Rison and Nelda Rolfe.

AG WEEK: Cattle prices higher than the previous week

By Matt Hines

Higher cash prices were delivered to Kansas and Texas, where cattle sold for \$126. The Texas sellers took the first bid out of the box and Kansas soon followed. Prices were \$2 higher than last week. The Fed Cattle Exchange online auction sold several pens of cattle in Nebraska for \$127 but northern sellers were not quite ready to call it a day and most sellers were holding for \$130.

To wrap up the week, Nebraska did trade \$129 to \$130 live and \$207 to \$208 on a dressed basis, \$2 to \$4 higher than the week previous. Beef and pork weekly export sales were both bullish Thursday morning, China in for another 23,500 metric tons of pork.

The Cattle on Feed report was bearish last week with slightly larger than expected on-feed total at 11,964 million head, 102 percent vs. a year ago and placements at 2,014 million head, 105 percent. Marketings were in line with expectations at 1,777 million head or 97 percent vs. a year ago.

Compared to last week, steers and heifers sold \$2 to \$7 higher; some with auctions in the Nebraska and the Southeast reporting steers \$10 to \$14 higher. The most gain on steers would be the "grass crazy" demand right now as some producers held off purchasing steers weighing less than 650 pounds that are suitable for grass until warmer weather is imminent.

Demand at most auctions nationwide this week was described from good to very good as out of state buyers showed up where they hadn't been seen for a while. Feedlot pens in the Northern Plains have dried considerably the last week and farmer/feeders came to town to procure cattle before they become swamped with planting spring crops. When farmers start the planter in the field, cattle procurement won't even cross their mind until the planters are back in the shed.

For the week, Friday, April 12 to Thursday, April 18, April live cattle were up \$1.97, June was up \$1.22, May feeder cattle were up \$1.02, August was up \$1.97. June lean hogs were down \$1.75 and July was down \$.80. Boxed Beef, Choice was up \$4.81 at \$233.65 and Select was down \$.53 at \$220.49.

Cattle slaughter for the week was estimated at 638,000 head, matching the week previous and up 11,000 from a year ago. Beef production was estimated at 511.4 million pounds last week compared to 507.4 million the week previous and 501.9 million last year. Hog slaughter for the week was estimated at 2,380,000 head, down 4,000 from the week previous and down 41,000 from a year ago.

April live cattle broke the recent lower trend, with the contract high at \$130.45 back on March 21 and support down at \$125.50 to \$125. May feeders are still holding a higher trend with support at \$148.60 and the contract high up at \$155.30. August continues to make new highs, last week's high at \$161.40, with support near \$158, then \$154.

May lean hogs are now in the front month but only trading a fraction of the volume compared to the June contract. May has a contract high at \$93.25 while the June contract

high is up at \$99.82 and resistance is next up near the \$110 area, back from 2014.

Weekly export sales were strong for corn at 37.3 million bushels (MBU), but disappointing for soybeans and wheat at 14 MBU and 11.7 MBU, respectively. Futures were near or into new lows last week with wheat under the most pressure.

Managed money or funds continue to add to short positions with now record short positions in corn and Kansas City wheat. Corn positions show short more than 307,000 contracts, combined futures and options, with Kansas City wheat positions short more than 54,000 contracts. They are short more than 91,000 contracts of soybeans with the record near 120,000.

For the week, Friday, April 12 to Thursday, April 18, May corn was down \$.02½, New Crop December was down \$.02¾, May soybeans were down \$.14¾, New Crop November was down \$.14¾, May Kansas City wheat was down \$.14¾, New Crop July was down \$.15½, May Chicago wheat was down \$.20¼, New Crop July was down \$.20¼, May Minneapolis wheat was down \$.08, New Crop September was down \$.08½, May Soybean Meal was down \$4.70 per ton and December was down \$5.00 per ton.

Export inspections for the week ending April 18 were only disappointing for soybeans at 14 MBU. All others were above expectations and near the weekly average needed with corn at 53.3 MBU, wheat at 29.8 MBU (half of which was hard red winter) and grain sorghum at 3.7 MBU.

Crop progress and conditions report on Monday stated only 6 percent of the nation's corn planted, compared to 12 percent for a five-year average. Grain sorghum plantings were at 17 percent, compared to 22 percent average, spring wheat

at only 5 percent compared to 22 percent average and soybean plantings at 1 percent compared to 2 percent average.

Winter wheat conditions improved to now 62 percent rated good to excellent and only 8 percent rated poor to very poor. The winter wheat crop is 9 percent headed compared to 12 percent last year and 18 percent average.

Heavy rains look to stay isolated in the South and around the Great Lakes this week. The latest six-to-10-day outlook shows above normal temps for most, below normal in the North and above normal precipitation in the North with below normal out West and in the Southeast.

May corn went into a new contract low at \$3.54¼, with support next at \$3.52½ (March contract low) and resistance up near \$3.66, then \$3.80. May soybeans are still holding a lower trend since February with support next at \$8.71½ and resistance up at \$9.07, then \$9.12.

May Kansas City wheat hit a new contract low at \$4.10¾, with resistance up at \$4.35. May Chicago wheat had resistance up at \$4.65, with the contract low at \$4.27 back in March. May soybean meal broke lower last week with resistance up near \$312 and the contract low down at \$300.30.

Strader-Tanking

Connor Strader and Jacob Tanking, both of Kansas City, are happy to announce their engagement and upcoming wedding.

The bride-to-be is the daughter of Ryan Strader of Holton and Melissa Holliday of Soldier. Her grandparents are Linda Strader and the late Ronald Strader of Holton, Candy Loving of Topeka and John Vesel of Irving, Texas.

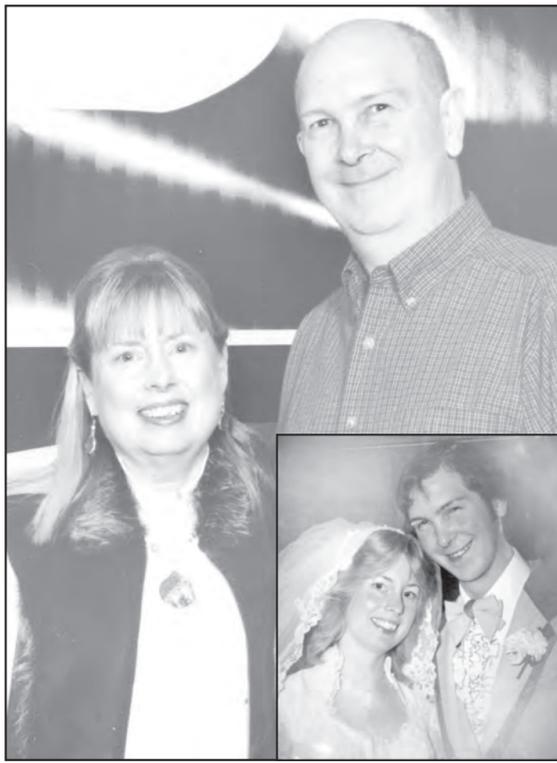

The future groom is the son of Greg and Susan Tanking of Holton. His grandparents are Larry and Alberta Tanking of Holton and Bill and Sandra Renner of Mayetta.

Both Connor (Class of 2013) and Jacob (Class of 2012) graduated from Holton High School.

Connor received a bachelor's degree in exercise science in 2016 from Ottawa University. She is currently a second-year student at The University of Kansas Medical Center pursuing a master of occupational therapy degree. She will graduate in May 2020.

Jacob received a bachelor's degree in social science in 2017 from Kansas State University. He is an account manager at Signature Landscape in Olathe.

The couple will wed on June 8 at St. Agnes Catholic Church in Roeland Park.

Shaws to celebrate 40th anniversary

Bernerd and Patty (Katz) Shaw of Topeka will celebrate 40 years of marriage on Sunday, April 28.

They were married at the First United Methodist Church in Holton on Saturday, April 28, 1979.

The couple was blessed with two sons, Ryan and his wife,

Danelle, of Scottsbluff, Neb., and Derek of Topeka. They have two grandchildren, Katerina and Cale.

Bernerd works for Mars in Topeka, and Patty is retired from AT&T of Topeka.

They will celebrate their anniversary with an Alaska land and cruise trip.

Unused medications to be collected here Saturday

The Jackson County Sheriff's Office in Holton is one of several law enforcement agency locations throughout the state that will serve as a collection point for unused leftover medications on Saturday, April 27, it has been reported.

The collection events are part of a nationwide effort to safely dispose of leftover medications and to prevent accidental or intentional misuse. Since the Drug Take-Back Day program began in 2010, more than 81 tons of unwanted medications have been collected and destroyed in Kansas alone.

"Unused medications are dangerous for kids, pets and the environment," said Kansas Attorney General Derek Schmidt. "Diversion of opioid painkillers, in particular, can contribute to the misuse of these drugs that has become a serious nationwide problem. Getting leftover medicines out of the medicine cabinets and safely destroyed keeps them from falling into the wrong hands and makes our communities safer."

Medications will be accepted at drop-off sites across the state, including the Jackson County Sheriff's Office, from 10 a.m. to 2 p.m. on Saturday. The sheriff's office is located at 210 U.S. Highway 75.

The National Drug Take-Back Day is coordinated by the federal Drug Enforcement Administration, which collects and safely destroys the medications.

Medicines that languish in home cabinets are highly susceptible to diversion, misuse and abuse. Nationwide, the Centers for Disease Control and Prevention (CDC) estimates opioid overdoses kill 130 Americans every day.

According to the Kansas Department of Health and Environment, pharmaceutical opioids are a leading cause of drug poisoning deaths in Kansas.

School Menus

Jackson Heights

Monday, April 29: Breakfast – French toast sticks, link sausage, fruit, juice and milk; Lunch – Ham and cheese sandwich, baked beans, Sun Chips, lettuce salad, fruit and milk.

Tuesday, April 30: Breakfast – Cheese omelet, oatmeal square, fruit, juice and milk; Lunch – Corn dog, tater tots, green beans, fruit, chocolate chip cookie and milk.

Holton students at state FCCLA event

By Cassidy Fisher
Sophomore Correspondent
Holton High School

Students of Holton High School's Family Career and Community Leaders of America (FCCLA) club attended the State Leadership Conference (SLC), held April 7-9.

Students who attended were sophomores Cassidy Fisher, Kinsley Watkins, Saydee Tanking, Kaitlyn Ramirez, Kyler Rose and Therron Fox, junior Taygen Altenburg and seniors Faith Holaday and Abigail Hundley.

At SLC, the students participated in many different activities that helped them learn how to become better leaders. They also learned how they could implement leadership skills in Holton's chapter.

Students participated in both the opening and closing ceremonies.

During the opening ceremony, Fisher, Watkins and Altenburg were installed as district officers. They will serve as FC-

CLA District E-West officers for the 2019-20 term.

"I'm really excited to be a district officer and further my knowledge of FCCLA and how to become a better leader," Watkins said.

While on the trip, Holaday and Hundley competed with their STAR Event in the category of Life Event Planning. Tanking also competed in the entrepreneurship category.

Both of these STAR events received gold and Tanking placed in the top percentage of her category, securing her chance to go on and compete at the National Leadership Conference this summer in Anaheim, Calif.

Rose, Ramirez and Fox competed in the leadership education opportunities category. In this category, participants create a board showing what they did to show leadership in their schools.

This group created their board and it was set up at SLC for everyone to see. They received a white rating on their board, which is the second highest that can be received.

Next year, HHS FCCLA will have three district officers serving and will continue competing in STAR events.

Woltje facing jury trial here in June

By Brian Sanders

Criminal charges against a Topeka man suspected of sex crimes against a minor in Jackson County had been reduced in anticipation of a plea agreement, but it is likely that the original charges will be reinstated, it was noted on Friday in Jackson County District Court.

Jamie M. Woltje, 29, has been charged with two counts of aggravated criminal sodomy and aggravated indecent liberties with a child in connection with alleged sex crimes that were believed to have taken place with a child under the age of 14 in Holton in March of 2015.

Woltje's defense attorney, J. Richard Lake of Holton, said during a pretrial hearing on Friday that in anticipation of a plea deal, Jackson County Attorney Shawna Miller had agreed to dismiss the sodomy charges, but the situation had changed before the hearing.

"We have been exploring a disposition to the case," Lake said. "We thought we had one, but apparently he's

changed his mind and still wants a jury trial."

That trial, District Court Judge Norbert Marek noted, is set to begin Tuesday, June 18 and is expected to last for three days. Miller said that since Woltje had apparently changed his mind about the charges, an amended complaint reducing the charges to one count of indecent liberties will be "amended back down" prior to the trial.

Woltje was arrested last July by the U.S. Marshal's Task Force in Shawnee County following a Jackson County Sheriff's Office investigation into allegations of sex crimes involving a minor child.

The original charges against Woltje included one count each of rape, aggravated criminal sodomy and aggravated indecent liberties with a child. He is currently free on \$25,000 bond.

Another pretrial hearing has been scheduled for Friday, May 10, at which time it is likely that jury instructions will be discussed, Judge Marek noted.

Jackson Heights kindergarten student Lillian Jones was recently named first-place winner in the elementary school category of the Kansas Youth Art Month Contest.

PBP Elder Center Menus

Meals at the Prairie Band Potawatomi Elder Center are served from 11:30 a.m. to 12:30 p.m., Monday through Friday. The menu is subject to change.

The center is open 7 a.m. to 4 p.m. Monday through Friday.

Enrolled tribal members age 50 and older may eat for free. Non-member seniors or non-seniors will be charged a fee for meals.

Reservations are required if you are in a large group. The center is located on K Road, about one-half mile south of 158th Road. For more information about the program, call (785) 966-0040.

Menus listed for the week of Monday, April 29 through Friday, May 3 are as follows:

Monday, April 29: Polish

dogs, fried cabbage, dessert and fruit.

Tuesday, April 30: Chicken and noodle soup, ham sandwich and fruit.

Wednesday, May 1: Not available at press time.

Thursday, May 2: Not available at press time.

Friday, May 3: Not available at press time.

Immanuel Lutheran Church

By Esther L. Ideker

Maundy Thursday Service with Holy Communion was held at Immanuel Lutheran Church at 7 p.m. on April 18. With the sunset shining through the stained glass windows, portraying Jesus in the Garden of Gethsemane, it was a fitting setting for the service.

The opening hymn was "On My Heart Imprint Your Image." The congregation followed the service of corporate confession and absolution. Psalm 116:12-19 was spoken responsively.

Elder Topher Dohl read the Old Testament lesson from Exodus chapter 24 and the Epistle lesson from 1 Corinthians chapter 11. Pastor Michael Van Velzer read the Holy Gospel from John 12:10-17, 31b-35. The sermon hymn was "Just As I Am, Without One Plea."

Pastor Van Velzer's sermon was titled "Unlimited Access," with the text from Exodus 24. The Bible says that we are born dead in transgressions and sins. The Bible says that by nature we are God's enemies and that we are fading leaves, empty cisterns and flowers quickly fading.

The Bible says that we are rebels, prodigals, prone to wander, hard-hearted, selfish and lost in sin. By the blood of Jesus, we have access! Access to the throne of almighty God. Access to the heart of Him who rules the sun, the moon and the stars. Access to our Father who wields a full monopoly of power in heaven and on earth, for us His children!

Unlimited access - this is God's gift to Moses, Aaron, Nadab, Abihu and the seventy elders of Israel. Unlimited access - it's God's gift in Christ for you!

The Service of the Sacrament followed with the Proper, Sanctus, Prayer of Thanksgiving, the Pax Domini and Agnus Dei. Elder Topher Dohl assisted Pastor Van Velzer with the distribution. The distribution hymns were "Your Table I Approach" and "Come, Let Us Eat."

In preparation for the solemn service of Good Friday, Pastor read Psalm 22 and the altar was stripped of all vessels and parameters. The congregation departed the church in silence.

Good Friday service was held at 7 p.m. on April 19. Elder Tex Manuel II read the Old Testament lesson from Exodus chapter 12 and the Epistle lesson from Hebrews chapter 4. Pastor Van Velzer read the Passion of our Lord from John 18 and John 19.

In Pastor Van Velzer's sermon in the series on the book of Exodus, the text was from chapter 12. It is all about the Agnus Dei - the Lamb of God.

The Lamb's blood flowed in Gethsemane when Jesus was in such agony that He sweat great drops of blood. Blood continued

to flow from His open wounds as He carried His crosspiece on the Via Delaros, the way of sorrow.

By faith, we are washed clean in the blood of Jesus. Isaac Watts, the great 17th century hymn writer, wrote, "Love so amazing, so divine, demands my soul, my life, my all."

The Bidding Prayer was read by Pastor Van Velzer followed by the sentences and the congregation responded. The service concluded with the Adoration of Christ and the concluding collect.

Glorious Easter was celebrated at worship at Immanuel Lutheran Church on Sunday, April 21, with the opening hymn "Jesus Christ Is Risen Today." Psalm 16 was spoken responsively. The introit was from Exodus chapter 15 with the response, the Gloria in Excelsis.

Elder Travis Amon read the Old Testament lesson from Exodus 15:1-18, and the Epistle lesson from 1 Corinthians 15:19-26. Pastor Van Velzer read the Holy Gospel from Luke 24:1-12. The sermon hymn was "Now All The Vault Of Heaven Resounds."

The goal of Pastor Van Velzer's sermon was for us to profess Easter and to possess Easter. Easter happened. That's profess. Easter is happening in us. That's possess!

The series on the book of Exodus during this Lenten season was wrapped up. What are the odds that a group of Israelite state slaves would defeat the most powerful military force on earth - the Egyptians led by the mighty Pharaoh? Just when the odds were completely against Israel, we come to "Pharaoh's chariot and army He has hurled into the sea. The finest of Pha-

raoh's officers drowned in the Red Sea."

No wonder the Israelites sing in Exodus 15:2: "The Lord is my strength and my song; He has become my salvation!" This is the first Hallelujah! Against all odds, Israel made it out of Egypt. Better yet, against all odds, Jesus Christ is risen today!

In John 14:19, Jesus puts it this way, "Because I live, you also will live." We live now and we will live forever. We have a word for all of this. Hallelujah!

The congregation professed The Nicene Creed. In the prayers of the church, thanksgiving was given for Christ's glorious resurrection and for the grand reunion of all saints. Remembered were our leaders, for those who preach the word, for healing and strength for the weary and afflicted; for all who are ill and hospitalized for healing and relief; and giving thanks for the witness of those faithful gone before us. The congregation joined in The Lord's Prayer.

The offertory piece was "Because He Lives." Following the offertory and benediction, the service closed with the hymn "Christ The Lord Is Risen Today." Serving Sunday were Travis Amon, elder; Rylan Amon, acolyte; Joyce Peterson, organist; and Pam Schumann and Nancy Schumann, altar committee.

The children enjoyed an Easter egg hunt in the park immediately following the services and a fellowship time was held with pastries and beverages.

The quarterly voter's meeting will be held after church on April 28. Donuts and coffee will be served as a benefit for the Drewes family in their recovery from flooding in Craig, Mo.

RV B.O.E...

Continued from Page 1

* Reviewed information regarding the upcoming board of education election. Positions one, two, three and seven will be on the general election ballot in November. The last day to file for the election is noon on June 3.

* Approved the board of education meeting dates for the 2019-20 school year. Dates include Aug. 12 and 26, Sept. 9, Oct. 14, Nov. 11, Dec. 9, Jan. 13 and 27, Feb. 10, March 2 and 23, April 13 and 27, May 11, June 8 and 22 and July 13.

All meetings are held at 7:30 p.m. at the district office in Mayetta and are open to the public.

* Reviewed informa-

tion about the RVHS commencement set for 2 p.m. on Sunday, May 12.

* Approved an updated version of core credit equivalency from Washburn Tech, which is updated from two years ago.

Davis said some new programs have been added or modified, which is why Washburn Tech updated its course credits.

The new list will apply to Washburn Tech students enrolled as juniors and seniors next year.

* Met in executive session for 20 minutes with Noah Slay, RVES principal, and Heather Hundley, RVMS principal, to discuss non-elected personnel.

Back in open session, the board approved employment contracts for the 2019-20 school year for Heidi Hawkinson-Penny, middle school social studies teacher; Keri Bausch, district social worker; and Megan Knopp, elementary school teaching position (kindergarten or first grade).

The board also approved certified and classified staff contracts as presented.

* Met in executive session to discuss confidential student information and teacher salary negotiations. No action was taken back in open session.

* Adjourned the meeting. Board member Linda Hegemann was absent.

County Liquor Resolution...

Continued from Page 1

* Met in executive session for five minutes with County Counselor Alex Morrissey, Mick and Peek to discuss a matter of attorney/client privilege. No action was taken back in open session.

* Heard a weekly report from Lu Griffiths, Banner Creek Reservoir director. Griffiths reported that he is working on getting all water lines turned on and ready for the busy summer season.

The commissioners told him to contact Barnett for

any gravel the reservoir roads may need, and Griffiths said he could possibly haul and spread it himself. He would like to look into getting a trailer to haul the Bobcat over to the south side when needed.

Griffiths presented a contract with Grassroots Pest Control for \$95 per month, and the commissioners approved the contract.

The commissioners also approved a park ambassador agreement with Diane Levick

for \$800 per month.

* Left the Courthouse with Morrissey and Peek to view the eastern parts of districts one and two.

* Signed payroll change notices for Edward Galster, Raymond Korte and Robin Levick, season employees at Banner Creek Reservoir, and Rebeca McClane, a truck driver for the road and bridge department.

* Adjourned the meeting at 3:36 p.m. All three commissioners were present.

Straight Arrows hold March, April meetings

By Samantha Wilson

The Straight Arrows 4-H Club held its monthly meeting Sunday, March 17, at the Northeast Kansas Heritage Complex. This meeting was run by the junior officers.

President Aaralynn Allen called the meeting to order and Junior Vice President Landon Kennedy followed with roll call. The question for roll call was, "What do you want to be when you grow up?"

All of the officers announced their reports. Committee reports included the community service committee asking families to help with Nourish One. The finance committee came back with an all good on the audit. Then the fundraising committee brought ideas about the club and the club decided on doing the burrito fundraiser again.

Club leader Denise Peters presented to the club a club t-shirts order, review of the rules while using the Northeast Heritage Complex and talked about needing fair superintendents.

During the April council meeting, Denise was to find out Straight Arrows members' concession stand shifts during the fair. She gave a run down of the club's finances and then talked about project meeting opportunities.

During the meeting, the club decided to sponsor trophies for the fair and made a motion and passed on doing the bur-

ritos for the fundraiser.

The members listened to the program that was directed by Denise and Shelby about County Club Day awards.

The meeting was then adjourned and members enjoyed treats and recreation.

The club held its April meeting on Sunday, April 14, at the Northeast Kansas Heritage Complex. Vice President Colby Doyle called the meeting to order and Vice President Shelby Fox followed with roll call. The question for roll call was, "What is your favorite animal?"

All of the officers announced their reports. There were no committee reports.

Club leader Denise Peters presented to the club about club t-shirts orders, YQCA being completed, announced summer camp opportunities, reminded about the add/drop project deadline of May 1 and mentioned project meeting opportunities.

During the meeting, the club decided to reimburse club members from the events and camp they go to and then the club discussed donating to the Nebraska 4-H Foundation Relief Fund and Bike Across Kansas.

The members listened to the program that was directed by Denise and Shelby about Regional Club Day awards.

The meeting was then adjourned and members enjoyed treats and recreation.

Mother's Day Essay Contest announced

The Holton Recorder is hosting its 12th annual Mother's Day Youth Essay Contest. The theme of the essay contest is "My Mother Is Amazing Because..." Essays are due Friday, May 3.

The top winning essay in each of the three age divisions will be published in the Wednesday, May 8, edition of The Holton Recorder along with a photo of the mother and

child.

5th Street Sandwich Shoppe in Holton is also awarding a free meal to each of the winners and their mothers as part of the contest.

Winning essays will be selected from three age group divisions - grade school, middle school and high school. All area students are encouraged to participate.

Essays should be typed

and be no more than 500 words. Please include your name, age, hometown, your mother's name and phone number.

Essays can be sent to The Holton Recorder Mother's Day Essay Contest, P.O. Box 311, Holton, KS 66436 or hand-delivered to our office at 109 W. Fourth St. They can also be emailed to holtonrecorder@giantcomm.net

Art Walk...

Continued from Page 1

• **Benevolence Total Wellness:** Kathleen Cobb, oil paintings.

• **Quilting On The Square:** Jackson Heights Middle and High School art students.

• **Kellerman Insurance:** Constance Fox, photography.

• **Heart To Home:** Frida Kieffaber.

• **NuSound Hearing Center:** Gary Shupe, paintings.

• **Ginger Snips:** Sandy Studebaker-Gilbert, oil paintings.

• **Jackson County Courthouse:** displays by Jackson County Arts members and Studebaker-Gilbert's students, along with music by Gary Bell, main floor hallway; Juried Face To Face portrait show, mixed-media

art show, meeting room; and John Quinton, mobile art gallery featuring architectural photography from across the United States, circle drive on east side of courthouse.

Snacks will also be available at the Courthouse's circle drive, where visitors to the Art Walk may find Hawaiian shaved ice and kettle corn from Charitable Vending, as well as Glenna Kay's Cookies and Confections, a selection of art-related sweets.

Loft tour participants will have the opportunity to visit second-story living spaces in various stages of completion, from the "work in progress" in the loft above the JM Sewing Center on the west side of the Square to the loft apartments

above More Than Lemons on the east side that are being modeled into lodgings to be offered through Airbnb.

The tour will feature lofts owned by Les and Jan Brandt, Frank and Betsy Gilliland, Joe and Karrie Gilliland, Dr. Joel and Becky Hutchins, John and April Lemon, Bobbi McGrath, Jerry and Michelle Meddock, Jerry and Susan Mencl, Shane and Janice Mulroy and Dennis and Joni White.

It was reported that the lofts are not handicapped-accessible, and no public restrooms will be available on the tour.

Other activities in conjunction with the Art Walk will include a chance to meet the artists, stroll the Square and visit its retailers, who will be open late.

STATE NEWS

Court asked to settle dispute between Gov. Kelly, Wagle

Kansas Attorney General Derek Schmidt on Monday asked the Kansas Supreme Court to decide who, if anyone, now has legal authority to appoint a new judge to the current vacancy on the Kansas Court of Appeals after withdrawal of the governor's first nominee.

Schmidt asked the Supreme Court to rule swiftly on the dispute between Kansas Gov. Laura Kelly and Senate President Susan Wagle over how a state statute governing Court of Appeals appointments applies to the unusual circumstances surrounding the current vacancy.

The dispute arose after the governor withdrew her first nominee after the deadline for the governor to make the appointment had passed but before the Senate could vote on the nominee.

The governor now argues that the appointments statute authorizes her to make a second appointment, but Sen. Wagle argues that the statute shifts the appointing authority to the chief justice of the Kansas Supreme Court.

In the lawsuit, Schmidt asked the Supreme Court to decide who is correct and suggested a third possibility: that no one currently has authority to make the appointment because of a gap in the statute, and therefore the Legislature needs to amend the statute and decide how it should apply to the current unusual situation.

"In the State's view, the words of the statute are plain and unambiguous and the gap in the statute is obvious: [The appointments statute] simply does not address the circumstance that has arisen here," Schmidt wrote in his filing with the court. "In drafting [the appointments statute], the Legislature apparently failed to contemplate the prospect of an appointment being withdrawn after expiration of the initial 60-day period, so it made no provision for that eventuality."

"The defect in the statute is one that only the Legislature can cure... This Court should exercise restraint, decline to speculate how the Legislature might have wished the statute to address this circumstance, and instead leave to the Legislature the task of repairing the statute as it may see fit."

However, in the event the Supreme Court concludes the current statute does authorize an appointing authority, Schmidt asked the court to make clear whether that is now the governor or the chief justice.

Schmidt on Monday filed a Petition in Quo Warranto, a Memorandum in Support of Petition in Quo Warranto, and a Motion to Expedite. The lawsuit, State ex rel Derek Schmidt, Attorney General, v. Governor Laura Kelly, Chief Justice Lawton Nuss, and Kansas Senate, is Original Action No. 121061.

Royal Valley baseball team splits DH

Continued from Page 6

Hiawatha led 1-0 after the first inning of this game and after two innings the game was tied 1-1. Both teams scored two runs apiece in the third and two runs apiece in the fifth and played through a scoreless sixth inning tied 5-5.

I. Neuner was the starting pitcher for Royal Valley and went four and two thirds innings striking out 11 and allowing five runs on six hits.

DeCoteau pitched two and third innings in relief striking out three, walking one and allowing no runs on one hit.

Corbett pitched two and two thirds innings for Hiawatha striking out six, walking one and allowing three unearned runs on no hits.

Brown pitched two and a third innings for Hiawatha striking out four, walking four and allowing two runs (one earned) on two hits. Cryan (one inning) and Kolb (two-third of one inning) also pitched for Hiawatha.

Senior Garrett Pruyser had one hit in the game. Dressman had two hits and scored two runs. I. Neuner had two hits (including a double) and scored two runs.

Sophomore Colin Everts had one hit, scored two runs, walked once and had one RBI. B. Neuner walked twice and had two RBI. Ruddy walked once and had one RBI. Wiedmann walked once and Burger had one RBI (the game winner).

Hiawatha had seven hits and four errors. Simpson hit a double and Pavlish hit a triple. The rest of the Hiawatha hits were singles. Royal Valley had four hits and one error.

County Commission...

Continued from Page 1

* Met with Dan Barnett, road and bridge director, who reported that he is training new employees to operate the county's motor graders. Kathrens said that P3 Lane could use some rock at the curve.

* Approved a request from the Holton Ball Association for \$2,500 in funding from the alcohol tax, parks and recreation fund.

* Received a phone call from Ryan Burdick with concerns about a wind farm that is being developed in Nemaha County and how it could impact Jackson County. Zwonitzer said that the wind farm and its effects are on the commission's radar, and they will be discussing the project as it moves forward.

* Met with Jackson County Treasurer Linda Gerhardt, Deputy Treasurer Clerk Lisa Miller and Deputy County Clerk Sally Jo Alley to discuss their request to hire a part time, on-call IT person. They recommended Tim Blevins, who was present at the meeting. Blevins outlined his background and experience.

The commissioners agreed that there was a need for an IT employee, and they said they would discuss a contract for services with Morrissey. * Met with Lu Griffiths, Banner Creek Reservoir director, who reported that rock has been hauled to the lake roadways, fish feeders have been placed and some mowing has been completed. Staff will start control burning and spraying trails soon. He is also looking into getting signage ready for the season for rules and regulations at the lake.

* Met in executive session for three minutes to discuss economic development with Deputy Clerk Tara Peek. No action was taken back in open session.

* Met with Brooke Smith, juvenile intake director, who discussed her new office space in the KANZA Mental Health & Guidance Center building. Smith said that KANZA is organizing an open house event in May for the renovated space.

Smith also requested permission to seek bids for a large conference table

for the new space, and the commissioners agreed.

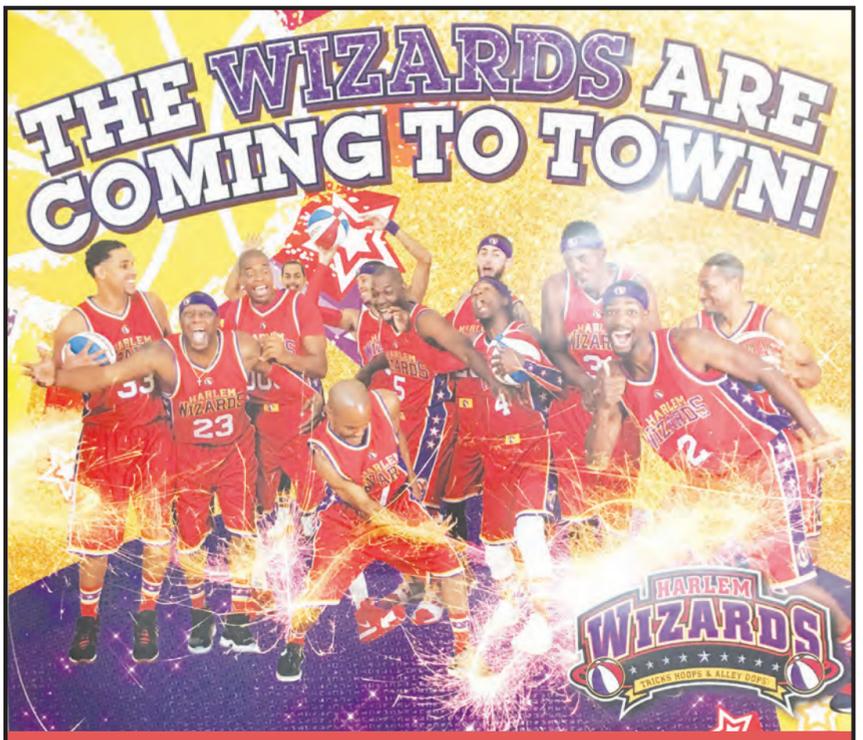

* Left the Jackson County Courthouse to view the sheriff office's shop east of town, which was formerly used as the shop for the road and bridge department. The area is also used for storing seized vehicles, and a custom walk-in freezer was recently built there to store pallets of food for prisoner meals.

* Signed requests and petitions to allow three companies to occupy county right-of-ways to service their customers. The requests were received by Star-Tek LLC (Q Road), Bluestem Electric (238th Road) and Telcom Construction (M Road).

* Signed payroll change notices for new hires Richard Spielman (road and bridge department) and Brian Folds (sheriff's office).

* Adjourned the meeting at 4:11 p.m. All three commissioners were present.
