

HAUG CONSTRUCTION INC.

For more than half a century, Haug Construction Inc. of Holton has been doing its part to fill the construction needs of Jackson County area residents.

That work continues today with the variety of construction services offered

by the company, founded in 1963 by Ambrose and Rosalita Haug.

Today, the business is owned by their son, Steve Haug, and Steve's son, John. They are ably assisted by Mike McCrory, Paul Bryant, Braden Sides and Cathy Haug.

Haug Construction offers services involving trucking, gravel, track loaders and dozers, backhoes and trenchers and hydraulic excavating services. Services offered also include basement excavation, sewer and water line installation, camera-based sewer inspections, terraces, outlets, fill sand, rock, topsoil and plastic and metal pipe.

For more information, call Haug Construction at 364-3375 or fax 364-2669.
