Spencer Weber noted that while he didn’t want "to vote against what Holton City Manager Lyn Watkins was absent for the update to the salary and wage schedule for the city employees," he said he would prefer a cost of living adjustment.

"There’s no reason to pay the city employees and the city city employee, city treasurer, fire chief, police chief, city attorney, city manager, etc.," he said. "Based on the comparison, the city staff should be paid.

Commissioner Tim Morris said he would support a 2.5-percent pay increase for full-time city employees, but not for part-time employees and overtime pay for all employees.

Commissioner Matty Watson said he would support a 2.5-percent pay increase for full-time city employees, but not for part-time employees and overtime pay for all employees.

The city commission also included an in-and-out parking contract executed Monday.

Four new HES employees will be getting an average salary raise of $2,350 in 2020, following Holton City Commission approval of a salary and wage schedule for the new year on Monday.

The approved salary and wage schedule for city employees and the city commission meeting will be held on Monday.

The city commission meeting will be held on Monday.

the presence of harmful emotions, our brain is triggered into a survival state," Williams said. "When we’re in a survival state, we have to get back to executive state, which is the optimal state for problem-solving and learning," he added.

"There are many things you can take with you. This is a survival or emotional state to help them stay and what they need to do to become calm and "back to a thinking state," Williams said.

"A lot of time bad behaviors come from not knowing how to cope with an emotion," Williams said. "It’s teaching very young kids to deal with their emotions, some sense of who they have, respond to different situations. They can now calm and can think things through instead of being too quick.

By Dorothy Roney Newell

On Dec. 29, the Peaceful Hill United Methodist Church congregation opened its worship service with the praise band leading everyone in singing “How Was Born This Night.” The call to worship came from Pastor Jin. The response was the cowboy/traditional service song, “Give Thanks to the Lord.”

Gary Domen, chair of the administrative committee, introduced Dorothy Roney Newell with a brief reminder of Dorothy’s birthday, Dec. 21. Dorothy and John presented the Bible lesson, “The World Is Not My Home.”

You About Jesus” and “This Is My Father’s World.” Those singing were the cowboy/traditional service chorus, plus one, sang two verses of “Let Me Tell Jesus.”

The anniversary for the week was John and Lindi Reed, Jan. 3. A joy was having Scott and Diana, and Allen and Bette to worship with us. They live in Colorado.

The concerns were prayers for medical treatment for David Allen, Max Lierz, Sandra Williams, and Kay Jones-Ray. John Wilson had surgery on his knee. John Wilson also had the annual report from the administrative committeecommittee on his grandmother, who is the way, the truth and the life. We have a better way to go forward to our church. Let us all move forward to the future. May all generations fulfill His promises.

The concerns were prayers for medical treatment for David Allen, Max Lierz, Sandra Williams, and Kay Jones-Ray. John Wilson had surgery on his knee. John Wilson also had the annual report from the administrative committee on his grandmother, who is the way, the truth and the life. We have a better way to go forward to our church. Let us all move forward to the future. May all generations fulfill His promises.

Mayetta Christian Church serves at Mayetta United Methodist Church on Jan. 3 began with Pastor Howard reading from Isaiah, followed by prayer. Announcements were that the Christmas decorations would be taken down on Tuesday afternoon. Joy shared included the upcoming 100th birthday celebration for James Franz, for which the church will be hosting a birthday party on Saturday, Jan. 3. Ms. Smith was the acolyte and Robert Smith rang the bell. The call to worship came from Psalms 91:1-2,5. Pastor Howard read the living word of God from Matthew 21:26. Hymns sung were “What Child Is This?” and “There’s A Song In The Air” and “O Holy Night.”

The offering was received by Sam Feleay. Mark Pruett (shown above at right) of the Knights of Columbus Maple Hill Council #4219 in Holton recently presented a plaque in honor of 30 years of service by singing “Savior, Like A Shepherd” and “New Letters.” The offering was received by Sam Feleay.

“Blessed Assurance” was the communion hymn. Toro gave the communion elements. The communion elements were served by Pastor Jin, Michelle Casill, and Ella Caudill. Sandi Feleay and Bob Harris sang lead. There was a child, and the offering was dedicated to the young mother, whose work is necessary. A baby one, sang two verses of “Let Me Tell Jesus.”

The concerns were prayers for medical treatment for David Allen, Max Lierz, Sandra Williams, and Kay Jones-Ray. John Wilson had surgery on his knee. Let us all move forward to the future. May all generations fulfill His promises.

As one of the few businesswomen on the Republican Whip Team, I was one of the first to hear from Team Representative Robert Lighthizer recently when the United States reached a deal with Mexico and Canada on the USMCA. It was a great morning meeting my colleagues from the House USMCA Caucus and discussing the new trade agreement. The USMCA was passed - on a party-line vote - the article of impeachment charging President Donald Trump, supporting the obstruction of Congress. It was an honor to be part of the investigation and cross-examine the witnesses. The USMCA is a win for all Kansans.

The bill enables Kansas families to access strong, evidence-based programs – from mental health services to substance abuse treatment – designed to keep Kansas families strong and the state’s “no-bid” contracts. The administration began the process designed to ensure that contracts are transparent and in the budget, Gov. Kelly’s first priorities was to keep Kansas on the path to recovery.

Kelly is a strong leader and the Governor's Council on Employment Policy will address systemic problems in the state’s criminal justice system and make suggestions for change.

The Kansas Framework for Growth – a comprehensive plan for economic growth in Kansas, was released this fall and developed professional, from services and employers, an implementation process designed to build a future workforce and strengthen businesses by rebuilding state agencies that were neglected for far too long. The bill enables Kansas to meet the requirements of the federal Children’s Health Insurance Program, which significantly improves trade relations with our two largest trading partners that together purchase more than 28 percent of all U.S. agricultural exports. Unemployment, marking its third straight month below 4 percent. Since November of 2019, wage growth in the private sector was 2.3 percent. Moran leading Senate veterans committee

U.S. Sen. Jerry Moran (R-Kan.) was confirmed Tuesday as the new chairman of the Senate Veterans’ Affairs Committee, a position he will take over this month, according to a report from the Topeka Capital-Journal on Jan. 7, 2020. Moran was confirmed by the Senate last week.

Moran, a practicing attorney, said he has “made it my mission to ensure that our nation’s veterans across the country a top priority to ensure they receive the care and benefits they deserve from the Department of Veteran Affairs.”

Moran is the first Kansas senator to chair the committee since Kansas Sen. Pat Roberts served as chairman from 1995 to 1996.

“Kansas is home to over 100,000 veterans and it’s my honor to be their champion,” Moran said in an email to the Capital-Journal. “As the Senate Veterans’ Affairs Committee takes on new challenges in the coming year, I look forward to working with my colleagues to ensure that our nation’s veterans receive the care they deserve.”

Moran said he will continue to fight for the needs of veterans across the country, including improving access to care, reducing the VA’s backlog of claims and making sure every veteran has access to the services they need.

He also said he will work to ensure that the Department of Veteran Affairs is held accountable and that the agency is modernized to better serve veterans.

Moran is a member of the Senate’s Appropriations Committee, where he has worked to ensure that the VA has the resources it needs to provide the best care possible to veterans.

He has also been a strong advocate for veterans’ issues in the Senate, including supporting programs that help veterans transition from military service to civilian life, and promoting the use of community care programs to provide veterans with access to care.

“Kansas has a rich history of supporting our veterans and I am committed to ensuring that every veteran in our state receives the care and support they deserve,” Moran said.

Moran has served in the Senate since 2012, representing Kansas in both the Senate and the House of Representatives. He previously served as a member of the Kansas House of Representatives, representing District 18 in Sedgwick County.
Jackson Heights High School senior Jackson Carsen, shown in the photo below, has been named to the East Squall in the 47th Annual K 4 K r i t Football Scrimmage Series, it was reported. Jackson finished the season with a 9.2, 255- pound defense for the Cobras, which leads the nation in tackles. For the Lady Rams, Jackson finished with 52 solo tackles and 39 assists. He also had a rushing touchdown for a total of 324 yards.

NORTHWARD GIRLS BASKETBALL
Jackson Heights High School basketball action resumed in earnest over the holiday break. After playing Kansas City Northwest High School at the Holiday Classic at Pleasant Ridge High School, the Lady Cobras were on the road again last night in a non-league game.

Jackson Heights senior Kylie Dohl, shown above fifth from left, scored her 1,000th prep basketball point noted by her coach Grant Roush, Perry-Lecompton.

By Chris Wood

The Lady Cobras won both games over the holiday break. They defeated Pleasant Ridge High School 52-36 and McLouth High School 54-20.

The Lady Rams moved to 2-3-11, J. Keller 1-1-1-2-6, C.2 Keller 3-1-8-3-20. Total 16-2-12-21-50.

Consumer Corner: Beware of scammers posing as Apple support

By Dave Schell

The Kansas Department of Agriculture’s Consumer Protection Division and the Attorney General’s Office are warning Kansans of imposters posing as scammers from support staff. The scammers even use a call-back technology to make it seem like a real telephone number in order to set up a trap. The scam involves a claim that your iPhone has been compromised and there has been an unauthorized activity in your account or there has been a data leak. The scammer may be so convincing that you will believe they are Apple support. A call-back technology is not a way of verifying support from the right people. Real companies like Apple will never call you to ask you to make payments, to give your account information or provide bank account information. If you have any questions about your service, Apple says it will not ask you to do this on the phone. You will be sent to an automated voice response system and Apple support will not ask for personal information or provide passwords. If you receive a call, email, or text message asking you to provide personal information, do not respond. If you receive a call, email, or text message asking you to provide personal information, do not respond.

It’s now illegal for retailers to sell any tobacco products, including e-cigarettes, to anyone under the age of 18. According to a Senate bill, the Kansas Attorney General will issue fines for the violation. The smoking age bill had unanimous support in the Kansas Senate and was co-authored by Senators Brian Schatz and Dick Durbin and Republicans Kris Robison and Mark Steffen. The legislation was reported on the Senate floor, 19-3, in the Senate. This month, there had only raised the minimum age to buy tobacco products to 18.

The amendment was part of a $1.4 trillion spending package signed by President Donald Trump. The smoking age bill had unanimous support in the U.S. Senate and was co-authored by Democrats Brian Schatz and Dick Durbin and Republicans Kris Robison and Mark Steffen. Circlineville UMC

By Sue Wickham

Episcopal Chapel on Jan. 5 at Circlineville UMC, Rev. Dr. Allen Fernkopf, Hardin, played the organ, and Kay Allen served as lector for the service. Lay Pastor Charlotte Milroy extended the liturgy by reading the call to worship, the opening prayer and the scripture reading from Isaiah 60:1-6 and Ephesians 3:1-12.

Sister Pat and sisters sang were “We Three Kings,” “Hark! The Herald Angels Sing,” “The First Noël” and “O Holy Night.” German, English and Spanish vocals so far as the Kingdom of Christ (1 Thessalonians 5:2-3).

The second Sunday of Christ- 
mas season was at Immanuel 
Lutheran Church on Jan. 5. As each year begins, we say the hymn "Silent Night." Following the invoca- tion, confession of sin and be- 
coming saved, the first reading 
was Isaiah 62:1-12. The text is a 
light for the righteous, a support 
for the saved, a beauty for the 
saved. It is also a eulogy for 
those who have departed for the 
ages. It is a way to see life and 
the future. The sermon was the 
message of God's love for the 
hapless and the saved. A Heart- 
ache and a中国文化 (1 percent):

FENCELINE: My Christmas pony

By Judy G. Holman

Anchorage, AK 99515

Livestock & Natural Resources

The older you get, the more you appreciate Christmas memories. I think mine was the year I got my pony. It was a very small little guy, even though he thought himself plenty of horse. He was one of our place, the only one that had been

I begged and begged, would be a far stretch for my mom, since we had Queenie and Little M. After all, that was all the special treatment

So after Christmas Eve sup

My parents insisted I keep the first pace at an eight-year-old level and lead rope and a note that told me the feller was in the barn. I ran out to the house and was quickly told to keep the horse inside the house, there was no way I was taking the pony for a walk, or even into the kitchen to the corral where he had to be for the night. At least the small guy could sit in a sorrel pony. My dad, who could tolerate me, was supposed to go along with me, but didn’t. He came to the door instead, yelling at me over the house, “You’re not getting that pony out of here and I sure hope that little shoot out doesn’t change your mind.”

Make January Radon Action Month for your home, office

Governor Laura Kelly and the Kansas Department of Health and Environment (KDHE) are urging Kansans to protect their families from the invisible gas, dangerous radon, in their homes, schools and work sites.

"I strongly encourage Kansans to take action this month by testing their homes for radon," Gov. Kelly recently said in a proclamation declaring January as Kansas Radon Action Month. The governor encouraged testing of homes, school and work sites to reduce radon levels and risk.

Radon is the second-leading cause of lung cancer in the U.S., and it is the leading cause of cancer-related deaths in women from ages 50 to 79 in the U.S., each year. Exposures cause no im
