27th Pioneer Day set for Saturday

■ Mayetta's annual city celebration to feature Missouri's Holden Posse

By Ali Holcomb

Good old-fashioned small town fun will be featured during Mayetta Pioneer Day on Saturday, Sept. 14, with a variety of activities for the entire family.

The 27th annual event will feature food, craft vendors, games and a parade. New to this year's event is a special Wild West Show presentation by the Holden Posse of Missouri.

The posse, which will perform at 10:30 a.m. and 1:30 p.m. behind Mayetta City Hall, is an 1880s reenactment group that specializes in gun fighting and quick draw.

The group also includes information on gun safety for children and families as part of their presentation, it was reported.

Longtime Mayetta residents Gordon and Brenda Hainey will serve as grand marshals of the parade, and Velma Wahwasuck has been selected as the Prairie Band Potawatomi Elder Queen. The parade will be held at 3 p.m. along Main Street.

A photo booth and toddler play area will be set up downtown that day, along with a model train display and a state flag display.

John Hurla and Rachael McCoy of Safe Kids Prairie Band Potawatomi Nation will set up a car seat check lane from 9 a.m. to 11 a.m. on the east side of Main Street.

The full schedule for Pioneer Day activities include:

7 a.m. – Breakfast will be

served at the Masonic Lodge.

A 5K Fun Run/Walk/Crawl will be held. The starting line will be located at First Street and Main Street. Registration is \$5. For more information about the run, call Denise Lundin at (785) 851-0226.

8 a.m. – Music and announcements will be made throughout the morning by David Van Meter. The sign up for games will open at this time outside Mayetta City Hall.

9 a.m. – The craft market and quilt show will open. Quilts can be dropped off from 4 p.m. to 7 p.m. on Friday and from 7 a.m. to 9 a.m. on Saturday at city hall.

The first game, which is a beanbag toss, will be held, followed by "wind the bobbin up" and "broomstick balance" games at 9:30 a.m. and 9:45 a.m.

9 a.m. – 11 a.m. – A car seat check lane will be held on the east side of Main Street.

10 a.m. – The annual turtle races for children ages 16 and under will be held. Bring your own box turtle. A beard and mustache contest for adults will also be held at this time.

10:30 a.m. – A Wild West Show and gun safety presentation by the Holden Posse will be held behind city hall.

11:15 a.m. – A "no hands" race will take place.

11:15 a.m. – A dill pickle eating contest will be held.

Broxterman, Swisher run for school boards

Cindy Broxterman

Cindy Broxterman, 50, of Hoyt is running unopposed for re-election to position seven on the USD 337 Royal Valley board of education. The general election is set for Nov. 5.

Dena Swisher

Former Holton teacher Dena Swisher, 51, is running unopposed for the position seven seat on the USD 336 Holton Board of Education. The general election is set for Nov. 5.

This position is currently held by Carl Matousek, who is not seeking re-election.

This is Swisher's first time seeking public office, she said.

"The teachers and the support

It pays to buckle up for safety — that's what motorists driving through the intersection of Fifth Street and New York Avenue were reminded of Friday morning via the "Bucks For Buckles" campaign sponsored by Safe Kids Kansas, State Farm Insurance and the Kansas Department of Transportation. In the photo above, Holton High School senior Paige Crouch (at right) gave motorist Vanessa Ogden some information on the importance of buckling up for safety.

Capital One Bank (USA) N.A. vs. Tracy Nitsch, sought judgment of \$1,873.23 plus interest and court costs; dismissed.

JH board to meet

A presentation on the geothermal heat pump system at Jackson Heights Middle and High School and a teacher salary contract agreement for the 2019-20 school year are two of the agenda items members of the USD 335 Board of Education plan to handle during their regularly monthly meeting this evening.

The board will meet at 7 p.m. today in the FACS classroom at Jackson Heights High School. The meeting is open to the public, and a public forum is scheduled at the beginning of each meeting for district patrons to make comments to the board.

Following approval of the meeting's agenda and consent agenda, the latter including minutes from the board's Aug. 12 meeting and monthly bills and activity account reports, representatives from Willdan Performance Engineering of Lawrence will meet with the board for a facilities presentation.

Representatives from Willdan had met with the board in May to discuss their recommendations for the district's geothermal heat pump, air quality in the high school weight room and aging heater units in the elementary gym following a preliminary walk-through of the district's buildings earlier this year.

Board members will then consider increasing the daily rate of substitute teacher pay and hear administrator and board reports before going into executive session to discuss teacher salary contract negotiations and non-elected personnel matters. Upon returning to open session, action is anticipated on the teacher salary contract for 2019-20 and personnel matters discussed during executive session.

For more information, or to be placed on the agenda of an upcoming meeting, call the district office at 364-2194.

Synchrony Bank vs. Pamela A. Hartoeben, sought judgment of \$2,478.47 plus interest and court costs; granted.

The Farmers State Bank vs. Justin D. Hainline, sought judgment of \$664.33 plus interest and court costs; granted.

The University of Kansas Health Systems, doing business as The University of Kansas Hospital vs. Corinna F. Masters, seeking judgment of \$2,004.95 plus interest and court costs.

Family and Consumer Sciences

Eat your fruits and vegetables!

By Cindy Williams
Meadowlark Extension
District Agent, Family and
Consumer Sciences

Eating fresh vegetables is one of the best things about a Kansas garden. Summer is not the only time you can enjoy them. When you pick vegetables at their prime, with careful handling you can prepare and store them so they hold their fresh

food grade freezer container to pack the vegetables into meal-size portions proportionate to the size of your family. Pace the vegetables firmly to avoid air space, which can lead to freezer burn. When packing butterbeans, peas or snap beans, you should cover the vegetables with water.

Leave about three-quarters of an inch to one inch of space at the top of the container to allow for expansion while freezing. Immediately place the vegetables in the coldest part of your freezer and store at zero degrees or below.

Now you have it – fresh tasting vegetables that can be enjoyed throughout the year – even in the cold of winter.

Some other benefits of fruits and vegetables, in a recent study in the American Journal of Clinical Nutrition had participants who were mostly overweight or obese take part in three classes and 11 interactive phone calls designed to teach them only how to cut down on sugary beverages.

After six months, they not only reduced their intake of sugary beverages by a third, but they also cut their intake of

as you are washing, look for inferior vegetables or overly mature ones and lay them aside to consume with your next meal or the next day.

Blanch the vegetables in hot water to stop the natural enzymes from destroying the fresh flavor and remove any bacteria from the surface. Cool the vegetables quickly by submerging the vegetables into cold water. Blanching and cooling should take about the same amount of time, as it's a very quick process.

Pack Vegetables. Choose a

tal added sugars by a third and daily calories by 285. Plus, they improved their overall diet quality.

For example, maybe they started eating slightly more fruits or vegetables or whole grains. The researchers suggested that this is an example of how healthy changes in behavior may "cluster" and how one dietary improvement can lead to others. So, consider making just one healthy change to your diet. You may be surprised to find that it will help lead to other healthy changes.

Smokers who are trying to quit can eat more fruits and vegetables to help kick the habit. Researchers also state that the healthy foods can help smokers stay tobacco-free longer.

The study surveyed 1,000 smokers aged 25 and older across the country. Those who ate more fruits and vegetables were three times likely to stay tobacco-free at least 30 days. They also waited longer to have a cigarette.

Why? Fruits and vegetables increase satiety. Higher fiber intake also increases fullness. And, fruits and vegetables make the taste of tobacco worse.

5 Years Ago

Week of Sept. 8-14, 2014

Wood from the recently-demolished Jackson County Fair livestock barns has been repurposed into memorial plaques that Cara Robinson, Meadowlark Extension District 4-H program manager, said are decorated with other parts of the barns or with horseshoes or older fair ribbons. Some are created with picture frames that 4-H members can use to display photos of past fairs.

An old gasoline service station in Whiting was recently named to the Kansas Register of Historic Places, it was reported. Built in 1922, the station served many customers along The Great White Way. Whiting resident Eric Marshall was instrumental in researching the history of the building and writing the proposal to have the building listed to the register.

Kansas Gov. Sam Brownback visited with students in teacher Ryan Noel's fourth-grade classroom on Tuesday morning, Sept. 9, at Central Elementary School.

Gov. Brownback fielded questions from students about his hobbies and pets. Students included Haylee Walden, Brooke Flewelling, Asher Larson, Hannah Hodge, Tristyn Dowding, Emma Bontrager, Joseph Hayes, Dawson Hug, Layton Dieckmann, Sam Miller, Charlie Gilliland, Darcee Ashcraft, Makyna Jacobsen, Matthew Lierz, Michael Plankinton, Austin Dibleyker, Isaac Utz and Chase Buskirk.

A machine shop in Hoyt's downtown area was destroyed in a Monday afternoon, Sept. 8, fire that produced heat intense enough to also melt siding on Hoyt City Hall, according to Jackson County Sheriff Tim Morse.

Tool Works Machine Shop, located in the 200 block of East Fourth Street in Hoyt, was completely destroyed in the fire, which Morse said was believed to have been caused by a gasoline-powered golf cart that was stored inside the building. No injuries were reported.

The inaugural Prairie Band Casino & Resort Charity Classic Symetra Tour event recently came to a close with professional golfer Olivia Jordan-Higgins claiming the first title, turning in a three-day score of 12-under par.

of Holton, it has been reported.

15 Years Ago

Week of Sept. 8-14, 2004

It's been about a year since Wetmore's last grocery store closed for business, but now Jim and Melissa Klingler, who have lived in the city for three years, have opened a new one to make sure their adopted hometown doesn't go without.

The new Cardinal Grocery's first day of business was Aug. 28, coinciding with the town's Spring Creek Festival, it was reported.

A pet chicken belonging to Maura and Sierra Lillie of Holton recently suffered a broke leg, and has been put in a cast. The veterinarian said that "Miss Chicken" is the first chicken he had ever put a cast on. Maura took Miss Chicken to the Jackson County 4-H fair, where she received a blue ribbon.

Dale Wege of Hoyt picked a monster Crenshaw melon from his garden on Tuesday morning, Sept. 7. The melon weighed in at 16½ pounds. Normally, Crenshaw melons can weigh up to 10 pounds, it was reported.

Anne McCourtie of Mayetta has published her second novel, a murder mystery titled "Widow's Walk," it has been announced. The book is a sequel to her first novel, "The Haunting of Emily," which was published last year.

25 Years Ago

Week of Sept. 8-14, 1994

PJ's Restaurant in Holton now has a mountain view - in the form of a mural painted by Mayetta artist Lester Arnold. The illustration features sunlit mountains, a dwindling stream with a deer standing at attention and a bird flying by. A second mural will also be completed by Arnold sometime in the near future.

For the first time since Oct. 23, 1992, the Holton Wildcats won a district varsity football game, it was reported. The Wildcats defeated the Jefferson West Tigers 36-6.

Through satellite technology, students at Jackson Heights High School are now able to study Spanish. The new form of teaching began on Aug. 25 with partnered teachings from Jackson Heights instructor Brian Messer and Kansas State University faculty member Chuck Thorpe.

The Holton Baseball Association is moving forward with plans to construct a second ball diamond at Chandler Park, it has been announced. For the past few weeks, Haug Construction has cleared and leveled ground on two sides of the existing diamond to make way for the new diamond and a parking lot expansion.

After serving as a municipal judge for the past 30 years, Holton judge Jim Parmiter has retired.

The City of Circleville is purchasing one of the town's landmark buildings, the old "Ash Garage" on Main Street to be used as a city hall, it has been reported. The city will take possession of the building from Don Ash on Nov. 1.

HOLTON RECORDER, MONDAY, SEPT. 9, 2019, PAGE 3

Invasive species workshop planned

Area residents who are interested in learning about invasive plants and insects and how to control them are invited to attend an invasive species workshop being held at the Troy Community Park from 10 a.m. to noon on Tues-

day, Sept. 17, it has been reported. Admission is free.

According to Warner, this workshop will be of interest to a wide variety of people including farmers and ranchers, those involved with CRP land, gardeners, native plants enthusiasts, people who own recreational land, students and others.

Organizations and the business involved in the workshop include Custom Forestry Applications, Kansas Department of Wildlife, Parks and Tourism, Quail Forever, Kansas State Research and Extension, Kansas Forest Service, Doniphan County Noxious Weed Department, Natural Resources Conservation Service and Doniphan County Conservation District.

A free lunch will be provided by the Wolf River Quail and Pheasants Forever chapter.

The Troy Community Park is located on West Myrtle Street near its intersection with North Park Street in Troy.

50 Years Ago

Week of Sept. 8-14, 1969

Dennis Schulz, son of Mr. and Mrs. Walter Schulz of Holton, is currently stationed in the Navy at Honolulu, Hawaii. Schulz recently had two visitors, Mrs. C.T. Sharp and her daughter, Cindy, of Belle Plaine. The three caught a 10-pound marlin off Kaena Point after a 45-minute battle by Schulz. The marlin was six feet, 11 inches in length.

Albert D. Cadue of Mayetta recently received the Army Commendation Medal during ceremonies near Long Binh, Vietnam. Cadue received the award for meritorious service while serving as administrative specialist at the U.S. Army headquarters in Vietnam.

Members of the Holton FFA chapter recently participated in the Mid-America Fair activities in Topeka. They included Tim Schlosser, Paul Ray, Jim Winters, Dave Spiker, Dave Kehler and Gary Amon.

With good construction weather in recent weeks, work is progressing rapidly on the Holton Housing Authority project at the west end of the Rosser Addition. Early this week, 10 of the 20 buildings were above the foundation in varying stages of progress, and foundations for several more have been poured.

A 1962 Ford pickup driven by John Boyles of Denison was damaged Monday evening, Sept. 8, in an unusual accident on a county road about five miles southeast of Holton, it was reported.

When Boyles stopped at the side of the road, the shoulder collapsed, dumping the pickup into the ditch on its right side. Both Boyles and his passenger, Judy Robison, escaped injury.

Other topics covered during the workshop are management practices to control these invasive species such as herbicides, burning, mowing and grazing, as well as the timing for these practices, sprayer

and application.

Those attending the workshop will learn basic information about various invasive plants and insects in the area including sericea lespedeza,

jimson weed, bush honeysuckle, garlic mustard, thistles, tree of heaven and emerald ash borer.

When Boyles stopped at the side of the road, the shoulder collapsed, dumping the pickup into the ditch on its right side.

Both Boyles and his passenger, Judy Robison, escaped injury.

Producers, tell your beef story

*By Jody G. Holthaus
Meadowlark Extension
District Agent, Livestock and
Natural Resources*

In the United States today, 98 percent of U.S. consumers are generations removed from production agriculture. Additionally, their understanding or perception of animals is generally from their pets or visiting the local zoo.

As producers, we don't always understand what these consumers are thinking about when seeing production agriculture. Yet there is always a lot of emotions and passion involved in hearing the discussions around food production and agriculture. All of us know the things around our lives that we are involved with every day, but those things outside our lives can be shades of gray, which can be confusing.

So, how do we bring the degrees of separation from consumers to today's agriculture and food production together? We all must be involved in these conversations. For years, consumers buying beef at the meat counter had it pretty simple. You purchased the cuts or products you wanted for your family. Soon, USDA added a Quality Grading system and we started looking for Select, Choice or Prime when making those choices. Plus most of the time we purchased what our family liked for meals.

Today, consumers have more choices at the meat

counter and on grocery shelves than ever before. Beef is labeled Natural, Organic, Grass-Fed, Grain-Fed, Antibiotic Free, No Add Hormones, Humanely Raised and the list goes on. These labels become confusing with promotions, advertisements and news articles. Everyone is trying to grow their market share of consumer dollars.

The information about these labels have a tendency of being biased to the sponsoring organization, which only adds to the confusion and affects the consumer's confidence in their food supply.

Nebraska Extension pulled together a team of more than 65 specialists, educators and assistants from nutrition education, agriculture and youth development to focus on programming around this issue of consumer confidence in the food supply.

Consumers were asked about what influenced food choices, food safety concerns and where do they find information on foods. There were 1,200 surveys completed which was a response rate of more than 25 percent. In the rural state of Nebraska, the top three influencers for food purchases based on answers very important or important are Taste (95 percent), Price (84 percent) and Nutritional Value (83 percent).

We might think that these influencers might change in national research, yet the International Food Information Council Foundation (IFICF) in an annual survey mirrors the data with taste, price and healthfulness. When NASIS asked about food safety concerns based on answers of

very concerned or concerned, foodborne illness (79 percent), chemicals in food (76 percent), carcinogens (74 percent) and pesticides (71 percent) and the IFICF data names the same top four only.

Further analysis of the data about food safety concerns would indicate with an even distribution of responses across the level of concerns that consumers may have confusion about these areas of concerns due to lack of information they know about the topic or issue.

So where do consumers get information about food? The Nebraska data shows consumers acquiring their food information from food labels and the Internet. Friends and family are listed third for food information.

Farmers and ranchers also are not the top go to point for information on foods they produce, which can be linked to the lack of transparency throughout the food system. The national survey also showed 38 percent of millennials site their top food resource is friends and family. This information gives us some direction of where to start the conversations.

Somehow, we must learn the balance point of how to be in that non-defensive conversation with our consumers.

Steps to telling our beef story:

- 1) Know the facts and science of cattle and beef.
- 2) Don't bury them in the science.
- 3) Find common ground or interest.
- 4) Build trust by having open discussions.
- 5) Tell your beef story.

Crops and Soils

Sudden Death Syndrome for soybeans?

*By David G. Hallauer
Meadowlark Extension
District Agent, Crops and
Soils/Horticulture*

KSU Plant Pathologist Doug Jardine recently continued his summer "field tours" and has started to pass on an increasing number of reports of soybean Sudden Death Syndrome (SDS). For us here in northeast Kansas, its presence along the Kansas River Valley is commonplace. Increasingly, however, it's become an issue in upland acreages as well.

SDS tends to be most severe on well-managed soybeans with a high yield potential. It also tends to be more prevalent in fields that are planted early when soils are cool and wet, exhibiting compaction or are infested with soybean cyst nematode.

If you are seeing SDS, take a look at the situations in which you are finding it, and determine what can be done to help alleviate issues for next year. In particular, it might be a good time

to look at SCN issues.

Soybean cyst nematode and Sudden Death Syndrome are to some degree tied together and to another degree unrelated. While you can't manage SDS by selecting varieties with good SCN ratings (good SCN varieties could still be susceptible to SDS), the presence of SDS is strongly correlated with the presence of SCN. In other words, where SDS is present, soil samples should be taken to determine the level of SCN present and how it will need to be managed.

After harvest is an excellent time to soil sample for the soybean cyst nematode. Sampling the soil in a known infested field is very similar to collecting a soil fertility sample. With a soil probe and bucket, walk a "Z" or "W" pattern across the field, collecting cores from directly in the row, since that is where the nematodes are most likely to be found.

Sample to a depth of six to eight inches, collecting a total of 18 to 24 cores. Mix the soil thoroughly and place a pint jars worth into a re-sealable, gallon-size plastic bag.

Samples can be taken to any Meadowlark Extension District office for shipping. Don't get

sampled this fall? Don't worry. Cysts are present throughout the year, so sampling can take place at any time.

Our first cool season turf fertilization opportunity arrives just as we turn the page in to September. If you could only fertilize your lawn once a year, this would be the best time to do it.

As cool season grasses enter fall, stands naturally begin to thicken via tillering (forming new shoots at the base of existing plants) and spreading by underground stems called rhizomes. Fall fertilization can really help with that process.

Apply one to one and a half pounds of actual nitrogen per 1,000 square feet using a quick-release nitrogen source (most of them are quick release or a combination of quick and slow release – either should be fine).

A second window of opportunity comes in November, with the purpose of helping grass green up earlier next spring. This application can provide the nutrients needed until summer. Again, use a quick-release nitrogen formula applied at the rate of one-pound actual nitrogen per 1,000 square feet.

New Nazarene church series focuses on how to get "what you really want"

Beginning Sunday, Sept. 22, at 10:45 a.m. at New Life Church of the Nazarene, 100 Topeka Ave. in Holton, the church there will begin a series that discusses how people can get what they really want.

"The truth of the matter is that you'll never get what you really want until you discover what it is you really value," says Pastor Kevin Kneisley of the church. "We spend our entire lives chasing the things that the media and other people tell us we should really want."

"The truth is," Pastor Kneisley added, "that Jesus came into this world to point us toward not

simply what we want and value most, but what is most valuable. So, join us for the next several weeks as we discover what it is

we all truly want. You will be glad you did."

For more information, contact the pastor at (785) 741-1900.

RV girls win battle of state-ranked volleyball teams

By Ali Holcomb

Royal Valley's varsity volleyball team won both matches against Holton last Thursday in a Big Seven League dual at Royal Valley.

Both Royal Valley and Holton received pre-season prep volleyball state rankings in Class 3A. The Lady Panthers were ranked second and the Lady Wildcats were ranked seventh.

The Lady Panthers won both

matches against the Lady Wildcats in straight sets, 25-18 and 25-16 and 25-19 and 25-23.

"The girls played very well against a good Holton team," said RV head coach Gary Armstrong. "They are scrappy, and their chemistry is great."

The Lady Wildcats will host Perry Lecompton and Nemaha Central tomorrow (Tuesday) for a triangular. Games begin at 5 p.m.

Royal Valley travels to Hiawatha tomorrow for a league triangular that will also include Jefferson West. Games begin at 5 p.m.

Scoring
Varsity: RV def. Holton: 25-18 and 25-16.

RV def. Holton: 25-19 and 25-23.

JV: Holton def. RV: 25-14 and 25-15.

Holton def. RV: 25-23 and 25-21.

C Team:
Holton def. RV: 25-21 and 25-12.

Holton def. RV: 23-25, 25-11 and 25-21.

RV wins JW tourney

By Ali Holcomb

The Royal Valley varsity volleyball remains undefeated this season after winning the Jeff West tournament on Saturday. The Panthers now have a 13-0 record this season.

The Panthers took first in the round robin tournament for the second year in a row that also included varsity teams from Jeff West, Oskaloosa, Santa Fe Trail, Silver Lake and Valley Falls.

RV beat Jeff West, 25-15 and 25-11, and Oskaloosa, 25-19 and 25-11, in straight sets.

The Panthers also defeated Santa Fe Trail, 25-18 and 25-15, and Valley Falls, 25-9 and 25-8.

Silver Lake was the toughest match for the Panthers, who fell 25-17 in the first set to the Eagles, but rallied to take the next two sets, 25-19 and 25-19. Silver Lake took second in the tournament, and Oskaloosa took third place.

"I'm very proud of this team," RV Coach Gary Armstrong said. "They stayed focus and strong mentally even when they were down during the third set with Silver Lake. We still have to work a few things out, but I know it's going to be a fun year for us."

Other Tournament Scores
Oskaloosa def. Jeff West: 25-21 and 25-23.

Jeff West def. Santa Fe Trail: 25-20 and 25-14.

Jeff West def. Valley Falls: 25-20 and 25-17.

Silver Lake def. Jeff West: 25-7 and 25-14.

Silver Lake def. Oskaloosa: 25-21 and 25-10.

Silver Lake def. Santa Fe Trail: 25-13 and 25-13.

Silver Lake def. Valley Falls: 25-6 and 25-9.

Oskaloosa def. Santa Fe Trail: 23-25, 25-18 and 25-18.

Santa Fe Trail def. Valley Falls: 25-20 and 25-12.

Oskaloosa def. Valley Falls: 25-9 and 25-8.

Lady Cobras volleyball starts with 4-0 record

By Brian Sanders

The Jackson Heights High School Lady Cobra varsity volleyball squad added two more wins last Thursday at a Rossdale triangular to boost their 2019 record to 4-0, but Head Coach Denise Visocsky said staying on top of the host team was somewhat difficult.

"We were behind most of the first game," Coach Visocsky said of the Lady Cobras' 26-24, 25-21 win over Rossdale. "But we were able to close the gap and finish strong to come out with the win in the first set. In the second set, we played a lot more consistently."

Visocsky said the Lady Cobras were led in the Rossdale game by senior Abby Brey with eight kills and seven digs, and senior

MaKenzie Kennedy added 20 assists.

"Abby and MaKenzie played very well, and they came up with some key plays," she said.

In the nightcap, the Lady Cobras also overcame a slow start to defeat Mission Valley in straight sets, 25-23 and 25-13.

"We started slow against Mission Valley, but we were able to come back and take control in the second game," Visocsky said, citing senior Kylie Dohl for picking up nine kills and senior Southern Raborn for adding seven digs.

The Lady Cobras will be looking to extend their unbeaten streak on Tuesday at home, where they will host Northeast Kansas League foes McLouth (1-1 in the Northeast Kansas League and 1-4 overall going into the weekend) and Oskaloosa (2-0 in the league and 3-2 overall going into the weekend).

Results in for first cross country meet

- Wetmore's Nielsen 2nd, RV's Tinajero 5th in high school boys race

By Michael Powls

The middle school and high school cross country seasons for Holton, Royal Valley, ACCHS and Wetmore got started last Thursday at the Jeff West Invitational Cross Country Meet at the Shawnee North Community Park in North Topeka.

The top middle school and high school results were as follows:

26. Erica Schnacker, 28:20.90.

42. Hayley Harman, 28:20.90.

Cobras beat Horton, 46-8

By Brian Sanders

A second-quarter "snowball effect," as Head Coach Caleb Wick put it, propelled the Jackson Heights High School Cobra varsity football team to a 46-8 win at home on Friday over Northeast Kansas League foe Horton to kick off the Cobras' 2019 season.

Coch Wick said Friday's game saw his team "trying out a lot of new things" against a Charger team that went winless last year, including some work by senior quarterback Caleb Wareham on a passing game that he termed "a work in progress."

"We knew they were a young team," Wick said of Horton. "Overall, I felt like we did a great job. Cable threw some

Wildcats edged 7-0 on late TD pass

A 41-yard touchdown pass with 14 seconds left in the Big Seven League football game at Meriden Friday night gave the home team - the Jefferson West Tigers - the victory over the visiting Holton Wildcats. It was the season opening game for both teams. Following the point after kick, the final score was 7-0.

"I was happy that we played very hard and physical football," said HHS head coach Brooks Barta this morning. "From experience, we knew that without practice experience on turf we would have some cramping issues. It caught up with us late in the game and affected our pass rush."

"We are making many men-

up one of their turnovers and rumbled about 10 yards with somebody on his back."

In the first minute after halftime, the Cobras took it to 40-0 when Wareham again hooked up with Bosley on a 48-yard TD pass. The Cobras made their final score of the game early in the fourth with a four-yard TD run from sophomore Wyatt Bacon.

The Chargers kept the game from being a shutout, however, when Cody White took a five-yard sprint into the end zone at the two-minute warning, followed by a two-point conversion to bring the final score to 46-8.

"We knew they were going to run their plays well, and they did," Wick said of the Chargers. "But we just ended up playing a little better."

Continued to Page 7

Holton football edged with late TD

Continued from Page 6

Following a 50-yard punt with no return by Wildcat sophomore Jake Zeller, the Tigers took possession of the football at their own 30-yard line for their final offensive drive of the game with 1:19 left on the game clock.

A Tiger quarterback run yielded no gain but the next play, a pass, was completed to receiver Brayden Gleason-Cruz. On third down, QB Quinn Neuenswander scrambled for a 15-yard gain and first down at Holton's 41-yard line.

The next play was the 41-yard TD pass from Tiger QB Neuenswander to receiver Pene Saili, which had Saili diving for the ball and successfully catching it in the end zone. Josh Broxterman kicked the extra point for the Tigers, making the score 7-0, and capping a four-play, 71-yard scoring drive.

On the ensuing kick-off, Wildcat Ian Watkins returned the ball 17 yards to Holton's 38-yard line. From there, the Wildcats had two offensive plays before time ran out.

Both teams had seven first downs in the game unofficially. Holton rushed 47 times for 195 yards and the Tigers rushed 30 times for 45.

Holton was 0-1 passing and Jeff West was 10 of 14 for 94 yards. Saili caught three passes for 52 yards, including the 41-yard TD pass.

Both teams had one turnover on their first offensive possession. Holton lost a fumble and Jeff West had a pass intercepted by Wildcat senior Karsen

Bradt.

In penalties, Holton had nine for 65 yards and Jeff West 11 for 98 yards.

In individual rushing yards, Wildcat junior Konnor Tannahill rushed eight times for 25 yards, senior Taygen Fletcher two for 25 yards, junior QB Kale Purcell 12 for 63 and senior Trey Wright 8 for 17.

For Jeff West, QB Neuenswander rushed 19 times for 63 yards.

From the beginning, the game was a defensive battle.

Jeff West received the opening kick-off from Holton and started their first offensive possession at their own 42-yard line. The Tigers picked up two quick first downs and had the ball at the Holton 25-yard line when a high snap to their quarterback in the shotgun formation sailed over his head causing a loss of 15 yards.

Two plays later, the Tigers regained those 15 yards on a pass to Saili.

On fourth down and 17 yards to go, the Tigers passed to the Holton five-yard line where the ball was intercepted by Bradt and returned to the Holton 28.

A highlight for Holton in the first quarter was a 22-yard gain by running back Fletcher that took the ball to the Tiger 40-yard line as time ran out in the first quarter.

At halftime, both teams had four offensive possessions so far, both had one turnover apiece and both had punted the ball a couple of times.

Holton received the second-

half kick-off and quickly picked up an automatic first down on a Jeff West off-sides penalty. Three plays later, Holton had to punt. A flagrant targeting penalty on Jeff West backed them up to their own 10-yard line. Three plays later, the Tigers had to punt with 5:17 left in the third quarter.

Keeping the ball on the ground, Holton picked up two straight first downs on runs by junior Canon Karn and Tannahill. An off-sides penalty by Holton effectively halted the drive at the Jeff West 36. From there, Zeller punted the ball into the end zone and two Tiger plays later the third quarter was over.

Early in the fourth quarter, the two teams traded punts. A fourth-quarter highlight for Holton was a 38-yard run by QB Purcell to the Jeff West 30 with 5:45 left to play.

The next two running plays for Holton netted two yards. On third and six, Holton attempted its only pass of the game and it fell incomplete. The Wildcats went for it on fourth down and six yards to go but an off-sides penalty backed them up five yards. Then Jeff West jumped off-sides, making it a fourth and six play again for Holton at the Tiger 27-yard line. A run by Tannahill was stopped short of the first down marker and Jeff West took over possession of the ball with 3:40 left to play.

Next, the two teams traded punts, and Jeff West end up with the ball with 1:37 to play.

At half-time, both teams had four offensive possessions so far, both had one turnover apiece and both had punted the ball a couple of times.

Both teams had one turnover on their first offensive possession. Holton lost a fumble and Jeff West had a pass intercept-

Cobras win first game

Continued from Page 6

Offensively, Wareham went 3-10 in passing, with two TD connections and an interception, while Williams led the ground game with 69 rushing yards, followed by Bosley with 64 and Amon with 63.

Williams also led defensively with 10 tackles, including two for Charger losses, followed by Amon with eight including one for a loss while junior Dylan Thompson picked up an interception.

This Friday, Wick and the Cobras will head to Effingham to take on NEK League foe Atchison County, a team that also climbed into the win column on Friday with a 56-12 defeat of Oskaloosa.

"They've got two of the best athletes in the league," Wick said of the Tigers. "Our defense is going to have to play sound,

and our offense is going to have to execute a little bit better if we're going to be ready for them."

Scoring Jackson Heights 7-27-6-6 46 Horton 0-0-8 8

JHHS: Bosley 24 yd. run (Williams kick), 8:17 (1)

JHHS: Amon 7 yd. run (Williams kick), 5:19 (2)

JHHS: Amon 48 yd. run (Williams kick), 4:03 (2)

JHHS: Williams 5 yd. run (kick failed), 1:19 (2)

JHHS: Wareham 22 yd. pass to Bosley (Williams kick), 1:04 (2)

JHHS: Wareham 48 yd. pass to Bosley (kick failed), 11:02 (3)

JHHS: Bacon 4-yard run (kick failed), 9:46 (4)

Horton: White 5-yard run (Vanderweide run), 2:00 (4)

Cards topped by visiting Eagles

times for -17.

The Eagles completed three of three passes for 43 while the Cards completed two of three for 14.

The Cards had the only turnover in the game, which was a lost fumble. The Cards were penalized two times for 20 yards while the Eagles were penalized five times for 45 yards.

In total offense, the Eagles had 251 yards to -3 for the Cards. The Cards had a total of 189 punting yards.

Wetmore's Dierk Hanzlicek caught two passes for 14 yards and also recorded two tackles in the game. Eric Bloom had five tackles for Wetmore while Skyler Murrow had three tackles and Jacob Carls had two tackles.

This coming Friday, the Cards will play at Southern Cloud with a 6 p.m. kick-off while Clifton-Clyde will play at Valley Falls. The Dragons lost at Herington on Friday, 56-26.

ACCHS Tigers win season opener

The Atchison County Community High School Tigers won their first football game of the season Friday at Oskaloosa by the final score of 56-12.

The Tigers scored first, taking a 6-0 lead after the first quarter. At halftime, the Tigers led 26-6. In the third quarter, the Tigers added 16 points to six for the Bears. In the fourth quarter, the Tigers added 14.

ACCHS senior Trystin Myers scored four touchdowns on runs of 65 yards, 32 yards, 38 yards and a 75-yard kick-off return. ACCHS senior Marcus Hetherington score one touchdown for the Tigers and ACCHS senior

Tucker Smith scored three TDs on runs of 25 yards, 50 yards and 30 yards.

Smith also kicked two PATs for ACCHS and scored on two, two-point conversions. ACCHS senior Evan Caudle also caught a two-point conversion pass from ACCHS sophomore Kiernan Courier.

The Bears' touchdowns came on a five-yard TD pass from Perry to Hamm and a 55-yard TD pass from Perry to Hamm.

This coming Friday, ACCHS will host Jackson Heights and Oskaloosa will travel to Maur Hill at Atchison.

ATHLETES OF THE WEEK

The Royal Valley High School varsity volleyball team remains undefeated this season and has won two tournaments in the past two weeks at Jefferson West and Marysville. The team also beat Holton in two sets last week.

During the Marysville tournament, junior Ivy Fink had 79 kills for the Lady Panthers. Against Holton last Thursday, Fink had 17 kills, one block, 14 digs and two ace serves.

During the Marysville tournament, junior Morgan Harvey had 15 ace serves. Harvey also was a key player against Holton with 11 kills, six digs and one ace serve.

Potawatomi United Methodist Church

By Ilene Dick

Sunday, Sept. 1, was a nice sunny day to begin a new month and attend worship service.

Pastor Howard opened the service at Potawatomi United Methodist Church with scripture and prayer on the 12th Sunday after Pentecost. Judy Thoman delivered a message of thanks from Laura and Steve Schreiber for their anniversary cards received.

Prayers concerns were raised for Mike Armstrong in a Topeka hospital; Sandy Williams had a fall but has no broken bones; Keith Bell taken to the hospital by ambulance early Sunday morning; for all victims of Hurricane Dorian; and all victims of the Texas shootings.

Martha Roush served as acolyte while Tina Pugh provided the music. Ann Wilkening joined Tina with guitar on hymns that were "How Great Thou Art," "Let Us Break Bread Together" and "Fill My Cup, Lord."

Marjean Shenk was liturgist, reading from Romans 8:13. The Lord's Prayer was prayed in unison.

Pastor Howard gave the special, telling about Labor Day and why and when it was made an official holiday in 1894. The birthday song was sung to Sherry Glenn. Jim Shenk was offertory usher.

Pastor Howard's message was titled "So You Want To Become A Christian" with the text taken from Luke 14:25-33. The questions were asked, "Do we church people really know what we are in for?" and "Do we have any idea what we have taken on?" The question comes from, as Luke put it, Jesus Himself.

Luke sets his narrative in the middle of what we might consider an enthusiastic religious revival. We see Jesus leading this fervent mob toward Jerusalem. Suddenly He turns, stops them in their tracks, pauses and asks, "Do you know what you are doing? Do you know what it means to follow my cause? Do you have any idea what this campaign will cost you?"

To follow means a reorientation of loyalties, a new definition of first things first. The mission of Jesus got Him the cross. Luke's church, 50 years later after Jesus' death, instead of finding itself in evangelical marvel, successful and growing, found itself under siege. The Bible says we can't serve two masters.

We know the cost Jesus paid. We know He offers opportunity no less risky, dangerous and demanding. Can we fight the battle? Yes, as we increase our

tower's foundation, as we gather our troops, will we make the financial investments worthy of ourselves and of a high commitment to the one who puts His death on the line for us? Take a good look at the promise and the peril of discipline, and God grant we see it with courage and joy to the end.

Pastor Howard served Holy Communion assisted by Betty Bowser.

Clayton Hase attended a get-together with family on Sunday, Sept. 1.

LeAnna and Jim Meeks enjoyed a visit from LeAnna's sisters on Sunday, Sept. 1.

Tina Pugh's aunt, Marcella Rogers, celebrated an early 90th birthday on Saturday, Aug. 31, with family and friends.

Anna Comer is caring for the six kittens that were dropped off in a cardboard box at the end of her parents' driveway. If anyone would like to have a kitten, please contact Tina Pugh at 785-966-2355. It is difficult to know people can be so cruel to animals, but it is a blessing that Anna came to their rescue.

Jim and Marjean Shenk attended the scrimmage volleyball game at Rossville where their granddaughter, McKenzie, was a participant.

Peyton, Hunter and Taylor Poppelreiter of Maple Hill spent the weekend with their grandparents, Mike and Grace Bowser.

Betty Bowser and Elizabeth Holaday attended the retirement reception for Sheryl McDaniel on Sunday afternoon, Aug. 25, at Evangelical United Methodist Church.

Netawaka United Methodist Church

By Mary E. Edwards

Sept. 1 was a very pleasant morning. Steve Banaka lighted the altar candles at Netawaka United Methodist Church as the recorded prelude, "Change My Heart, O God," played. Verona Grannell was in charge of recorded music.

Marilyn Banaka gave the welcome and announcements and led the responsive call to worship, followed by a moment for greeting one another. The hymn of praise was an old favorite,

"Softly And Tenderly Jesus Is Calling."

Pastor Young Won led the reading of the congregational prayer and the prayer hymn, "Christ Beside Me." After silent prayer, the pastor's prayer and the Lord's Prayer, the prayer response, "Cares Chorus," was sung.

Steve collected the offering, and the Doxology was sung by all. Marilyn read the scripture lesson, Jeremiah 2:4-13, the Lord rebukes the Israelites for forsaking Him.

Pastor Young's sermon was "Our Root And Change." The invention and popular use of the Internet has led to changes in lifestyles. Many times people communicate with people all over the world but don't talk to those near them.

This is not a new problem; new things often cause changes in behavior and lifestyle. Everything changes except God's word.

It would be a mistake not to make use of modern technology and inventions. We wouldn't

give up our cars and use horses, but we need a balance of our roots of faith and change to modern methods of living.

We should pray to God for wisdom in our choices. How can technology be an instrument in sharing the gospel? Trust in God and accept changes that can help in our faith.

Pastor Young served Holy Communion with the assistance of Marcia Robertson. The closing hymn, "We Utter Our Cry," was followed by the benediction.

CITY OF HOYT

ORDINANCE NO. 330

AN ORDINANCE RELATING TO WATER RATES FOR THE CITY OF HOYT AND AMENDING ORDINANCE NO. 277.

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF HOYT, JACKSON COUNTY, KANSAS:

That Ordinance No. 277 is hereby amended by revising the present "SECTION 10. A: CURRENT RATES" to read as follows:

SECTION 10. A: CURRENT RATES. The following are hereby established as the current monthly meter rates and charges, which the customer shall pay for water furnished, to-wit:

INSIDE CITY
0-1,000 gallons \$35.18
All above 1,000 gallons
\$6.30 per 1,000 gallons
Minimum bill \$35.18

OUTSIDE CITY
0-1,000 gallons \$37.28
All above 1,000 gallons
\$7.88 per 1,000 gallons
Minimum bill \$37.28

MULTIPLE DWELLINGS
INSIDE CITY
0-2,000 gallons \$70.35
All above 1,000 gallons
\$6.30 per 1,000 gallons
Minimum bill \$70.35

BUSINESS OR COMMERCIAL
0-1,000 gallons \$40.95
1,000-5,000 gallons \$6.56
per 1,000 gallons
All above 5,000 gallons
\$8.66 per 1,000 gallons
Minimum bill \$40.95

This Ordinance shall serve as a revocation of all prior ordinances not in conformity herewith, including but not limited to, Ordinance 316.

This ordinance shall take effect and be in full force from and after its publication in the official city newspaper.

Passed and approved by the Hoyt City Council on the 3rd day of September, 2019.

Employment

The New Family Farm of rural Holton will be the site of a three-day Soil Health Academy school Sept. 17-19 where attendees will learn how to use regenerative agriculture principles to improve soil health, reduce input costs and increase farm profits. The New family, pictured from left to right, are Tanner, Delaney, Kelli, Brylee and Shane.

Photo courtesy the New family

New family to host Soil Health Academy

A Holton farmer says regenerative agriculture has changed his soil, his profits and his future—all for the better. Now he wants to share that experience to help his farming colleagues do the same.

Shane New, 50, farms 1,100 acres just north of Holton. The family farm includes a cow/calf back-grounding and grass-finishing operation, as well as several direct-marketing enterprises and will be the site of a three-day national Soil Health Academy school Sept. 17-19.

Soil Health Academy schools feature instruction by Ray Archuleta, Dave Brandt, Gabe Brown, Allen Williams, Ph.D., and other technical consultants, including New.

All of the instructors are widely considered to be among the most preeminent pioneers, innovators and advocates in today's soil health and regenerative agricultural movement.

"Shane walks the talk," said Ray Archuleta, a co-founder of the Soil Health Academy. "School attendees will see,

first-hand, how he has increased profits, improved water infiltration and improved the health of his soil, wildlife and livestock."

In addition to managing his farming operation, New is a consultant and principal in Understanding Ag, LLC, a consulting company that specializes in helping farmers and ranchers restore, repair, rebuild and regenerate their farming and ranching ecosystems.

For New, hosting the SHA school represents an opportunity to share his experiences and help other farmers make the transition to a more profitable and fulfilling farming business model. He said he is especially cognizant of the dire circumstances many family farms currently face.

According to New, not since the Great Depression have farms and farmers been under such pressure due to extreme weather, uncertain markets and increasing input costs.

"The current industrial agriculture model isn't working for family farms," New said.

"What farmers will learn at this school is a better model that uses regenerative agricultural principles to regenerate their soil, reduce their input costs and restore their futures."

Specifically, New said, he wants attendees to leave the school with two critical tools for regenerative agricultural success: confidence and knowledge.

"We're hosting the school to show how regenerative ag practices have changed our operation," he said. "We know from experience that implementing regenerative ag principles will work. On our farm, we are reducing costs, stacking enterprises and loving what we do. I also call it freedom."

To learn more about this Soil Health Academy School, as well as available scholarships, visit www.soilhealthacademy.org or call 256-996-3142.

Employment

Employment

MATERIALS MANAGER

Community HealthCare System is seeking a detail-oriented individual, with a commitment to excellence, to work in our Central Supply department as a Materials Manager. This position is responsible for planning and coordinating Community HealthCare System's (CHCS) inventory and purchasing for all departments throughout our seven locations, by monitoring inventory levels, purchasing and distributing supplies and negotiating contracts.

Successful applicants will have 5 years of management experience, be organized, possess analytical skills, have the ability to perform detailed work accurately, be competent with Microsoft Office suite and be adept with computers. Health care management or other health care experience is preferred but not required.

For more information and to apply, go to www.chcsks.org and click on "Careers" or contact Human Resources at 785-889-5030.
