Royal Valley High School students and their dates converged upon Heritage Hall at the Kansas Expocentre in Topeka for their annual prom. Shown from left in the photo above are Tope Serna, Gabe Tinoco, Samantha Beauchamp, Jordan Cox, Felicity Price and Jason Serna; all but Beauchamp are RVHS students. Prom participants danced the night away to the prom's theme of "Light Up The Night."

Purple Heart Profiles

Gatewood lost when planes collided

Editor's note: This is the 51st in a series of stories about past and present Jackson County residents who earned the Purple Heart Medal, which is awarded to military personnel wounded or killed in the line of duty.

The names of those profiled in these stories will be among those placed on a special monument for Purple Heart Medal recipients currently under construction in Holton's Linscott

On the morning of Jan. 5, 1944, U.S. Army Staff Sgt. Philip H. Gatewood, a resident of Circleville, prepared to take off in a brand-new B-17G Flying Fortress bomber with an air crew led by 2nd Lt. Benajah

G. Burkitt of the 303rd Bomb Group, 360th Bomb Squadron, for a mission to bomb the northern German city of Kiel.

Take-off was made in semidarkness and poor visibility, however, and despite the use of high-wattage lamps and flares to guide the planes, Burkitt's plane, with 10 men aboard including Gatewood — crashed into another plane shortly after takeoff, killing all aboard both

Gatewood received a posthumous Purple Heart Medal for his bravery, yet he was not the only member of his family to earn that honor. His brother, Technical Sgt. James Gatewood of the U.S. Army Air Force, would earn that same honor less

than two months later, dying in a German prison hospital in Austria after his plane was shot down by Nazi forces.

Philip Howard Gatewood, son of Guy and Bessie Barnes Gatewood, was born Sept. 6, 1921, near Circleville. He attended Circleville schools and graduated from Circleville Rural High School with the class of 1939, later going on to work at the Boeing Aircraft factory in

Wichita, it was reported. In the fall of 1942, Gatewood enlisted in the Army Air Corps and was trained at Scott Field in Illinois before receiving his wings on June 16, 1943, in Laredo, Texas. He was trained as a flight engineer with aerial

tioned for a few months at Dalhart, Texas, returning to northeast Kansas for a short leave in October of 1943.

In early December of 1943, Gatewood left for foreign service on a flight crew with Burkitt, working as a radio operator and a gunner on a B-17 that flew seven dispatched missions. Gatewood flew only four missions with this crew, standing down on three missions to allow substitute engineers to

The crew's first mission of 1944 was planned as part of a formation of 23 bombers in the 303rd Bomb Group to bomb Kiel. Burkitt's crew, including

NEKES busy in **Jackson County**

By Ali Holcomb

Northeast Kansas Environmental Services has had a busy year, according to an annual report presented to the Jackson County Commissioners recent-

Dennis Foster, Martha Smith, John Heston and Logan Bausch of NEKES said the organization evaluated 78 wastewater systems at homes being sold in Jackson County last year. NEKES represents an environ-

mental coalition of five county governments in northeast Kansas and provides enforcement of local, state and federal laws, statutes, regulations and codes that address environmental concerns in the affected counties.

The counties are Atchison, Brown, Doniphan, Jackson and

One of the programs that

NEKES is responsible for is the wastewater management program. NEKES designs, approves and permits all onsite private wastewater management systems in the five counties.

A total of 47 new permits were applied for last year. Foster stated because of the septic system codes in Jackson County, about 61 percent of the septic systems in the county have been inspected, which is "phenomenal" since the percentage in most counties is about 30 percent.

When some of the older houses in the county were built, the county didn't have any wastewater codes, and now that many are now being resold, the property owners are now obligated to have their sewage systems inspected, it was reported.

Lesser charge likely in child death case

By Brian Sanders

A Holton woman originally charged with first-degree murder in connection with the November 2015 death of her infant son may be convicted on a lesser misdemeanor charge in the end, according to documents filed in Jackson County District Court.

In February, District Court Judge Norbert Marek said "a number of legal questions" have been raised in the matter of Alicia Whipple-Decker, 32, who had the original first-degree murder charge against her in connection with the incident reduced to a charge of attempted first-degree murder at that time.

Court documents showed the basis for reducing the charge was that Whipple-Decker at-

tempted to terminate the pregnancy early on, but later discovered she would have a son and determined to keep the child. The child was born on Nov. 13, 2015, but died two weeks later on Nov. 27, 2015 because of "extreme prematurity," it was

In a communication addressed to Marek and defense attorney John Kurth filed in district court, Assistant Jackson County Attorney Brian Yearout said that according to Kansas law, Whipple-Decker would not be held liable for causing her son's death after he was born despite her own attempts to terminate the pregnancy.

Easter egg hunts slated

By Ali Holcomb Several egg hunts for kids are being planned for Easter weekend in Jackson County.

A community-wide Easter egg hunt will be held on Saturday, April 15, in Holton.

Sponsored by area businesses and the Holton/Jackson County Chamber of Commerce, the Eashunt for eggs filled with candy at the Jackson County Courtyard. A hunt for children ages seven to 10 will follow at Linscott Park.

Participants must bring their own Easter baskets to the free The Easter bunny will be

present at both hunts and will be available for photos.

ter egg hunt will be held at 1 p.m. **Continued to Page 5** gunnery duties and was sta-**Continued to Page 5** Children ages one to six will

Lawsuit against sheriff dismissed

By Brian Sanders

A federal lawsuit from a former senior detective with the Jackson County Sheriff's Office alleging that he was wrongly fired by Sheriff Tim Morse over his involvement in the Jacob Ewing case has been dismissed, it was reported.

The suit, filed last October by Al Dunn, who worked for the sheriff's office as a detective from 2000 until July of 2016, was dismissed by U.S. Federal Judge Sam Crow on March 31 after the judge said Dunn's suit made "no viable constitutional claims" against Morse and granted a motion by Morse to issue judgment on the suit without it going to trial.

Compiled from the Holton Recorder archives by Kendra Moppin

5 Years Ago Week of April 9-15, 2012

A white robin has spent the past month in Mayetta in Frank and Florence Winter's yard. The rare bird is considered "leucistic" and not albino since its beak and feet remain yellow.

Holton High School golfer Kellen Brandt took the individual title for the second meet in a row at the Hiawatha Invitational on Thursday, April 5. Brandt also won his third straight individual title at Holton's home invitational meet on Monday, April 9. This victory also helped the Wildcats earn their third straight tournament title as a team.

Michael Kimberlin was announced as the new Holton Middle School principal, beginning with the 2012-2013 school year.

Dr. Kevin Latinis has joined the staff at Holton Community Hospital, it has been announced. Dr. Latinis specializes in rheumatology.

10 Years Ago Week of April 9-15, 2007

Ann and Chris DeCoteau recently opened Rockin' D Liquor in downtown Mayetta. The name reflects Chris DeCoteau's background in ranching.

Three new staff members, including two physicians, have been appointed to the staff at Holton Community Hospital and Family Practice Associates, it has been announced. New staff members include Dr. Lee Schnee, Dr. Vance Lassey and Josh Moulin. All three will join staff later this year.

Emily Jane Stoll of Holton received her 50-year pin from the Alpha Iota Chapter of Delta Kappa Gamma at a recent meeting from chapter president Barb Williamson. Stoll taught in the Jackson Heights school district before retiring, it was reported.

New lampposts are in the process of being installed around Holton's Town Square. A total of 32 new lampposts will replace the old ones, which were installed when Holton's downtown sidewalks were revamped as part of the Heritage Walk project. According to City Manager Brad Mears, the new lampposts are "taller, brighter and more durable."

Derek Bissitt, a 1988 graduate of Holton High School, has been named the all-area Coach of the Year by The Salina Journal. Bissitt coached the Class 4A state champion Colby Eagles girls basketball team. Derek is the son of Jan and Duane Bissitt of Holton, who are both retired teachers and coaches at HHS.

15 Years Ago Week of April 9-15, 2002

About 170 children participated in the first soccer games at Holton's new Countryside Park on Saturday morning, April 13. According to Holton Parks and Recreation Director Mike Reichle, the parking lot of the park "was packed" all morning, and about 250 people at a time

watched the games. Royal Valley junior Nicole Burdiek highlighted Royal Valley's April Invitational track and field meet on Tuesday, April 9, by hurling the javelin 140 feet to break an all-time school record. Burdiek's meet-winning performance allowed her to top Jess Jewell's previous school record mark of 134 feet, 10 inches, set in 1997.

Former Jackson County Planning Commission members Lola Stumpf and Warren Smith were honored for their years of service on the planning commission during the commission's meeting on Tuesday night, April 9. Both retired from the commission earlier this year. Stumpf had served as a county planner since 1972, while Smith had been a member of the planning commission since 1984.

The grand opening of Charlie's on the Holton Square is scheduled for Saturday, April 13, it has been announced.

Betsy Gilliland of Holton has been selected to write the cooking features for The Holton Recorder. In doing so, the inveterate recipe clipper will add to her collection.

25 Years Ago Week of April 9-15, 1992

Holton voters supported the city hall bond issue question on Tuesday, April 7. All three wards voted in favor of the bond issue, passing it by 128 votes (583 yes,

455 no).

Royal Valley pole vaulter Matt Harding broke the school record with an 11-foot, 1-inch vault during the Royal Valley Quad on Tuesday, April 7. Harding's effort erased Brian Mattwaoshshe's 11-foot, 9-inch mark (set in 1988) from the record books.

Three Holton journalism students recently attended the state high school journalism contest, and for the first time in 10 years, all of the local students placed in the class 4A division. Senior Heather Slough took second place in yearbook copy writing; senior Leah Case earned third in headline writing; and junior Jessica Karns placed third in feature writing.

The grand opening for Hair Extraordinaire in Wetmore has been set for Saturday, April 11, it has been announced. Stylists are Robin Enneking and Barb Huerter.

50 Years Ago Week of April 9-15, 1967

Victor E. McCabe was recently elected superintendent of the Unified School District No. 337, which includes Hoyt, Mayetta and Denison, for the 1967-68 school term, it has been

Alpha Beta Chapter of Kansas Alpha Delta Kappa Honorary Teachers' Sorority is celebrating its 10th anniversary, having been organized in Jackson County on April 27, 1957 with 11 charter members, it has been announced.

Howard Polson has been employed by the Holton school board as high school football coach for the coming year.

Holton High School basketball player Števe Watkins has been included on the All-Big Seven League team named by a ballot among the coaches of the league. Watkins, a senior, has the third highest total point production in the history of the

A silver tray was given to the Holton Presbyterian Church in honor of the church's 100th anniversary on Sunday, April 9. The tray was a gift from Father Edward Hays and the members of St. Dominic's Church. The engraving reads, "One in Christ, 1867-1967, St. Dominic's.'

Child death case...

Continued from Page 1

That law, known as "Alexa's Law" and approved in 2007 by the Kansas Legislature as a deterrent against violent acts against the unborn, states that "any act committed by the mother of the unborn child" was exempt from the law. Therefore, Yearout said, prosecution "does not plan to move forward" with a preliminary hearing that was set for Thursday in district court.

"(T)he most prudent course of action is to not pursue the felony charge in this matter, but rather amend it to a misdemeanor, and place it on the magistrate's docket for possible disposition," Yearout said in the communication to Marek and Kurth.

At press time, it had not been noted in court documents what misdemeanor charge would be filed in the case.

Whipple-Decker was charged this past October with firstdegree murder in the death of her son. However, in February,

Yearout said "issues that have developed" in her case could result in lesser criminal charges, and Kurth also noted that those "issues" would severely impair the prosecution's case.

On March 1, Kurth filed a "defendant's suggested findings of fact and conclusions of law,' which first stated that Whipple-Decker's son was born prematurely and that a doctor ruled the child's death two weeks after birth was caused by "extreme prematurity" as well as aspergillosis, an infection caused by a common type of mold.

The filing also stated that when she first learned of her pregnancy, she was did not want the baby and reportedly admitted to taking excess amounts of vitamin C and eating certain foods early in the pregnancy, such as ginger tea and pineapple, that she believed would help end the pregnancy. She also told a friend she used a "crochet hook" to attempt to kill the unborn child,

Whipple-Decker also admitted to contacting Planned Parenthood, the filing said, but did not follow up. Not long after that, she discovered she was going to have a son and decided instead to keep the child, but her health conditions caused complications with the pregnancy that required her to visit a local health clinic and a hospital emergency room.

As for Whipple-Decker's allegation that she used a "crochet hook," Dr. Jeff Teply, then chairman of the Department of OB/GYN at Stormont-Vail Regional Medical Center in Topeka, who delivered the baby, told Detective Phil McManigal there was no evidence that this had occurred, the filing stated.

Whipple-Decker was arrested on Oct. 8, 2016 on the first-degree murder charge and held at the Jackson County Detention Center until Jan. 26, when she was freed on a \$100,000 ownrecognizance bond.

COMMUNITY COLLEGE

County Commission...

Continued from Page 1

Heston said that NEKES has had issues with individuals trying John Kennedy, Banner Creek Resto get a wastewater permit prior ervoir director. Revenue for the to obtaining their building permits from the county. He stated they were working on a system with Jackson County Appraiser Jason Claycamp to make sure that individuals without a building permit are not being given a sewage system permit.

NEKES also inspected 14 wells in Jackson County last year.

Smith noted that the entity's codes were updated in 2003 while its services were under the health department. Now that it's a separate entity, some terms in the code will need to be updated per specific names and state terms.

Foster said that NEKES would appreciate Jackson County's business next year and the continued spot in the county's budget for appropriations for 2018.

In other business, according to the approved minutes from March 27, the commission:

* Heard a weekly report from Eric Fritz and Earl Bahret, road and bridge department co-direc-

The commissioners and the directors discussed a concern about the possibility of water running over Q.6 Road. The men reported that three tubes need to be installed at 214th Road.

* Discussed making the shop bathroom ADA compliant, as well as other minor repairs at the new shop.

* Discussed two bills from Banner Creek Animal Hospital regarding the housing of several dogs involved in two district court cases.

It was discussed in August 2015 that the veterinarian bills were to be included as part of the restitution on the individual cases that were brought against the owners and paid to the court.

The county commissioners approved a motion to have the county pay the bills out of district court funding, which will be reimbursed via the restitution. The two dog bills totaled \$5,275.58.

* Met with Delia resident Pauline Conley who said she thinks the new bridge on 142nd Road needs guardrails installed.

Conley also shared her concern about the poor conditions of 142nd Road.

The commissioners thanked her for her time and stated they would have a road and bridge foreman out to inspect the problem areas.

* Heard a weekly report from

side of the reservoir and camp-grounds "B" and "C" were set to open March 31, which is one month earlier than the previous two years.

Restrooms, shower houses and the fish cleaning stations will be opened for the season near April 15 depending on weather.

Nick Kramer, fisheries biologist from the Kansas Department of Wildlife, Parks and Tourism, will be working with staff to install four additional fish feeders at the reservoir on April 18, it was reported.

Fish feeders are currently located along the shoreline at popular fishing locations. They are set to automatically distribute fish food at 7 a.m.

* Recessed for lunch at the Jackson County Senior Center. No official business was discussed.

* Met with David Luke and Maura Chambers with Kansas County Association Multiline

Pool to discuss special events held on county property.

Luke said that KCAMP has recently recrafted its special events nsurance coverage. For instance The entry gates on the south if an event is being run by the county, then KCAMP will cover it and the county won't have to purchase additional coverage.

> If another individual or company is sponsoring an event on county property, the commission should require that the individual or company provide proof of event coverage before the event.

> For some of the events, the commissioners may want to enforce participants to sign a waiver in order to further protect the liability of the county.

> * Met with Jackson County Sheriff Tim Morse. The commissioners and Morse briefly discussed communication issues between the sheriff's department and the local fire departments.

* Left their chamber at 2:40 p.m. to view the road and bridge office.

 Signed payroll change notices for Travis DeBarge, who was promoted to sergeant at the sheriff's office, and Leona Courter, a new hire at the sheriff's office.

Public Notice

(First published in The Holton Recorder, Holton, Kan., on Monday, March 27, 2017.)

IN THE DISTRICT COURT OF JACKSON COUNTY, **KANSAS Petition Pursuant to** K.S.A. Chapter 59

In the Matter of the Estate of Thayle Keller, deceased

Case No. 17 PR 11

NOTICE OF HEARING AND NOTICE TO CREDITORS

THE STATE OF KANSAS TO ALL PERSONS CONCERNED:

You are hereby notified that on the 8th day of March 2017, a Petition was filed in said Court by Deanna J. Mercer, named Executrix under the Last Will and Testament of Thayle Keller, deceased, praying the instrument dated August 27, 2003, and attached thereto be admitted to probate and

record as the Last Will and Testament of the decedent; and that Letters Testamentary under the Kansas Simplified Estates Act be issued to Deanna J. Mercer. You are further advised under the provisions of the Kansas Simplified Estates Act the Court need not supervise administration of the Estate, and no notice of any action of the Executrix or other proceedings in the administration will be given, except for notice of final settlement of decedent's estate.

You are further advised if written objections to simplified administration are filed with the Court, the Court may order that supervised administration ensue.

You are hereby required to file your written defenses thereto on or before April **20, 2017, at 8:00 a.m.** of said day, in said Court, in the City of Holton, in Jackson County, Kansas, at which time and place said cause

will be heard. Should you fail therein, judgment and decree will be entered in due course upon said Petition.

All creditors are notified to exhibit their demands against the Estate within the latter of four months from the date of first publication of notice under K.S.A. 59-2236 and amendments thereto, or if the identity of the creditor is known or reasonably ascertainable, 30 days after actual notice was given as provided by law, and if their demands are not thus exhibited, they shall be forever barred.

> Deanna J. Mercer, Petitioner

Submitted and Approved by: Dennis A. White, #12108 White Law Office 120 West 5th Street, P.O. Box 445 Holton, Kansas 66436 785-364-3971 Attorney for Petitioner

OPINION

Community theatre is a great addition to this area

Congratulations and thanks to the Holton Community Theatre group.

The theatre group has now produced four plays, one musical and two children's musicals here.

The establishment of a local community theatre group is a wonderful thing that many other towns of our size across the state and region would love to have in their towns, too.

The community theatre not only gives local people the opportunity to have fun as participants and showcase their theatrical and music talent, but it also gives others in the community the opportunity to see live theatrical performances right here at home.

There are still other opportunities for additional people locally who just like to help out and volunteer by performing behind-the-scenes tasks such as set design and sound system work.

The latest production here called "The 9 Worst Breakups of All Time" was staged recently on a Saturday and Sunday at Penny's on the west side of the Town Square.

The goal of the community theatre group is to try and do two community plays each year and one children's musical each summer.

Shannon Wittmer, a director and cast member in the latest production, said "The 9 Worst Break Ups of All Time" went very

Wittmer said summer will be another busy time for the community theatre group, too.

"This summer will be our next children's musical production which

© Randy Glasbergen www.glasbergen.com coincides with our summer drama workshop,' she said. "Our theme this year is Christmas in July and we will be holding auditions for any student going to be third grade through eighth grade for the 2017-18 school year on Saturday, May 6 at the Holton High School commons area from 10 a.m. to

Wittmer said the theatre group will also have 'drama workshop" registration at that time.

The theatre group's next musical production will be "The Best Christmas Pageant Ever."

"We are so excited to do this musical," Wittmer said. "We are looking at July 22 and July 23 being our performance dates at this time.'

HCT's next community play will be sometime next fall, it was reported. There will be more information announced about it at the end of summer 2017.

Community Holton Theatre is looking at different grants and fundraising possibilities to begin raising money to purchase its own build-

ing, Wittmer said.
"We are also trying to finalize non-profit, tax free status so that all donations would be tax deductible," she said.

The community theatre is just another reason in the long list of reasons that make this area a wonderful place to live and

Pollinators: Helping fruit, veggies grow

The majority of Americans pay little attention to pollinators - bees, butterflies, wasps, moths and other insects.

But without pollinators, many crops would not grow. A large variety of fruits and vegetables would become scarce or incredibly expensive, and the cost of other products, including clothing (as cotton is bee-pollinated), would be affected.

More than 70 percent of the world's crop plants depend on pollination.

vegetable crops require pollination to produce.

Wildlife like deer, quail, pheasants and other animals depend on the production of berries and fruits for food.

Many human actions, such as pollution and conversion of natural habitat, have affected pollinators and their ability to provide ecosystem services.

In our modern agricultural world, drift – unintentional off-target contamination -

ticides has become a major threat to our pollinators.

Most insecticides and a handful of fungicides and herbicides can kill bees directly or have sublethal effects that can, among other things, negatively affect bees' ability to reproduce and forage.

The best thing to do for pollinator conservation is to avoid using pesticides. But avoiding pesticide use, particularly in today's precision

In addition, many fruit and from aerial spraying of pes- farming world, is not an option for most farmers.

A solution presented by DriftWatch and Xerces Society is to take steps in reducing drift and maintaining buffer zones between sprayed areas and pollinator habitat areas.

Information about pollinator conservation is at driftwatch.org and xerces.org/ pollinator-resource-center.

Becky Keim Center for Rural Affairs Lyons, Neb.

Let's not give up on doing what's right

By Glenn Mollette I dreamed I had come up with a solution to America's greatest problem eliminate Congress.

Unfortunately when I awak-Ι

ened was in greater distress because the television was on and Congress was in ses-

sion, duly haggling away. Tragically, I awoke from my dream to our nation's continuing nightmare.

Politics and congressional gridlock have come to dominate America's way of life. We have come to live and breathe the tension of Capitol Hill through the Internet and cable television.

People have chosen sides or removed themselves totally from the fray in order to enjoy their remaining days of life.

Hold everything; now there is an idea. Totally shut off CNN, MSNBC, Fox, NBC and all news We must stay alert and do

Post and New York Times and just simply have a marvelous day!

In the meantime totally unplug from Facebook and Twitter and separate yourself from your computer because every time you log on you are bombarded with something to incite you or suck you into the daily fray

Hey, pal, is this really the life you dreamed of living?

My fear is that, if I keep my head buried in the sand, I will pull it out and Islamic State will be driving down my road dragging my neighbors by their necks with a noose reserved for

I don't want that for my neighbors or for me. I have to try to stay with it because, if we Americans all go on our merry way neglecting what freedoms we have left, we will soon have no freedoms at all.

So, I say this to you dear friend: Let us not give up on doing what is right.

There are little children in this country who deserve a free and safe place to live.

feeds from The Washington our part every day. This before being allowed back doesn't mean that we don't get a little sick and tired, though.

Many of us were irked recently with how the new healthcare bill played out.

I want a new healthcare bill as badly as anyone but hold the phone. Buying insurance across state lines was not part of the new proposal. If I had been there voting, then I would have had to say no deal.

All we have heard about for two years is the promise to rein in the insurance businesses and give Americans a chance at more reasonable, competitive insurance rates. Capitol Hill still has a lot of work to do on a new healthcare bill.

Medicaid has to be fixed. It should be for the very poor and the truly disabled only. There also should be a lifetime limit on the program.

Healthy poor citizens should be limited to a maximum of five years on Medicaid with never more than a two-year increment of program coverage.

Claimants should have to go off the system for a year

When your five years are complete, then it's over. Five years should give people enough time to move to a part of the country where they can find a sustaining

Also, any healthcare bill that hints of bailing out insurance companies will not

They make billions in profits and must be responsible. Bailing out banks and insurance companies will only add to America's debt and lust for more of your tax dollars.

Find some ways to relax and live the life you have dreamed about. Your first step is to disconnect from anything that plugs you into Congress and Capitol

But wait - don't stay unplugged for ever because you might not have an America to join when you try to reconnect.

Note: Glenn Mollette is an American author whose syndicated column is read in all 50 states.

"I want a computer that does what I want it to do, not what I tell it to do!"

MEET THE PEOPLE!

The Holton Recorder plans to publish a special section called "MEET THE PEOPLE"

in June, which will showcase your business, telling your history along with a photo of your staff and associates.

After it is published, extra copies of the "MEET THE PEOPLE" section will be delivered to the Holton/Jackson **County Chamber of Commerce office** and uploaded to our website – holtonrecorder.net – for free viewing all year.

To schedule your "MEET THE PEOPLE" profile and photo now, contact Errin, Shannon or David at the Recorder office at 364-3141 or e-mail us at holtonrecorder@giantcomm.net Thanks!

OBITUARIES Sheriff's lawsuit...

Watkins

Floyd Eugene Watkins, 87, of Soldier, passed away Thursday, April 6, 2017, at his home. Floyd had been cared for by his great-nephew, Rick Watkins, and Kristina Spillman.

He was born Dec. 16, 1929 in Soldier, the son of Lawrence Elvin and Marguerite Frances (Tomlinson) Wat-

Floyd graduated from Soldier High School in 1947. After high school, Floyd served in the United States Army. He was a lifelong member of the Soldier community.

Floyd was a farmer and stockman. In his earlier years, he was a member of 4-H and was honored to show his steer at the American Royal in Kansas City. He was a member of the Holton Congregation of Jehovah's Witnesses.

Survivors include four nephews, Richard Watkins of Soldier, Ronald Watkins of Soldier, Paul Watkins of Silver Lake and Steven Watkins of Topeka; two nieces, Sandra Hill of Oklahoma and Teresa Watkins of Pennsylvania; and a sister-in-law, Marcia Watkins of Topeka.

He was preceded in death by two brothers, Robert and Larry Watkins; and a sisterin-law, Susie Watkins.

Funeral services were held Monday afternoon, April 10 at Mercer Funeral Home in Holton. Private family inurnment will be held at a later date in Soldier Cemetery.

Memorial contributions may be made to Children's Mercy Hospital, sent in care of Mercer Funeral Home, P.O. Box 270, Holton, KS 66436. To leave a special message for the family, please visit www.mercerfuneralhomes.

Circleville Christian Church

By Jeannie Arnold Ellsworth and Sandra Hewitt served as greeters at the door for Cowboy Church at Circleville Christian Church on April 9. Blair Wagner gave the welcome and announcements and the

opening prayer. Music was provided by the praise team of Gary Bell, Dale and Ilah Rose Askren, David Allen, Max Lierz, Paul and Sue Davault and Annalysse Allen. David Allen gave the prayer for

concerns and praises. Paul Davault used text from Romans 7:21-25 as he gave the communion meditation. Communion servers were Donnie Askren, Roger Rethman, Mike Cochren and Jeremy Kennedy. Anna Schierling blessed the congregation with beautiful piano music as communion was served. The prayer for the offer-

ing was given by David Allen. Brody Bliss used text from Genesis 22:1-14 as he brought the morning sermon titled "Prioritizing God As Our #1." This particular scripture brings out some of the most difficult and most blessed scriptures in the Bible. It teaches us how to evaluate our priorities and discipline our lives with perseverance and

determination. We must develop an attitude of worship and trust always in the provisions of God. We need to surrender everything and allow God's provisions to sanctify us. Trusting fully in God makes

Him our #1 priority. On Easter morning, there will be a Sunrise Service at 6:30 a.m. at the Schierling home. Breakfast will be served at the church from 8:30 a.m. to 9:15 a.m. Sunday school will be held at 9:30 a.m., and there will be an Easter egg hunt for the kids during Sunday school time. There will be only one combined church service at 10:30 a.m.

Levier Ada Marie "Meeks-sah-quah" Levier, 89, Mayetta, died Wednesday, April 5, 2017, at her home on the Potawatomi Reser-

She was born June 21, 1927, in Mayetta, the daughter of Oscar and Mary Mahkuk Levier. She attended Haskell Institute.

Ms. Levier had worked various places in the housekeeping and linen department, including the State Hospital in Topeka. She also was a homemaker.

She was baptized at a young age as Catholic and later joined the Native American Church. She was also a member of the Prairie Band Potawatomi Na-

Survivors include her husband, Bernard J. Fogg, of the home; two sons, Gary Buskirk, Rossville, and Mike O'Dell, in Montana; and many grandchildren and great-grandchildren. She was preceded in death by a son, Edgar Lee Levier, on Feb. 25, 2016; a sister, Phidelia Levier; and a brother, Tucker Levier.

Native American services were held Sunday evening at Nozhackum Hall west of Mayetta. Burial was held Monday afternoon in Mahkuk Cemetery. Mercer Funeral Home in Holton is in charge of arrangements.

Guidelines for obituaries

When submitting obituaries to *The Holton Recorder* for publication, please remember that survivors listed in free obituaries are limited to those who are related to the deceased either by blood or by marriage. "Companions," "special friends," "life partners," pets and godparents do not fit into either category. If you would like the names of non-relations to be printed with the obituary, call The Holton Recorder at 364-3141 or email holtonrecorder@giantcomm.net to make arrangements for a paid obituary.

Continued from Page 1 In the original filing, Dunn accused Morse of terminating Dunn's employment with the sheriff's office for political reasons surrounding Ewing, who is facing charges of sex-related crimes in six different Jackson County District Court cases. Dunn claimed he was suspended and then fired for not helping Morse downplay the investigation into Ewing's alleged activi-

Dunn, who was working as chief detective with the sheriff's office at the time of his dismissal, sought at least \$150,000 in "lost pay and benefits" and "mental distress," as well as punitive damages and court costs. But in the order for the suit's dismissal, Crow ruled that Dunn would be held liable for covering not only his own court-related costs, but also those incurred by Morse.

Morse, represented by Overland Park attorney Toby Crouse, responded to Dunn's federal court lawsuit by alleging that Dunn was instead fired from the sheriff's office for insubordination, rather than suspended because he refused to allow Ewing's family and friends to pressure him to back off the investigation into Ewing.

In his ruling, Crow said the burden of proof was on Dunn "to show he has alleged both that the defendant violated a constitutional right and that this constitutional right was clearly established in the law at the time of the violation."

Dunn, the judge said, "has failed to carry his burden in both regards." Morse said Crow's ruling

came as "no surprise" to him. "I stand by my original statements," Morse said. "It continues to be my goal to provide this community with a top of the line

law enforcement agency with

top of the line personnel.

SSgt. Philip Gatewood of Circleville (second from right on front row) and the air crew led by 2nd Lt. Benajah G. Burkitt of the 303rd Bomb Group, 360th Bomb Squadron, died in a mid-air plane collision in January of 1944.

Purple Heart...

Continued from Page 1

Gatewood, serving as an engineer and tail gunner on the new B-17G, attempted to climb to the assembly point in dark con-

But as Burkitt's plane reached the assembly point, it collided with a B-17F bomber piloted by 2nd Lt. Dale C. Killion, ripping

off the left stabilizer on Killion's nlane.

Both aircraft plummeted to the ground, with Burkitt's plane and crew crashing near Catworth, England, and Killion's plane and crew crashing near Covington, England. All 20 crewmen on both planes were listed as "killed in action."

Gatewood's body was recovered, as were the bodies of all the other crewmen aboard Burkitt's plane, and he was initially buried in the American Cemetery at Cambridge, England, along with other members of the crew.

His remains were returned to the U.S. after the war, and he is buried in Holton Cemetery.

Easter egg hunts...

Continued from Page 1

Five "golden" eggs are being hidden during the event that contain money, as in previous years. In addition, several eggs will contain the name of a local business and can be taken to that business to receive an additional prize, it was reported.

In case of inclement weather, the Easter eggs will be handed out inside on the first floor of the Jackson County Courthouse.

Vintage Park is also inviting

children to stop by the business and receive Easter eggs from its residents after the hunt, Chamber representatives reported.

For more information about the hunt, call the Chamber at 785-364-3963.

Also on Saturday, the Mayetta Christian Church is sponsoring an Easter egg hunt at 1 p.m. at the church, located at 202 E. Jones St.

Toddlers to students in fourth grade are invited to attend the Mayetta Easter egg hunt. A drawing for prizes will be held.

Homemade cookies and punch will be served.

Today's league games will be played at Jeff West

By Ali Holcomb

The sun finally came out in Hoyt on Thursday allowing the Royal Valley varsity softball team to return to the diamond and split a Big Seven League double-header against Perry Lecompton.

Today (Monday), the Lady Panthers play at Jeff West.

game 12-5 against the Lady Kaws and won the second game 3-2 after scoring three runs in the bottom of the sixth inning.

"The first game we played sloppy," RV coach Corey Katzer said. "I quit counting after 11 errors. It was frustrating. We have not played up to our capability.'

The Kaws were on the board first, and led 9-3 at the bottom of the fourth. RV added two more runs in the fifth, but the Kaws scored three more runs in the last two innings.

Masey Lafferty was on the mound of the Panthers in the first game with 158 total

pitches. Lafferty allowed 14 hits, walked three and struck out five.

The Kaws' pitcher, Megan Fast, allowed 12 hits and had one strikeout and four walks.

Offensively, the Panthers were led by Sarah Beam, who drove in four runners on a double in the third inning and a home run in the fifth inning.

Maggie Schuetz had two hits in two at bats including a double on a line drive to center field in the bottom of

"Overall, I don't think we've hit the ball as well

this year as we did last year,' Katzer said.

The Panthers were able to make a comeback in the second game after allowing the Kaws to score one run in the first inning and one in the fourth.

In the bottom of the third, Panther Ali Bryan was walked and then scored after Beam hit a home run to left field. Later in the inning, Lexi Baker singled on a ground ball, driving in another run.

Baker had three hits in her three at bats and 1 RBI. Beam

had two RBI. (Continued on Page 7)

HHS boys track 2nd at Atchison

By Brian Sanders 2017 track season got off to a late start on Thursday, but it was better late than never for the Wildcat tracksters, with the varsity team heading up to an invitational at Atchison — where the boys took third overall and the girls finished sixth— while the junior varsity participated in a meet at Jefferson West.

Head Coach Mark Middlemist said the varsity team's entry into the Atchison Invitational was a lastminute replacement for two rain-cancelled events, but a welcome replacement nonetheless.

"With two cancelled meets, and not looking to make them up, we just searched around," Coach Middlemist said. 'We're glad that Atchison let us come... We're finally happy to get one in.'

For runners, the meet provided the Holton boys a chance to shine. Junior distance runner Mason Strader had what Middlemist called "a good opening performance," winning the 1,600meter and 800-meter runs by solid margins — Strader finished 13 seconds ahead of Lafayette's Stuart Schmidtke in the 800 and nearly 14 seconds ahead of West Platte's Max Davies in the 1,600.

Middlemist also cited the work of senior Spencer Baum and sophomore Jayger Carson, who "ran well" and led relay teams to a firstplace finish in the 4x400m and a second-place finish in the 4x100m. Baum and Carson finished third and sixth, respectively, in the 100m dash, while Carson cruised to fourth in the 200m dash.

The throwing team also made a strong showing, with seniors Tel Wittmer and Brandon Lehnherr taking the top two spots in the shot put, and junior Andrew Harrison and Lehnherr taking the top two spots in the discus throw.

The girls' team brought home two of the top three spots in the long jump — junior Shay Tanking finishing second and senior Alex Myers finishing third — along with a pair of third-place finishes from junior Carly Raney in the shot put and senior Emma Wittmer in the javelin throw.

Middlemist also said he was pleased with the results from the JV meet at Jefferson

"Reagan Baum and Tabor Barta did well in the hurdles," he said. "And Taygen Altenburg had a good start to the season in the 800m and 1,600m runs. Her times will only get better."

Up next for the Wildcat tracksters is a trip to Effingham on Tuesday for the

ACCHS Invitational. Track Holton High School's and field events are scheduled to begin at 3:30 p.m.

(Continued from Page 6)

"From the third inning on, we woke up and played defense like we're capable of.
It was spectacular," Katzer said. "We still didn't hit the ball extremely well until later in the ball game. We had opportunities in the fifth to score but couldn't get there."

Danielle Stithem pitched the entire second game. She allowed eight hits, one earned run and had one walk.

"She's been a great surprise," Katzer said. "This is her first time on varsity, and she's already 2-0. She's done a fabulous job."

On Monday, the team will travel to Meriden for a double-header against Jeff West. Games begin at 4:30 p.m.

"We're only two doubleheaders in, but we seem to play bad in the first game and then it kind of wakes us up and then we play better in the second game," Katzer said. "We need to find a way to get out of the gate quicker."

Holton freshman pitcher Cody Mulroy, shown above, was the starting pitcher in the first game at Sabetha on Thursday. Mulroy pitched five innings for the Wildcats. Holton led 8-3 entering the seventh inning, but lost 9-8.

Photo by Michael Powls

HHS battles Jays, Eagles

By David Powls Holton's varsity baseball team played four games in three days recently but was unable to pick up a win, despite playing some pretty

good ball. On Thursday, April 6, the Wildcats lost two Big Seven League games at Sabetha. The Wildcats lost by just one run, 9-8, in the first game.

The second game was also close, with the Bluejays prevailing 7-4.

On Saturday, April 8, Holton lost 14-2 at Silver Lake in the first game of a non-league doubleheader. The second game's final score was 5-1 in Silver Lake's favor.

'We had a chance to win a couple of games against a couple of pretty good teams,' said HHS head coach Joe Purcell this morning. "We just need to put it all together, score some more runs, put together some timely hits and play good defense.

Today (Monday), the Wildcats will play a doubleheader at league opponent Perry-

In the first game at Sabetha, Holton led 8-3 going into the

seventh and final inning. Cody Mulroy, a freshman, started the game as the Wildcats' pitcher and went five innings.

Coach Purcell said the decision was made to change when pitchers Mulroy reached a 71-pitch count.

In high school baseball, starting this season, pitchers are required to take a oneday's rest after 45 pitches, two-day's rest after 60 pitches and three-day's rest after 75 pitches. Pitchers are required to take a week's rest if they reach the maximum pitch count of 105.

Sophomore Zane Moylan did a good job of pitching one inning of relief, coach Purcell said, as did senior

Brady Forrester. 'We had a couple of errors

and let that game slip away from us," Purcell said.

The Wildcats lost game two against Sabetha after battling to a tie score, 3-3, into the sixth inning, the coach said.

Senior pitcher Blaine Lester started for Holton and went five innings. Lester pitched until he reached a 68-pitch count and then was relieved by Forrester, who pitched one inning and junior Tracer Fox, who also pitched one inning.

The Wildcats had six hits in this game, led by senior Parker Zeller with 3 and Cody Mulroy, senior Brad Mulroy and freshman Eli Prine all with 1 hit apiece.

In the first game against Silver Lake, the Eagles scored four runs in the first inning, two runs in the second and eight in the fourth to win the five-inning contest.

Silver Lake had 12 hits, including 11 RBI. Will Boyd had three hits and Joey Clark and Josh Boyd had two hits apiece. Ciark and Josh Daiiman both hit doubles.

Huske pitched three innings for the Eagles, walking 2, striking out 1 and allowing 2 hits.

Kyle Frick pitched one inning for Silver Lake, striking out 1 and allowing 2 runs on 4 hits. Dultmeier pitched one inning, striking out 2.

Forrester was the starter and pitched 3 1/3 innings for the Wildcats. Sophomore Jackson Martin pitched 2/3 inning in relief, giving up 4 runs (3 earned) on three walks.

The Wildcats got their two runs in the top of fourth inning on singles by Brady Mulroy, Forrester, junior Dylan Aeschliman and Blaine Lester.

In the second game against Silver Lake, Holton took a 1-0 lead into the sixth inning but the Eagles responded with four runs in the bottom of the sixh and one run in the seventh to claim the victory.

The Eagles pounded out 10 hits, including a home run and 3 RBI by Dallman. Huske had two hits in the game for the Eagles and D. Dultmeier and Cale Adams both hit doubles for the Eagles.

Boyd pitched four innings for Silver Lake, giving up 4 hits, walking 3, striking out 3 and allowing 1 run.

Clark pitched one inning in relief and Reid Walker pitched two innings in relief, striking out 1 and allowing 3

Holton, Movlan For "pitched an outstanding game," according to coach Purcell. As the starting pitcher, Moylan pitched six innings, striking out 2 batters, giving up 5 runs on 4 hits and 3 hit batters.

For Holton, junior Kyler Tannahill batted 3-3 with a double. Cody Mulroy batted 2 for 4. Prine and Forrester also added 1 hit apiece.

Panther boys 2nd at McLouth track

Royal Valley High School tracksters found some success Friday at an invitational

at McLouth. The RV boys team finished in second place, and the Lady Panthers team had a fifthplace finish.

"It was a start," said coach David Boucher. "We had some student athletes who really competed hard and showed some real heart. All of our athletes now know where they are and can grow from there. As a whole, we were very happy with the overall attitude and positive energy our students athletes showed."

The RV boys team was led by Lucas Broxterman, who placed first in high jump, and Garrett Hicks, who placed first in pole vault.

RV Boys Results 100m Dash: Mikal Kitchkommie fourth place 12.00, Devon Hale fifth place 12.18.

Hurdles: Gavin 110m Cumpton fifth place 19.34.

200m Dash: Mikal Kitchkommie fourth place 24.52, Devon Hale fifth place 24.68.

300m Hurdles: Lucas Broxterman third place 43.99, Gavin Cumpton sixth place 47.99.

3200m: Nue Tinajero sixth place 12:32.

4x400m Relay: Devon Hale, Gavin Cumpton, Kobe Mills and Lucas Broxterman third place 3:46.

4x800m Relay: Jackson, Holden Mundy, Noah McAlister and Thunder Knoxsah fourth place 9:45.

Discus: Brian Shane fourth place 111'4".

High Jump: Lucas Broxterman first place 6'2", Kain Fink sixth place 5'8".

Javelin: Kenny Aitkens second place 152'.

Long Jump: Lucas Broxterman second place 19'7".

Triple Jump: Devon Hale second place 38'2.5".

Shot Put: Doran Rupnicki second place 40'5", Brandon Rodewald fifth place 37'4.5", Brian Shane sixth 37'3" Pole Vault: Garrett Hicks

first place 12'6", Karsen Smith fourth place 9'6", Christian McAlister fifth place 8'. Throwers 4x100m Relay: Doran Rupnicki, Elias Sen-

newaldt, Brian Shane and Kenny Aitkens first place 54.46. Top finishers for the Lady Panthers included Taylor

Russell, who placed first in discus, and Kenzie Hegemann, who placed first in pole vault.

RV Girls Results

100m Dash: Alyssa Gooderl third place 13.83.

3200m: Katie Hanshaw fourth place 14:00.

Discus: Taylor Russell first place 110'1", Kylie Moore fourth place 97'4".

Javelin: Grace Harvey

fourth 81'10". Long Jump: Courtney Car-

reno sixth place 13'5". Triple Jump: Alyssa Gooderl sixth place 28'1".

Shot Put: Taylor Russell fourth place 33', Grace Harvey fifth place 30'. Pole Vault: Kenzie Hege-

mann first place.

The team is hosting an invitational at Hoyt on Tuesday. The meet begins at 4 p.m.

Panthers drop 2 to Perry

By Michael Powls The Royal Valley Panther varsity baseball team was in action this past Thursday at home against the Perry-Lecompton Kaws in a double header. The Panthers lost the first game 2-1 and lost the second game, 13-5.

"We played much improved defense from the Wamego games," said RV head coach Scott Ternes. The first game we had opportunities but could not get a run across the plate. Tim Martin pitched well again. We were just not able to get the run support that he needed."

Coach Ternes said the Panthers also competed well in the second game.

"We were in game two, but with games played on Monday also everyone was on a pitch count and we just ran out of pitching," coach Ternes said.

In the first game, the Panthers scored first in the third inning and the Kaws got one run in the fourth inning and one run in the fifth inning, which was enough to win.

The Kaws had 25 at bats with two runs on two hits, six walks and five strikeouts.

The Panthers had 29 at bats with one run on seven hits, three walks and three strikeouts. Batting for the Kaws, Blaine Pat-

tin had three at bats and one walk, Cooper Williams had four at bats with one hit and one run scored, Tyler Erickson had one at bat with one run scored on two walks, Tristan Damme had three at bats with one hit, one RBI and one walk, Dakota Kelley had two at bats with one walk and Connor Morgison had two at bats, one RBI and one walk.

Batting for the Panthers, Tim Martin had four at bats with two hits, Hayden Fenske had four at bats with two hits and one RBI, Dillion Smith had four at bats with one hit, Beniamin Neuner had two at bats with one hit and one walk, Ian Lee had two at bats with one hit and one walk and John Ehrhart had two at bats with one run scored and one walk.

Pitching for the Kaws, Isaac Chistman started the game going four innings with five hits, one run and one walk, Sam Kuenzi threw next going two innings with two strikeouts and two walks and Cooper Williams closed the game for the Kaws with two hits and one strikeout.

Pitching for the Panthers, Tim Martin started for the Panthers. Martin pitched five innings, allowed just two hits, two runs. He also had two strikeouts and one walk.

Hayden Fenske closed out the game going two innings. Fenske had three strikeouts and five walks.

In the second game the Kaws scored two runs in the top of the first inning, scored two more runs in the second inning, three runs in the fifth inning, one run in the sixth inning and five runs in the seventh inning. The Panthers scored one run

in the bottom of the first inning, three runs in the third inning and one run in the seventh inning. The Kaws had 28 at bats with

13 runs on nine hits, 12 RBI, 10 walks and two strikeouts. The Panthers had 32 at bats

with five runs on nine hits, five RBI, one walk and seven strike-

Batting for the Kaws, Pattin had six at bats with three hits, one run scored and two RBI. Williams had one at bat with one walk and three runs scored. Erickson had three at bats with one hit, one run scored and one RBI. Damme had two at bats with one hit, two runs scored and one walk. Isaac Chistman had three at bats with one walk, one RBI and one run scored. Andrew Ledbetter had four at bats with two hits, two runs scored, two RBI and one walk. Kelley had two at bats with one run scored and one walk. Collin Champagne had two walks and one RBI. Morgison had three at bats with one hit, one run scored, one RBI and two walks and Josh Kibbee had four at bats with one hit, one run scored, two RBI and

Batting for the Panthers, Martin had three at bats with one hit, one run scored and one walk. Stithem had four at bats with one hit and one run scored. Fenske had four at bats with two hits, one run scored and one RBI. Blake Chance had four at bats with three hits, one run scored and one RBI. Smith had two at bats with one hit, one run scored and one RBI and Benjamin Neuner had four at bats with one hit and two RBI.

Pitching for the Kaws, Williams started the game for the Kaws. Williams went three innings with seven hits, four runs and four stikeouts. Ledbetter closed out the game with four innings of work, two hits, one run, one walk and three strikeouts.

Pitching for the Panthers, Neuner started the game and went four innings, giving up six hits, four runs, one strikeout and two walks. Stithem pitched second with

one inning, two hits, three runs and two walks. Fenske was the third Panther pitcher with one inning, one run, one strikeout and three walks.

Ehrhart was the fourth pitcher with 0.1 innings, three runs. Lee was the fifth pitcher with no outs made, one hit, two runs and three walks, Connor Grossoehme closed the game with 0.2 innings.

The Panthers play again today at Jeff West.

Soybean weed control – the importance of timing

By David G. Hallauer Meadowlark Extension District Agent Crops & Soils/Horticulture

One of my favorite slides from a presentation by KSU weed specialist Dr. Dallas Peterson this past depicts a field of palmer amaranth. before

about my excitement over palmer amaranth (believe me, I am not excited about more pigweeds), you should know that it was showing the excessive growth of palmer under good conditions in a very short time frame.

Weeds went from just emerged to six-plus inches in less than five days. All of a sudden, products that might do a good job of control would have been less effective, ineffective or off label. It underscored the need for an integrated weed management system that includes soil-applied residual herbicides to optimize weed control and maintain our current arsenal of control products.

The benefits of a good soil-applied residual herbicide for soybeans are many. Early season weed competition is reduced, giving us greater flexibility for post-emergence treatments. From a resistance management standpoint, we add sites of action to slow the development of herbicide resistant weeds, which helps reduce the weed seed bank over time. Then, there's yield!

University of Nebraska studies have shown that a nine-inch weed can reduce yields as much as six percent. Allowed to grow to 12 inches, losses increase to 22 percent.

According to work done by UNL weed specialist Steven Knezevic, soybean yields typically drop about two percent for each leaf-stage of delay past the opti-mum weed control time (V2 in narrow row soybeans; V1 in 30inch rows) up until the beginning pod stage. South Dakota State University research confirms this finding, with studies showing that weeds can start stealing yield as soon as three weeks after soy-

beans emerge. University of Minnesota research puts some economics to those losses. Fritz Breitenbach, University of Minnesota extension IPM specialist. notes that the penalty from a 2014 trial showed soybean yields in 30-inch rows dropped eight bushels per acre, or about 15 percent, when weed control was delayed from V1 to

V3. Most of that loss occurred in the five days between V2 and V3 – a great indicator as to how tight the weed control window is and how quickly it can close.

Is a residual herbicide in your soybean weed control program? If not, research shows it's an economical choice – and one that can help avoid even bigger problems later. To determine what herbicides might be a good fit for you as well as getting the latest on K-State soybean herbicide program recommendations, check out this recent KSU Agronomy eUpdate article at https://webapp.agron. ksu.edu/agr_social/eu_article. throck?article_id=1311 or request a copy from your local Extension

Defining Clean Eating Lots of conflicting information about eating healthy can leave anyone confused. So the American Heart Association is trying to help clear the confusion.

To start, eat lots of fruits, vegetables and whole grains. This is a common message from many healthy organizations and educators. Lean meats, low-fat and non-fat dairy, beans and legumes, nuts and seeds are also beneficial.

A healthy, clean diet can also include frozen, canned and dried foods. Select low-sodium canned foods and fruits canned in water or 100 percent juice. Choose frozen and dried foods without added salt or so-

Some say to avoid the middle aisles of the grocery store. The truth is many foods in the middle aisles can be a part of a healthy diet.

Celebrity Chefs Have Poor Food Safety Habits

Cooking shows are very popular to learn new cooking ideas and recipes. But the celebrity doesn't always use good food handling practices. Many will lick their fingers,

touch their hair or dirty clothing and then touch food without washing their hands. In fact, not washing their hands was the most common hazard.

The next problem was using the same cutting board between raw meat and vegetables to be served fresh. Not using a food thermometer to check meat doneness was also a problem.

A celebrity chef's purpose is to entertain and educate about food preparation techniques and helpful kitchen hints, which should include proper

Ford achieves journalism educator renewal status

Karen W. Ford, a teacher at Holton High School, has achieved the Certified Journalism Educator renewal status from the Journalism Education Association (JEA), it has been reported.

Ford was honored on April 8 at the spring JEA/NSPA national convention in Seattle,

Journalism certification for business/commercial enterprises recognizes those professionals serving in a support capacity for scholastic journalism education who have achieved national standards of preparation to work with journalism educators and their students at the highest levels within and outside of the classroom.

By achieving this renewal certification status, this Certified Journalism Educator (Ford) has achieved national recognition and joins a select group of 842 certified journalism educators who regard journalism as an academic subject and recognize the importance of having highly qualified instructors and representatives involved in journalism education.

Educators who renew their certification status show evidence of continuing education and professional growth, knowledge of teaching and advising methods in scholastic journalism and leadership at local, state, regional or national levels, according to a JEA news release.

JEA, a nonprofit organization, encourages professional standards for journalism programs and student publica-

ATTEST:

/s/ Shawna Blackwood City Clerk

(SEAL)

By Shawna Blackwood Hoyt City Clerk The Hoyt City Council met in regular session on March 7,

Present were Mayor Debbie Dreasher, City Clerk Shawna Blackwood, and council members Farrell Holthaus, Leonard Allen, Ed Ryan, Lana Dillner and Nathan McAlister. Also present were Lee Hendricks, Larry Valdez, Chris Curtis, Bob Ehrhart, Ed Kester and Chief of Police Dan Wentling.

Mayor Dreasher called the

meeting to order at 7:02 p.m. The council was previously provided minutes to review from the Feb. 7 regular meeting. Ryan made a motion to approve the Feb. 7 minutes. Holthaus seconded, and the motion carried.

Curtis met with the council to discuss the sidewalk and drainage issues on his property at Fourth Street and Highland Avenue. His insurance company had concerns regarding these issues.

Curtis discussed the times this matter has been brought to the council's attention in the past and asked if the council would do something to remedy the situ-

The guidelines of grants were discussed. The council asked if Curtis would report back on the specific concerns the insurance company has relating to the sidewalk and drainage.

Curtis also discussed with the council the estimates provided from Andrews Asphalt for the repair work on Park Drive and Eighth Street and Highland Avenue, the cost spent on generator maintenance, recent asphalt work and repair work and new tires on the older police car. Curtis also would like more patrolling done on Fourth Street.

Valdez met with the council to discuss complaints made regarding the timeliness of receiving this month's water bill. It was reiterated that people can call, email or stop by the clerk's office if they need their utility bill

Valdez also asked about paving Central Avenue from First Street to Third Street and the status of getting the "no parking" sign put

ATTEST:

/s/ Shawna Blackwood City Clerk

(SEAL)

Proposed sewer and water rate increases discussed at Hoyt City Council meeting up in front of the sand/salt stor-

age shed on Central Avenue. Kester presented bulk water

invoices. Ehrhart met with the council to

present an estimate to help correct the drainage issues at Central Avenue between Fifth Street and Seventh Street. The estimate is \$6,214. This price does not include site restoration. There was also discussion that

the bulk of the drainage issue could be because the culvert is plugged. Videoing would need to be done to determine if this is in fact the case. Before a decision can be made on Ehrhart's estimate, it will first be necessary to get permission from landowners.

Hendricks discussed the STO ordinance that prohibits parking on sidewalks. Hendricks also discussed the ordinance that sets out a fine for failure to register dogs. The council agreed on a fine of \$10 per animal for failure to register.

Blackwood stated that the cost for the containers for spring cleanup day has increased to \$250 per container. Spring cleanup day will be held on April 22 at the city park.

Blackwood discussed publishing an ad in the newspaper regarding city dog tags. This can be published in The Holton Recorder and Jackson County Shopper one time in the middle of April. This will also be included on the March and April water bills.

Blackwood discussed a request to use the community building for an estate auction for five consecutive days. If this is scheduled, the cost will be \$150 per day.

Blackwood provided an update on providing online/auto payment options for the utility bills. KanPay was contacted and they can provide the online payment option at no cost to the city. There is a 2.5 percent fee per credit card transaction that would be passed onto the customer. Blackwood has yet to receive an updated price from Thoroughbred for adding the ACH module to the city's billing software.

The council was in agreement to move forward with using KanPay as an online payment option for utility bills and will wait to make a decision relating to adding the auto payment feature when an updated price is received.

Blackwood presented a letter to the council from Cindy Hower regarding the city's renewal policy and the need to update the city's special event question-

Blackwood discussed the

quote from John Welch for performing accounting services for the city. The cost is \$9,600 for 2017, which includes the cost of the audit. The council discussed the conflict of interest in having Welch perform the audit and day-to-day accounting services. There was discussion of having Welch perform the accounting services and finding another accountant to perform the audit.

Mayor Dreasher read a note from a citizen regarding the delay in receiving this month's util-

Mayor Dreasher discussed her conversation with Guy Salts regarding long-term planning for the south half of the property owned by Hoyt America just west of Hoyt's city limits. Salts will try to attend the June 6 council meeting to discuss his proposals regarding this matter.

Mayor Dreasher discussed Pride of Hoyt. She would like the council to think about the city having a more active role in the event. Pride of Hoyt will be held the weekend of Aug. 26 this

Chief Wentling gave the monthly police report. He stated that the Charger recently had the alternator fixed because of a part recall. He also stated the Charger is in need of new tires. He received a price of \$116 per tire from Kansasland Tire. There will also be an estimated charge of \$20 per tire for wheel balance and disposal. Wentling will move forward with getting the new tires for the Charger.

Discussion was held regarding an ordinance preventing vehicles from parking in yards.

Dillner reported that she has ordered plants from the school and is coming up with ideas for the upcoming community service day with the middle school kids.

Holthaus discussed the work done on Central Avenue that had previously been discussed with Ehrhart. Holthaus also discussed getting updated bids for the repair work on Park Drive and Eighth Street. Valdez stated he would be able to do the camera work on Central Avenue if the council opted to have this done.

McAlister discussed the longterm sewer debt. A motion was made last month to make a preinterest payment of \$18,305 on loan C201757-01. KDHE requires a 60-day notice for any prepayments. The payment of \$20,918.59 due now is being paid on loan C201349-01 and the \$1,000 interest payment due now is being paid on loan C201757-

McAlister made a motion to prepay the remaining balance of \$20,553.84 on loan C-201349-01 out of the sewer reserve fund and make a principal prepayment of \$73,587 on loan C201757-01 out of the sewer general fund. Allen seconded the motion, which carried. Blackwood will notify KDHE of the intention to make prepayments on these two loans. Ehrhart's estimate presented

earlier was again discussed. The locations of sewer lines on the west side of the city along

Kansas Highway 214 were discussed. The city sewer lines end at the funeral home. The council and mayor dis-

cussed at length water and sewer rates. The following rate increases were proposed: Sewer: Increase from \$25.30 to

\$27.50 for the first 1,000 gallons and from \$2.20 to \$3 per 1,000 gallons in excess of the first 1,000 gallons.

Water: Inside city: increase from \$32.49 to \$33.50 for 0-1,000 gallons and from \$5.75 to \$6 per 1,000 gallons for all above 1,000 gallons. Outside city: increase from \$34.49 to \$35.50 for 0-1,000 gallons and increase from \$7.25 to \$7.50 per 1,000 gallons for all above 1,000 gallons.

Business or commercial: Increase from \$37.49 to \$39 for 0-1,000 gallons and from \$5.75 to \$6.25 per 1,000 for 1,000 to 5,000 gallons and from \$7.25 to \$8.25 per 1,000 gallons for all above 5,000 gallons.

Multiple dwellings rates would be discussed at the next month's meeting. It was also stated that it would be necessary in the near future to review how the rates are determined for each account, e.g., business or residential.

The outstanding debt for the water tower was discussed.

Ryan reported that Kenny Bryan was waiting to get estimates from contractors on the work necessary to complete the community building addition. He also discussed the option of Bryan building storage areas for emergency supplies at the build-

Mayor Dreasher reported that the Storm Spotters meeting would be held at 7 p.m. on March 8 at the Jackson County Senior Center in Holton.

Holthaus made and Ryan seconded a motion to pay bills. The motion carried.

Holthaus made a motion to adjourn. Allen seconded the motion, which carried.

The meeting adjourned at 9:45

Tips to tame your sugar cravings

By Nancy C. Nelson Meadowlark Extension District Agent Family Life

Added sugar the diet is frowned on by nutritionists for two reamain First, sons. it is linked to weight gain and cavities. Second, sug-

ar provides

"empty calories" because it lacks any nutritional contribution, and too much sugar in your diet can crowd out more healthful foods.

Sugar-sweetened beverages are by far the greatest sources of added sugar in the diet

and account for more than one-third of the added sugar consumed as a nation. Other popular high-sugar foods include cookies, cakes, pastries, ice cream, candy and readyto-eat cereals.

People crave sweet things for a number of reasons. "Sweet is the first taste humans prefer from birth," says Christine Gerbstadt, MD, RD, a dietitian and American Dietetic Association (ADA) spokeswoman. Carbohydrates, especially sugar, stimulate the "feel-good" chemical dopamine in the brain.

Consumption of foods and beverages high in sugar is also linked to stress. Feelings of stress can cause poor sleep, which can affect your hormone levels and cause you to crave sugary, high-calorie

Here are a few tips that may help you tame sugar cravings. Combine a sugary food you are craving with a healthful one. Dip a banana or strawberry in chocolate sauce, or mix some almonds with a few chocolate chips.

When a sugar craving hits, walk away. Do something to change the scenery and get your mind off the food you are thinking about. Get out and take a walk or get some type of exercise.

Skip artificial sweeteners. Research has shown that diet drinks and artificial sweeteners may increase your craving for sugar.

Eat regularly throughout the day. If you wait too long between meals you could set yourself up to choose sugary, fatty foods to curb hunger. Eat something every three to five hours to keep your blood sugar stable.

Slow down and focus. Often, poor food choices result from a lack of planning. Slow down, focus and plan what you are going to eat so you are ready to make a healthful food choice, even when you are desperate.

Eat just a little of what you are craving and allow yourself to enjoy what you love. Keep a sweet treat to 150 calories or less.

Replace a candy dish with a bowl of fruit for when sugar cravings hit. If you like something sweet at the end of a meal, go for a fruit-based dessert or plain fruit. To curb a soda habit, try mixing a little fruit juice with seltzer water.

Kientz Corner

By Beverly Ramey Newell On April 2, the Pleasant Hill United Methodist Church congregation opened its worship service by singing "Tell Me The Stories Of Jesus."

The announcements were: There will be no Lite Bite this month, but it will return in May. All ladies of the church are invited to a baby shower for Pam Walder at 11 a.m. on April 15 at the church (Pam is expecting a baby boy). Game night will be held at 6 p.m. on April 21 (all prizes will be chocolate). A ladies' tea will be held from 2 p.m. to 4 p.m. on May 6; you may sign up in the foyer.

The birthdays for April 2 through April 8: Annie Mc-

Employment

Dowell, April 5; Erin Herrick, April 6; and Phil Pond, April 8. The anniversary for the week was Ray and Billie Dupree,

The concerns were prayers for Brad Andler, who had a heart attack; Les Haslett, who has a blood problem; John Shaffer, who is very ill; and the family of Charles Hicks.

For special music, Bruce Lanning sang "The King Is Coming." He was accompanied by Marty Ransdell on the piano.

The children's story was given by Brian Smith. The shortest verse in the Bible is "Jesus wept." It is OK to cry. We cry when we are sad, when we are in pain and when we are happy.

Cookies & Punch Served After Hunt

Gary Slimmer read the scripture John 19:28-29.

The sermon, "I Thirst," was given by the Rev. Hyun-Jin Cho. We have heard Jesus say, "Father, forgive them," "Today, you will be with me in paradise," "Behold your son, behold your mother," "My God, my God, why have you forsaken me" and "I thirst."

When Jesus had received the wine, He said, "It is finished." Then He bowed His head and gave up His spirit. Jesus is the Savior of the world. Are you willing to serve Him?

The communion elements were served by Pastor Jin, Judy Glasgow, Larry and Barbara Hanson and Linda Reed.

The closing hymn was "In The Cross Of Christ I Glory."

Those assisting with the service were Gary Slimmer, liturgist; Mary Smith, organist; Joy Jepson and Alfred Mannell, sound system; Megan and Molly Strobel, acolytes; Betty Domer, song leader; and Gary Domer, Ron Griffiths, Mark Searles and Brian Smith, usher

On March 29, Karen and Pat Smith of Topeka were afternoon visitors of Beverly and Dick Newell in Topeka. Pete made a cherry cheesecake to celebrate Beverly and Dick's birthdays. They all enjoyed the cheesecake and coffee.

Thank You

I wish to express my

many expressions of

congratulations on my

Area DAR chapter meets

The Samuel Linscott chapter of the Daughters of the American Revolution (DAR) met on March 18, 2017 at the Denison State Bank conference room. Seven members were present.

Regent Tena Brucken led the opening ritual. Jerry Brees presented the president general's

March was Women's History Month. Many of the early members were history makers, and many current members have also made history.

DAR Archives has an ongoing exhibit called "Dazzling Daughters," which features members who were first ladies, writers, social reformers, educators, performers, scientists and many other professionals.

Sherry Durst gave the national defense report. The "Second Korean War" was this month's theme. This war was from Nov. 2, 1966 through Dec. 3, 1969. A memorial for this action is in Seoul and dedicated to those killed during the North Korean

Minutes from the February meeting were read and approved. Treasurer Brees gave the monthly report regarding the account.

Brucken reported about up-coming amendments to the KS-DAR Constitution during the state conference in April. She also requested members be ready to volunteer as chapter chair for the various committees in DAR.

It was decided that upcoming programs for the next year would be about the 12 Madonna of the Trail monuments throughout the United States. The closest is in Council Grove.

Under old business, Brees nominated Durst as the new chaplain. The nomination was seconded and after a unanimous vote, Durst was elected as chap-

The chapter is still discussing how to best utilize the money donated in memory of Gene Dick-

Plans are going forward to have the May meeting at the Be-Dunnah Guest House in Robinson to honor Emily Jane Stoll's 70th anniversary in DAR.

The next meeting will be held on April 15 at the Denison State Bank conference room on the Holton Square.
