Theresa Clark (right) of Holton perused an antique “book of adventures” dating back to 1909 that was offered for sale by Norma Baum of Holton, whose daughter, Lisa Strydom (left) of Topeka, was in town to help with the sale. Baum’s yard sale was one of several where bargain hunters could stop and browse as part of the Holton/Jackson County Chamber of Commerce’s annual citywide garage sale, held Friday and Saturday in the Holton area.

Two special events planned at Banner

By Ali Holcomb

Two special events are being planned at Banner Creek Reservoir this fall in partnership with the Holton/Jackson County Chamber of Commerce.

At a recent Jackson County Commission meeting, John Kennedy, Banner Creek Reservoir director, outlined the details of the events for the commission.

On Saturday, Sept. 30, a concert in support of area troops will be held at the reservoir featuring The Blake Camp Band.

The event will be held at 6 p.m. and will feature food, a concert and other family fun.

For entry, the public is asked to bring either a non-perishable donation or a Christmas gift to send to the troops. Free-will monetary donations will also be accepted.

The donations will be used to benefit the 2nd Battalion 130th Field Artillery.

Based out of Kansas City, Mo., The Blake Camp Band performs “honky tonk” music.

A week later, Saturday, Oct. 7, a “Touch-A-Truck” event will be held at the reservoir from 10 a.m. to noon.

The event will allow children of all ages to climb, explore and learn about many of the large and different vehicles used in the county, including emergency vehicles and large pieces of road equipment.

Admission will be a canned food item for donation to the Jackson County Food Pantry.

In other business, according to the approved minutes from Aug. 28, the commission:

New safety plan at HES explained

By Brian Sanders

Holton Elementary School Principal Beth Smith recently explained the implementation of a new safety procedure, known as “Clear the Halls,” that some students may have compared to a “lockdown.”

“There is a huge difference,” Smith said in comparing the “Clear the Halls” procedure to an actual lockdown. “One is used to alleviate crowds, and the other is for a serious threat.”

The procedure is used in such situations as overcrowding in the school’s hallways, medical emergencies or student disruptions. When the procedure is put into practice, students are asked to go

into their classrooms and remain there until they get “the all-clear,” Smith said.

A letter recently sent to parents and guardians of HES students detailed five different safety and emergency procedures in place and in practice at the school in response to parent concerns about the new procedure. In addition to “Clear the Halls,” those procedures include:

- Shelter in place, due to severe weather.
- On or off-campus evacuation, due to fire, gas leak or utility outage.
- Lockdown, due to threat of danger or serious incident outside the school.

Pioneer Day 2017

Mayetta festival in its 25th year

By Ali Holcomb

The 25th annual Mayetta Pioneer Day is set for Saturday, Sept. 16, and activities are being planned throughout the day to celebrate.

The day will feature food, displays, live music, games for adults and children and a parade.

“We’ve had nice sponsors and volunteers that have made this event possible over the years,” said Judy Darnell, event organizer. “This is my 25th year, and I’m looking forward to my next 25 years.”

Bob and Alma Morse will serve as the grand marshals for the parade, which will be held at 3 p.m. down Main Street. Drusa Wabaunsee has been selected at the Prairie Band Potawatomi Elder Queen.

The event is being sponsored by Mayetta Pioneer Days Association and the Prairie Band Potawatomi Nation.

Free train rides and covered wagon rides will be offered

along Main Street and other activities will include a model train display, a state flag display and a flea market.

A fiber arts and quilt show will be held in city hall, Darnell said. Items may be dropped off at city hall at 7 p.m. on Friday, Sept. 15.

More than 20 vendors are expected for the market, including Tupperware, Avon, jewelry, Christmas items and more.

The full schedule for Pioneer Day includes:

7 a.m. – Community breakfast served at the Masonic Lodge.

8 a.m. – Music and announcements throughout the morning from David VanMeter.

9 a.m. – Flea market opens and people may start signing up for games.

9:30 a.m. – Home plate race.

10 a.m. – Turtle race for children 16 and under. Bring your own turtle.

Fund-raiser set for Mayetta spray park

By Ali Holcomb

Members of the Mayetta Spray Park committee are hosting several activities during Mayetta Pioneer Days on this coming Saturday in order to continue to raise funds for the proposed recreation area.

Activities will be held downtown on Main Street and at the Mayetta City Park, which is where the proposed spray park would be built.

Committee members will be selling chili and chili dogs on Main Street near city hall. A homemade pie and baked goods auction will also be held in the afternoon. Anyone willing to donate a pie to the auction is asked to contact Liz Long at (785) 554-8411.

Chrysanthemums will be sold downtown as a fund-raiser, and committee members will also be selling and taking orders for wooden planter boxes.

At the city park, a garage sale will be held from 9 a.m. to 2 p.m. at the maintenance building. Donations for the garage

sale are still be accepted and those with donations are asked to contact Delaina Miller by Wednesday at (785) 207-0823.

Water balloon games and a slip-and-slide will be available at the park for children for a small fee.

Committee members are also organizing a “Touch-A-Truck” event, which allows children to explore large trucks and emergency vehicles up close.

The spray park committee will also have a float in the Pioneer Days parade, and area children are invited to bring a water squirt gun and be a part of the float. Line up for the parade is at 2:30 p.m. at the middle school.

The committee’s goal is to raise \$60,000 for the proposed spray park. So far, \$30,000 has been raised, it has been reported.

The proposed spray park would include several ground nozzles and above ground features on a concrete pad.

Purple Heart Profiles

Hudson fought in WWII, Korean War

Editor’s note: This is the 69th in a series of stories about past and present Jackson County residents who earned the Purple Heart Medal, which is awarded to military personnel wounded or killed in the line of duty.

The names of those profiled in these stories are among those placed on a special monument for Purple Heart Medal recipients now standing in Holton’s Linscott Park, although there are some soldiers whose names will be added to the monument at a later date. The story of one of those soldiers follows below.

Former Mayetta resident Rollie Hudson had a career of 32 years in the U.S. Army, including service in both World War II and the Korean War. It was during the latter conflict that he was wounded in battle, earning two Purple Heart medals.

Born Feb. 11, 1908, in Ozawie to John and Bertha Hudson, it is believed that Rol-

Rollie Hudson

lie Raymond Hudson first enlisted in the Army in 1930. He and the former Vera Marshall

Continued to Page 12

After months of fund-raising activities, the new digital billboard is now up and running at Holton High School, at the intersection of Ninth Street and New York Avenue. Mark Aeschliman, who spearheaded the fund-raising effort for the billboard, said the work that remains on the billboard involves landscaping and concrete work to prevent water from the high school building washing into it. About \$29,000 has been raised for the billboard, Aeschliman said, and donations are still being accepted for maintenance of the sign.

Homestead Apartments
400 Wisconsin, Holton

Land Transfers

The following land transfers have been filed with the Jackson County Register of Deeds Office at the Courthouse.
*Trustee's deed – Roger S. Coverdale and Bonnie G. Coverdale, trustees of the living trust in their names, dated May 26, 2012, to The Douglas L. Coverdale Living Trust, dated Aug. 5, 2014, the northwest fractional quarter of Section 18, Township 6 South, Range 14 East of the 6th P.M., Jackson County.
*Trustee's deed – Roger S. Coverdale and Bonnie G. Coverdale, trustees of the living trust in their names, dated May 26, 2012, to David Jeffrey Coverdale and Whitney Coverdale, husband and wife, the southwest quarter of Section 8, Township 6, Range 14 of the 6th P.M., Jackson County.
*General warranty deed – John R. Johnson, a single person, to Kathleen M. Mewhinney, Lots 1 and 2, except 5 feet off the south side, Block 1, city of Circleville, Jackson County.
*Quit claim deed – Deanna R. Wilcox, aka Deanna Wilcox, a single person, to Paul Wilcox, Lots 1, 3, 5 and 7, Block C, Iowa Avenue, University Addition to the city of Holton, Jackson County.
*Quit claim deed – Robert L. Dolezilek and Diana L. Dolezilek to the same as trustees of the trust in their names dated Aug. 18, 2017, Lots 77 and 79, Nebraska Avenue, city of Holton, and Lot 2 of the southeast

quarter of Section 20, Township 7 South, Range 14 East of the 6th P.M., Jackson County.
*Quit claim deed – Kenneth F. Holthaus and Kaye L. Holthaus, husband and wife, of Jackson County, to the same as trustees of the trust in their names dated Aug. 17, 2017, a tract of land in Section 27, Township 8 South, Range 15 East of the 6th P.M., Jackson County.
*Co-executor's deed – Harold Thomas Tosh and Shirley Van-Donge, co-executors of the will of Geneva Marie Tosh, deceased, to Desiree D. Taliaferro and Michael D. Taliaferro, wife and husband, as joint tenants, Lot 25 and the south 10 feet of Lot 27, Wyoming Avenue, Park Addition, city of Holton, Jackson County.
*Transfer on death deed – Gene Eby, aka Gene E. Eby, a single person, to Darla Stewart, a single person, and Penny Rippe, a married person, as tenants in common, Lots 16 and 17, Jones Addition, city of Holton, Jackson County.
*General warranty deed – Nancy J. Wessel and Leo J. Wessel, wife and husband, to Elizabeth Gaona, the north 50 feet of Lot 73 and the south 10 feet of Lot 75, New Jersey Avenue, city of Holton, Jackson County.
*Statutory warranty deed – F&L Enterprises, Inc. a Kansas corporation, to Michael F. Strunk, a tract of land in Section 9, Township 9 South, Range 16 East of the 6th P.M., Jackson County.

Sheriff's officers check into recent accidents in county

The Jackson County Sheriff's Office has reported the following accidents:
■ At 8 p.m. on Aug. 3, an unknown vehicle backed into a legally parked car on private property on 214th and P Roads. The parked car, a 2014 Ford, was owned by Roger Chartier of Holton, and it sustained damage to its front left quarter panel that was listed at less than \$1,000.
■ At 11:12 a.m. on Aug. 8, Albert Raye, 57, Whiting, was traveling on Kansas Highway 9 near T Road when his vehicle left the road to the north, entered the ditch and struck a culvert.
The vehicle went airborne and landed on its top after going through a fence. The fence was owned by Larry Amon of rural Netawaka. Raye's entire 2009

Honda Civic was damaged and towed from the scene. No injuries were reported.
■ At 4:33 p.m. on Aug. 11, Andrew Pino-Higareda, 17, Whiting, was traveling west on 278th Road. At the same time, Daryl Smith, 81, Whiting, was traveling east on the same road. According to the accident report, Smith's vehicle crossed over the center of the road and struck Pino-Higareda's 2002 Chrysler.
The Chrysler sustained damage to its front left bumper and hood that was listed at more than \$1,000. Smith's 2006 Ford sustained damage to its hood and front right bumper that was listed at more than \$1,000. Both vehicles were towed from the scene.

Mayetta Spray Park...

Continued from Page 1
The design includes a recirculation water system, which features an ultra-violet sanitizer that would allow water to be re-used and conserved. The park would be free to the public.
The spray park would include a timer box and activator button so it's not running when it's not being used, it was reported.
Since there is no standing water, lifeguards are not needed at the spray park.
The spray park would be built near the restrooms at the Mayetta park since a waterline is already established there.
The committee is planning additional fund-raisers later this fall. For more information, visit the Mayetta Spray Park Facebook page and www.mayetta.org

MEMORIES

Compiled from the Holton Recorder archives by Kendra Moppin

5 Years Ago

Week of Sept. 10-16, 2012

The 20th annual Mayetta Pioneer Days will be held this Saturday, Sept. 15, it has been announced.

For the 95th straight quarter (23rd consecutive year), Denison State Bank has been awarded the Five Star Superior rating from Bauer Financial Services. According to Bauer, fewer than 10 percent of banks in the nation have achieved this record.

The daily story time in Amanda Kennedy's kindergarten class at Colorado Elementary School in Holton turned into a history lesson on Friday afternoon, Sept. 7. Floye Knouft of Holton spent part of Friday afternoon in her great-granddaughter's kindergarten classroom reading books to the students, as well as sharing what school was like back when she taught at a one-room schoolhouse.

Jim Seeley, a 1978 graduate of Holton High School, has made a name for himself as a jazz trumpeter, earned a Grammy and traveled the world. Seeley will return to Holton this Saturday, Sept. 15, to perform during Holton Main Street's "Jazz on the Square."

On Saturday, Sept. 8, residents of Denison and the surrounding area got together to honor the town's 125th birthday.

10 Years Ago

Week of Sept. 10-16, 2007

Beck-Bookman Library in Holton now has a new sign located on the front of the building's east side. The new lettering was placed on Tuesday morning, Sept. 11. The library also noted 110 years of service to the people of Holton this year, it was reported.

Shawna Miller of Miller Law Office, LLC in Holton is hoping to impact youth in the Holton community by launching a Kiwanis Club. Holton did have one such club years ago, until it disbanded in the 1980s, according to Miller.

The new 19,000 square foot parking lot at Chapel Oaks Funeral Home in Holton is now complete, it has been announced. Owner Wayne Leiker has invited the public to try out the new parking lot and tour the facilities, which will also include a new state-of-the-art merchandise display system.

15 Years Ago

Week of Sept. 10-16, 2002

Across the nation, Americans paused on Wednesday, Sept. 11, to remember the horrifying event of a year ago. As a result of the tragedy, many things changed locally and nationally in regards to security and patriotism. People showed a desire to "come together" in a show of unity that not only stood in defiance of terrorism, but also opened its arms

Fall pruning: "Don't do it"

The advice from many experts regarding fall pruning is "don't do it," as it can cause more harm than good.

Pruning in the fall would stimulate new growth when a plant should be trying to go dormant.

New growth weakens the plant, which is not what a plant needs when it is heading into winter.

Fall pruning creates a wound that can result in a more severe winterkill.

Good Time To Prune

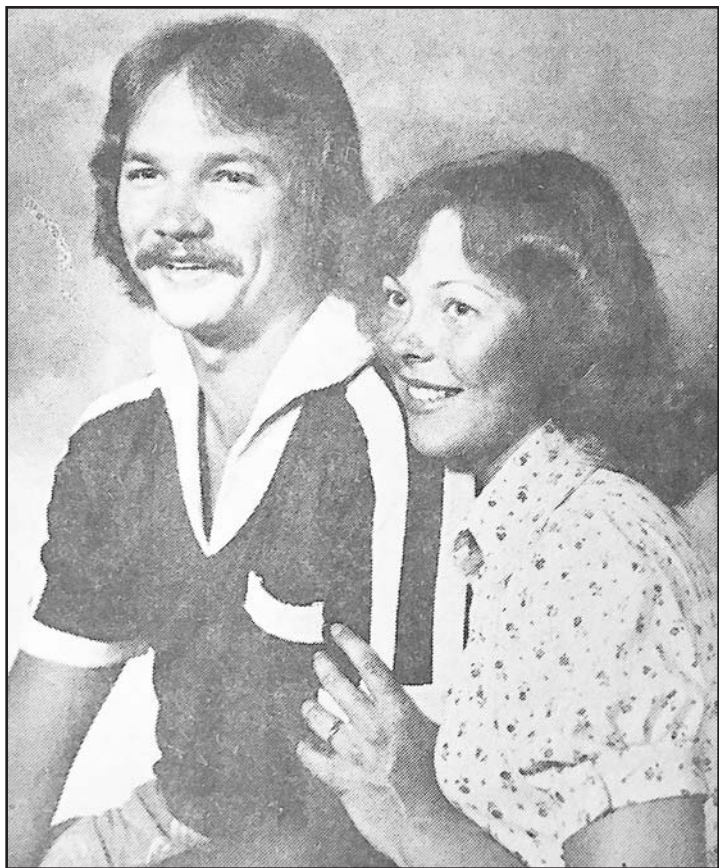

- Middle of winter or early spring if you absolutely can't stop yourself.
- When it is sunny and dry, as pruning while it is wet/damp outside will cause diseases to spread. Damp weather promotes mold and bacteria.
- In the spring once a plant has finished flowering.

Pruning Too Much

Most plants don't require pruning. Fruit trees and overgrown shrubs are really the only things that require it and helps them to produce more fruits and flowers.

Pruning Focus

- Dead or dying branches.
- Low hanging branches.
- Prune back to the main stem. Leaving a stub sticking out opens your tree or shrub up to bacteria or gives insects a home.

This week's "Blast From The Past" features a Holton couple's engagement photo from the late 1970s. Can you name them? Be the first person to call 364-3141 with their names! Last week's "Blast From The Past" featured mystery wrestler Mike Reichle, correctly identified first by Jim Dodson.

and doors to family, friends and neighbors.

Jason Jones has joined Wetmore's teaching staff, it has been announced. Jones has taken on grades six through eighth in social studies and sixth grade in science. When he's not teaching in the classroom, Jones will instruct junior high boys' physical education and coach both junior high track and high school boys' basketball.

Although there is still some finishing work to be done on the sidewalk on the south side of Mayetta's Main Street, some sections of the sidewalk have been completed, complete with a few engraved bricks. The entire project is expected to be completed in mid-to-late October.

25 Years Ago

Week of Sept. 10-16, 1992

The finishing touches were applied to a new marker at the Searles Bur Oak tree in Holton late last week. The plaque identifies the age and size of the tree, which is located near Seventh Street and Nebraska Avenue.

A tornado swept across mostly unpopulated countryside from south of Whiting to north of Denison on Saturday, Sept. 5, it was reported. While there was some damage to trees, power lines and structures, no injuries were reported.

Royal Valley senior tight end Jarrod Ogden and his Panther teammates were all smiles on Friday night, Sept. 4, after whipping Eudora 37-0 in the football season opener for both squads. Ogden, who caught three passes for 67 yards and one touchdown, impressed Coach Tom Barta by making one of his catches while lying flat on his back.

A potential eyesore became an eye catcher when Joan Dannenberg unleashed her creativity onto a huge tree stump lying on a lot in Holton. Although far re-

duced from its original 20-foot circumference, the stump of a silver maple tree is still of tremendous size. When Dannenberg found the stump was too large to move from the property that she and her husband own on Vermont Street, she turned it into a unique planter. Coleus, geraniums, moss rose, ivies and other plants peek from various dirt-filled, natural nooks and crannies in the old stump.

Diana Rieschick of Soldier recently completed the 30-hour pre-licensing course "Principals of Real Estate" and successfully attained her real estate sales license by passing the Kansas law and general real estate exams, it was reported. Rieschick will now join the real estate sales office at Kellerman Real Estate in Holton.

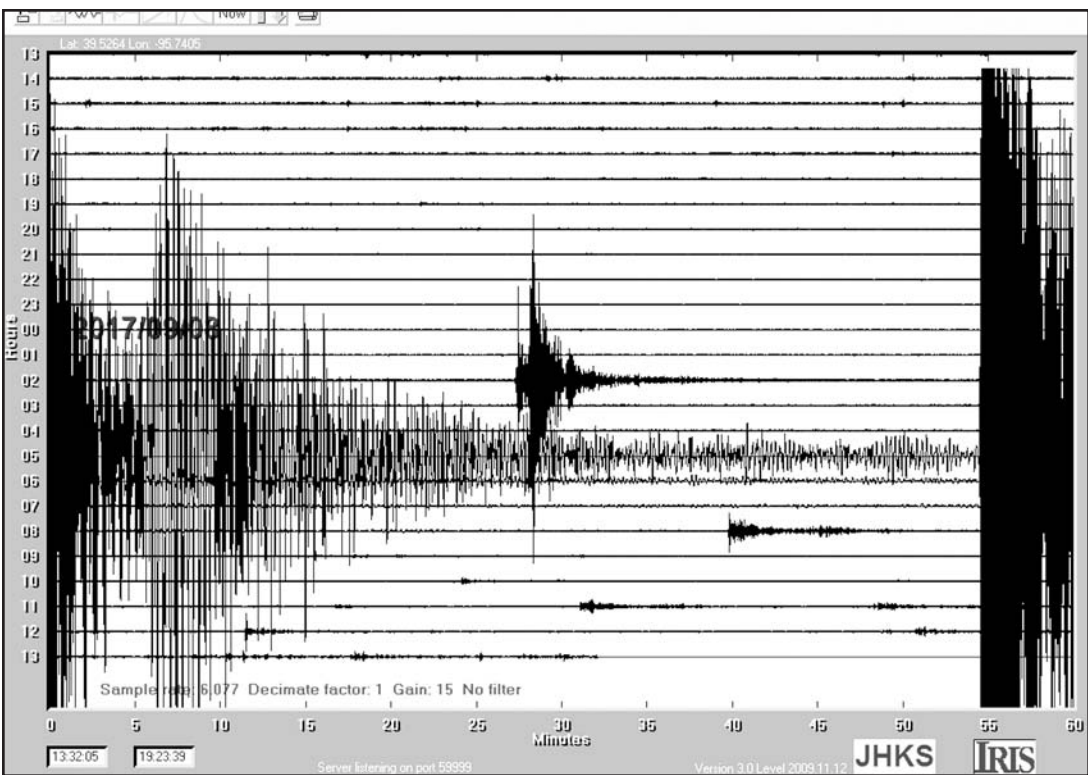

50 Years Ago

Week of Sept. 10-16, 1967

The Holton High School football team will open its 1968 football season on Thursday night with Luckey High School of Manhattan. This marks the first time that Luckey has been on the Holton schedule, it was reported. In addition to 11 returning lettermen this season, the Wildcats also have a new coach, H.L. Polson.

The Holton Hospital Auxiliary was organized on Sept. 6 in a meeting called for that purpose. The business included the election of officers, which included Mrs. Roger Lewis, president; Belle Hall, vice president; Mrs. Jim Bradley, secretary; and Mrs. Robert Rawlings, treasurer.

Work was progressing early this week on shaping up the new athletic field and track at Holton High School. The new field will be on the lower field north and east of the school's bus barn. The new field will include a practice football field and a regulation size track for track events.

Two large earthquakes were recorded on the seismometer at Jackson Heights High School and Middle school on Thursday, it was reported. The smaller one in the center of the picture is a magnitude 4.3 earthquake near Medford, Okla. The larger earthquake happened in Mexico and had a magnitude of 8.1, reported as the largest earthquake to hit Mexico in a century.

Conference wins award from UPCEA

The Women Managing the Farm Conference received the prestigious Engagement Award from the University Professional & Continuing Education Association (UPCEA), Central Region. The award was presented at the 2016 regional conference in Indianapolis.

The Engagement Award recognizes an outstanding partnership between a member institution and one or more external constituents such as local communities, corporations, government organizations or associations. The partnership should demonstrate a mutually beneficial exchange of knowledge and resources and result in a measureable and sustainable shared impact in areas such as economic development, community development, workforce training or capacity building.

The Women Managing the Farm Conference has been held annually since 2005, serving approximately 250 participants per year.

One participant noted that the conference is of great value to her, providing new information, support and motivation among the participants, and networking with others that she could not find elsewhere.

The 2018 Women Managing the Farm Conference is scheduled for Feb. 15-16 in Manhattan. Information, including registration, can be found at www.womenmanagingthefarm.com

OPINION

End DACA, help dreamers become U.S. citizens

U.S. Attorney General Jeff Sessions has announced the White House's plan to rescind protections for young immigrants who were brought to the United States illegally as children, but with a six-month grace period to let Congress respond.

What the United States should really do, however, is just stop offering the protections that were offered on a specified date – Dec. 31, 2017, for example.

The federal program in question, Deferred Action for Childhood Arrivals (DACA), has been granting those who qualify for the program a reprieve from deportation, which they or their family must renew every two years.

The White House claims that DACA, which President Barack Obama announced in 2012, is illegal.

The horse is already out of the barn, regarding those immigrants who have been taking advantage of DACA so far. It's too late to do anything with them, except help them all become good U.S. citizens.

The government will need to give these people a path to U.S. citizenship because they are already here.

Over the last five years,

DACA has become a core part of America's porous immigration landscape: DACA has been granted to more than 800,000 illegal immigrants.

Its flat repeal would upend the lives not only of these "Dreamers," as participants are called, but also of their families, co-workers and employers.

The U.S. government would not look good, if it tried to deport all of these people now.

There is no question, however, that the U.S. must start enforcing its immigration policies and stop allowing illegal immigration to move into this country.

We're a better country when everyone living here learns the common language and works to become better and legal citizens. The goal of all immigrants should be to become good U.S. citizens.

By definition, there is a legal way to enter this country. That's the way that we must promote.

Terroristic threats against our country and our people also requires that the government does more at the geographical borders to keep potential terrorists from even entering this country.

Mayetta City Council reports August business

The Mayetta City Council held a public hearing at 6:45 p.m. on Wednesday, Aug. 2, for the purpose of hearing and answering questions pertaining to the 2018 proposed budget.

Mayor Jonathan Wimer opened the public hearing at 6:45 p.m. Present were Mayor Wimer and council members Kevin Decker, Rudy Schmidt, Dan Whiteman and Shelley Ramage. Also present was city clerk Grace Bowser.

There was no public in attendance and no written comments were received. Mayor Wimer closed the public hearing at 6:59 p.m.

The Mayetta City Council held its regular scheduled meeting at 7 p.m. on Wednesday, Aug. 2, in city hall. Mayor Wimer called the meeting to order at 7 p.m.

Present were Mayor Wimer and council members Schmidt, Ramage, Decker and Whiteman. Absent was Darrel Chapman.

Whiteman motioned to adopt the 2018 budget as submitted. Ramage seconded the motion. It was approved on a 4-0 vote.

Officer Steve Rupert reported that a dog was attacked by another dog and killed. The owner of the attack dog was cited for vicious animal.

Mayetta participated in the state step program for speeding.

A complaint was received about 121 E Main St., saying there is black mold in the building and the front is not stable.

The council discussed the standard traffic and UPC code

ordinance. It was tabled until next month.

The council reviewed the monthly financial reports.

Ramage motioned and Whiteman seconded to approve the monthly consent agenda including the minutes of July 5 and the monthly payment voucher. It was approved on a 4-0 vote.

City Clerk Bowser was asked by the business association to take over the payment of the City of Mayetta sign on the highway.

Schmidt motioned to take over the \$150 biannual payments for the city sign. Whiteman seconded the motion. It was approved on a 4-0 vote.

The park benches and picnic tables purchased with the money from the waste tire grant have been delivered and put together, it was reported.

Whiteman said the splash park committee will be holding another fund-raiser during Pioneer Day on Sept. 16. The splash park committee has hit the \$30,000 mark in its fund-raising, it was reported.

Whiteman asked the council to reconsider purchasing the asphalt sealing equipment.

Ramage motioned to purchase the asphalt sealing equipment and the asphalt for a total cost of \$3,527. Whiteman seconded the motion. It was approved on a 4-0 vote.

The meeting was adjourned at 8:20 p.m.

Submitted by Grace Bowser, city clerk

Federal programs assisting dairy producers explained

The U.S. Department of Agriculture (USDA) Farm Service Agency (FSA) has announced that starting Sept. 1, dairy producers could start enrolling for 2018 coverage in the Margin Protection Program (MPP-Dairy).

Secretary Sonny Perdue has utilized additional flexibility this year by providing dairy producers the option of opting out of the program for 2018, it was reported.

"Secretary Perdue is using his authority to allow producers to withdraw from the MPP Dairy Program and not pay the annual administrative fee for 2018," said acting deputy under Secretary for Farm Production and Conservation Rob Johansson. "The decision is in response to requests by the dairy industry and a number of MPP-Dairy program participants."

To opt out, a producer should not sign up during the annual registration period. By opting out, a producer would not receive any MPP-Dairy benefits if payments are triggered for 2018. Full details will be included in a subsequent Federal Register Notice. The decision would be for 2018 only and is not retroactive.

The voluntary program, established by the 2014 Farm Bill, provides financial assistance to participating dairy producers when the margin – the difference between the price of milk and feed costs – falls below the coverage level selected by the producer.

MPP-Dairy gives participating dairy producers the flexibility to select coverage levels best suited for their operation. Enrollment ends on Dec. 15, 2017, for coverage in calendar year 2018.

Participating farmers will remain in the program through Dec. 31, 2018, and pay a minimum \$100 administrative fee

for 2018 coverage.

Producers have the option of selecting a different coverage level from the previous coverage year during open enrollment.

Dairy operations enrolling in the program must meet conservation compliance provisions and cannot participate in the Livestock Gross Margin Dairy Insurance Program.

Producers can mail the appropriate form to the producer's administrative county FSA office, along with applicable fees, without necessitating a trip to the local FSA office.

If electing higher coverage for 2018, dairy producers can either pay the premium in full at the time of enrollment or pay 100 percent of the premium by Sept. 1, 2018. Premium fees may be paid directly to FSA or producers can work with their milk handlers to remit premiums on their behalf.

USDA has a web tool to help producers determine the level of coverage under the MPP-Dairy that will provide them with the strongest safety net under a variety of conditions.

The online resource, available at www.fsa.usda.gov/mpptool, allows dairy farmers to quickly and easily combine unique operation data and other key variables to calculate their coverage needs based on price projections. Producers can also review historical data or estimate future coverage based on data projections. The secure site can be accessed via computer, Smartphone, tablet or any other platform, 24 hours a day, seven days a week.

For more information, visit FSA online at www.fsa.usda.gov/dairy or stop by a local FSA office to learn more about the MPP-Dairy. To find a local FSA office in your area, visit <http://offices.usda.gov>

INSIGHT

Recalling people behind the stories

By John Schlageck
Kansas Farm Bureau

Whether a writer has written for 40 months or 40 years, most of us have collected, filed or shelved evidence of our work.

The amount varies from a few stories, to several boxes and to possibly hundreds of gigabytes.

Most of these collections include every magazine issue that has showcased our work. Every column we have penned. And don't forget every photo that's graced a magazine cover and the stories inside.

Radio shows, printed components of a promotional campaign – you name it, it's probably collecting dust somewhere.

Why do we keep these stories?

For one thing, it authenticates our careers. The people we've interviewed. What we've written, and sometimes we return to such works.

We may even read them ourselves or show them to others who may choose to catch a glimpse of the stories we've written. Anything that reminds us of what we've done, seems to satisfy.

While reading through such archives, it's not always about the words we've written or the photographs of the people we've visited that rekindle our emotions and memories. Sometimes it's a segment of the story we didn't write or couldn't.

It might have been about the dairy farmer in south-central Kansas who finally took his wife on a vacation after 30 years. It included a trip to Wisconsin to visit his wife's mother.

Another untold story might have included the broken-hearted cattleman in southwestern Kansas who lost half of his momma cows in last spring's wildfire. Would he ever be able to stand the pain of losing another precious animal he took responsibility for?

Or the story in the eyes of a farm couple who toured the first wind energy farm in southwest Kansas. Their sorrowful lament at seeing the turbines spinning slowly in the Kansas wind, "Why couldn't they have been on our land?"

How about the nine-foot tall, red granite monolith firmly planted on the farm of another western Kansan. What was the rest of this story?

Could this have signaled his displeasure about the dairy policy of a previous U.S. president?

These tales are many and as varied as the people who tell them. They're real and impact the livelihoods of families throughout our state – some for generations.

Some surely would provide insight into the lives of those (farm/ranch journalists) who wrote them. The logistics involved in setting up and conducting interviews. Working around the harried schedules of farmers and ranchers during calving season, fall harvest or planting a winter wheat crop during an unusually wet autumn.

And the weather – now there's a constant fly in the proverbial ointment. How many times has weather changed or altered plans of both the farmer/rancher, writer or both?

How about when farmers or ranchers couldn't, or wouldn't, reveal what we knew they understood so we could share this story with others?

Through it all, we choose to remember the good ones. Those experiences, people and stories we'll never forget. We cling to such memories.

That sage old farmer from Furley who spoke with a voice of reason, wisdom and common sense. When he rose to his feet to talk, everyone listened. He's no longer with us.

Or the articulate farm lady, with hair the color of snow, who impressed us with her knowledge and innovative spirit?

She was a force to be reckoned with and revered within the farm community.

Today, she lives in her twilight years.

People change. The years fly by. No one out there is exactly the way they were when we met them, or remember them.

Neither is the landscape and we aren't either.

Technology and time wait for no one. Both leave us bobbing in their wake. We either climb aboard or fade away.

We're all shoe-box museums of different sizes filled with artifacts we rarely discuss but rely on to prove who and what we were then, and are now. Still, they're important for a far more important reason.

They kindle in us what we must still become as we carry on work in this vital industry of which we are a part – agriculture.

Note: John Schlageck is a commentator on agriculture and rural Kansas. Born and raised on a diversified farm in northwestern Kansas, his writing reflects a lifetime of experience, knowledge and passion.

OBITUARIES

Sales

Wendel W. Sales, 101, Valley Falls, died Thursday, Sept. 7, 2017, at Midland Care at Linnwood Park Home Plus at Valley Falls. He had lived independently in his own home until two weeks prior to his death.

He was born May 9, 1916, at Ozawkie, the son of James Thomas and Lottie Owens Sales. He graduated from Valley Falls High School in 1934.

Mr. Sales served in the U.S. Army during World War II and fought in the Pacific Theatre. He was awarded a Bronze Star. He was a farmer-stockman all of his life, and he had farmed in the Denison area.

He was a 34-year member of the Valley Falls Rotary Club and was a Paul Harris Fellow. He was a member of Graham-Herbers Post 3084, Veterans of Foreign Wars.

He married Georgia M. Coleman on April 8, 1948, at Denison. She died June 25, 1995. He was also preceded in death by two brothers, Minford "Chic" and Calvin Sales.

Survivors include a son, Daryl Sales and wife Linda, Valley Falls; a daughter, Cheryl Johnson and husband Kirk, Topeka; and five grandchildren, Kyle and wife Bethany, Craig, and Mark Johnson, and Justin and Amanda Sales.

Funeral services were held Monday morning at Mercer Funeral Home in Valley Falls. Burial followed in Valley Falls Cemetery with military honors by Graham-Herbers VFW Post 3084.

Memorial contributions may be made to Jefferson County EMS District 11 or to Graham-Herbers VFW Post 3084 Veterans Memorial Project at the Valley Falls Cemetery, sent in care of Mercer Funeral Home, P.O. Box 6, Valley Falls, KS 66088.

Holton Recorder 9/11/17

Hubach

Elaine Myrtle Hubach, 74, Mayetta, died Sunday, Sept. 10, 2017.

She was born Nov. 8, 1942, in Lusk, Wyo., the daughter of the Rev. Millard and Myrtle Paulson Marshall. She graduated from Onaga High School in 1960 and attended Emporia State University for two years.

Mrs. Hubach lived in the Mayetta and Denison area for the past 44 years. She was a homemaker and housewife.

She was a member of Mayetta United Methodist Church and Order of Eastern Star.

She married Ted Hubach on April 8, 1967, in Keosauqua, Iowa. He survives.

Other survivors include two daughters, Diana Kern and husband Adam, Meriden, and Audrey Howard and husband Peter, Boxford, Mass.; a sister, Laurel Becker, Augusta; four grandchildren, Jeremy Kern, Tana Kern, Peter Howard Jr. and Andy Howard; and three great-grandchildren, Jacie, McKenzie and Brodie. She was preceded in death by her parents and a brother, Bill Marshall.

Memorial services will be held at 10 a.m. Thursday at Mercer Funeral Home in Holton. Family will greet friends from 6 p.m. to 7:30 p.m. Wednesday at the funeral home.

Memorial contributions may be made to Mayetta United Methodist Church, sent in care of Mercer Funeral Home, P.O. Box 270, Holton, KS 66436.

**OCTOBER
SUBSCRIPTIONS
ARE NOW PAYABLE**

Spiker

Micheal Spiker, 68, Wetmore, died Thursday, Sept. 7, 2017 at Stormont Vail Hospital.

He was born Jan. 10, 1949, in Holton, the son of Melvin "Pete" and Norma Grubb Spiker. He graduated from Wetmore High School in 1968.

Mr. Spiker worked as a welder for Rockwell International in Atchison for more than 18 years.

He was a member of Wetmore United Methodist Church.

He married Sharon A. Swanson on Dec. 23, 1998, in Hia-watha. She survives.

Other survivors include eight children, Jamie Spiker, Olathe, Jared Spiker and wife Amy, Holton, Paula Henry and husband Alan, Wetmore, Dawna O'Dell and husband Brian, Netawaka, Janette Fund and husband Jeremy, Delia, Jennifer Cochran, Centralia, J.R. Spiker and wife Blair, Alma, and John Cochran and wife Michelle, Wetmore; 16 grandchildren; and many great-grandchildren. He was preceded in death by his parents; a sister, Cynthia Ann Spiker; and a brother, Patrick Ralph Spiker.

Inurnment will be held at a later date.

Memorial contributions may be made to the Sons of the American Legion, sent in care of Mercer Funeral Home, P.O. Box 270, Holton, KS 66436.

Holton Recorder 9/11/17

Colhouer

Darrell Ray Colhouer, 79, Topeka, died Thursday, Sept. 7, 2017.

He was born Jan. 30, 1938, in Hoyt, the son of Orville Colhouer and Inez Cunning Colhouer.

Mr. Colhouer owned and operated Darrell's Service for more than 31 years.

He married Marilyn Kay Williams on Nov. 27, 1959, in Frankfort. She survives.

Other survivors include two sons, Kevin Colhouer and wife Becky and Brent Colhouer and wife Stacy; five grandchildren, Melissa Carter and husband Jeremy, Ashley Colhouer, Lance Colhouer, Kolton Colhouer and Kaylon Colhouer; two great-grandsons, Mason and Nixon Carter; a sister, Charlene Nesmith; and other relatives. He was preceded in death by his parents and two brothers, Don and Tom.

Memorial services will be held at 10:30 a.m. Wednesday at Penwell-Gabel Parker-Parker Price Chapel, 245 N.W. Independence Ave., Topeka. Visitation will be held from 5 p.m. to 7 p.m. Tuesday at the funeral chapel.

Memorial contributions may be made to Pleasant Hill United Methodist Church, 4525 N.W. Button Road, Topeka, KS 66618; or Midland Hospice Care, 200 S.W. Frazier Circle, Topeka, KS 66606-2800.

Holton Recorder 9/11/17

Circleville UMC

By Sue Wichman

Sept. 10 was a beautiful late summer morning as the congregation gathered at Circleville United Methodist Church.

Leesa Harshaw, pianist, played "Heavenly Sunshine/Sunshine In My Soul/He Keeps Me Singing" for a lively prelude while Sue Wichman lighted the altar candles.

Lay pastor Charlotte Milroy asked for announcements before leading the call to worship, the opening prayer, the psalter and the affirmation of faith.

Isaac Duryea read the scripture lesson from Exodus 12:1-14 and Romans 13:8-14.

The hymns were "Come Thou Almighty King," "Be Thou My Vision" and "Shall We Gather At The River." Dawn Duryea served as song leader and Leesa provided the accompaniment.

Dawn played a flute solo, "Giga From Sonata," for the

special.

Charlotte's message was about forgiveness. Forgiveness, like grief, is a process. We hurt, we hate and we heal. No two people go through the process in the exact same way.

"Forgiveness may be the hardest work that you and I will ever do." When we are able to heal and forgive the person who has hurt us, we can let go of the pain that is binding us to the past and move on.

Leesa played "Great Is Thy Faithfulness" while Verlin Wichman received the morning offering.

Thersa Wade assisted Charlotte in offering Holy Communion. Leesa played "Oh Lord, You're Beautiful/Turn Your Eyes Upon Jesus/My Jesus, I Love You" during this time of meditation. The service closed with "God Be With You Till We Meet Again."

Public Notice

(Published in The Holton Recorder, Holton, Kan., on Monday, Sept. 11, 2017.)

BEFORE THE JACKSON COUNTY APPEALS BOARD

NOTICE OF HEARING

TO ALL PARTIES CONCERNED:

You are hereby notified that the Jackson County Board of Zoning Appeals will meet at 8:00 p.m., the 12th day of October, 2017 located at 400 New York Ave., Holton, Kansas in the Court House Room 104 to consider the following application.

Application filed by Carl Meadows, requesting a Special Use Permit for Temporary placement of a

Manufactured Home on the following described real estate:

Beginning 1,096 feet South of the Northeast corner of the Southeast Quarter of Section 21, Township 7, Range 16 East of the 6th P.M., thence West 409 feet; thence North 548 feet; thence East 419 feet; thence South 548 feet to the point of Beginning, Jackson County, Kansas

Property located at 20857 W Rd., Holton, KS 66436.

The public is invited to the hearing to express their opinion on the application.

Jason Claycamp
Zoning Administrator
Jackson County, Kansas
L72t1

Kientz Corner

By Beverly Ramey Newell

On Sept. 3, the Pleasant Hill United Methodist Church congregation opened its worship service by singing "He Leadeth Me: O Blessed Thought."

The birthdays for Sept. 3 through Sept. 9: Kevin McDowell, Sept. 5; Sandy Old and Carmen Sellens, Sept. 6; Breanna Dowd, Mark Searles and Lindsay Smith, Sept. 7; Ron Griffiths and Tenley Walder, Sept. 8; and Pastor Hyun-Jin Cho, Sept. 9.

The anniversaries for the week were Mike and Mary Neely, Sept. 4, and Wayne and Helen Matson, Sept. 7.

The concerns were prayers for Joy Jepson, who is in the hospital with kidney stones; the family of Jo Rae Krogman; the family of Larry Morgan; and the victims of the flood.

A joy was that the members of the church are making cleaning kits for the people in Texas.

The children's story was given by Brian Smith. Sometimes it is hard to make choices. A boy named Ben had a lot of copper pennies. One day, Ben was on his way to the store to buy a toy with all his pennies.

He happened to see a friend on his way to the store. His friend had a neat whistle. His friend sold his whistle to Ben for all his pennies. Ben's brother told him he paid too much for the whistle.

We need to put God first and give Him our heart, our mind and follow Him.

Kay Jones-Ray read the scriptures Matthew 9:35-38 and 10:1-4.

The sermon "I Visited A Playground" was given by the Rev. Hyun-Jin Cho. Pastor Jin took his three children to a playground to play. He sat on a bench and told his children to go play. He was looking at his cell phone and other adults there were doing the same thing. He just decided to play tag with his children. The children were glad and happy to play tag with their dad.

A little girl wanted to play with them. Then a boy and an-

other girl wanted to play tag with them. There was a lot of joy and fun in playing with the children.

When they were done playing, there was one little girl who could not find her mother. Pastor Jin and his children helped her look for her mother in the parking lot. They found her mother sitting in her car. They were so glad to find her mother.

The people in Texas are having a tough time. A lot of people are helping in many ways. Our church is making cleaning kits to give to people in Texas to help them with the job of cleaning up after a flood or hurricane.

The communion elements were served by Pastor Jin, Kay Jones-Ray, Ron and Linda Griffiths, Nick and Karen Nicolay and Linda Smith.

The closing hymn was "Take

Up Thy Cross."

There were three beautiful vases with white gladiolas flowers on the altar. These were from Kristy Beatty and Richard Andrews' wedding, which was on Sept. 2.

Those assisting with the service were Kay Jones-Ray, liturgist; Greg Baldwin, organist; Deb Mannell, sound system; Molly Strobel, acolyte; John Wilson, song leader; and Nick Nicolay, Linda Reed and Gary and Barbara Slimmer, usher team.

The HHS Invitational cross country meet was held at the Banner Creek Reservoir course on Thursday. The top photo here shows Jackson Heights runners, left to right, Dalton Chartier, Xavier Fritz and Drew Holliday competing. Chartier took sixth, Fritz 19th and Holliday 10th. In the photo at right, Royal Valley's Katie Hanshaw is shown competing. Hanshaw finished 15th in the girls race. In the third photo from the top, Jackson Heights' Shelby Phillips is shown competing. Phillips finished 11th in the race. In the bottom photo, Holton's Mason Chanay is shown competing. Photos by Michael Powls

Cobras 2nd at tourney

By Brian Sanders
The Jackson Heights High School Lady Cobras varsity volleyball team took advantage of some non-Northeast Kansas League wins and a second-place finish at Saturday's Frankfort Invitational to boost their overall record for 2017 after going 1-3 against a pair of Atchison-based teams at a Thursday meet.

The Lady Cobras — now 2-2 in the league, 9-5 overall — headed to Atchison on Thursday for a quad with Atchison, Maur Hill-Mount Academy and Doniphan West.

That afternoon's matches opened with a tough three-game loss to the Atchison's Lady Red team, 25-13, 21-25, 25-21. The match saw Karley Dieckmann leading the way with 13 digs, two aces and six kills, followed by Abby Williams with 11 digs, seven blocks and three kills.

Up next was Doniphan West, and the Lady Cobras rebounded with a seemingly easy straight-set win over the Mustangs, 25-9 and 25-10. Jackson Heights was led in the second match by Kylie Dohl with seven kills and seven digs; Williams, with five digs, three kills and three aces; and Dieckmann, with four kills and three aces.

In the nightcap, however, Maur Hill-Mount Academy took down the Lady Cobras in straight sets, 25-16 and 25-13. Dohl led the team with five kills and seven

At Holton Invitational...

Cobras 2nd, Panthers 4th, Wildcats 9th

By Brian Sanders
Hiawatha's Red Hawk runners dominated Holton's cross-country invitational on Thursday at Banner Creek Reservoir, but the Jackson County-area's cross-country runners made their marks at the meet as well.

Royal Valley's Garrett Hicks took fifth place, Jackson Heights' Dalton Chartier finished sixth and Wetmore's Jonathan Hladky Bailey came in seventh out of a field of 73 in the varsity boys' run, which saw the Cobra team finishing second overall, Royal Valley finishing fourth and Holton taking ninth.

Other strong finishers for Jackson Heights were Drew Holliday, finishing just outside the top 10, AJ Mock with a 17th-place finish and Xavier Fritz taking 19th. Royal Valley's team score was complemented by Nue Tinajero in 15th, while Holton's runners were led by Wyatt Marriott in 30th.

In the varsity girls' competition, Wetmore's Alena Pfrang took fourth while Jackson Heights' Shelby Phillips finished just outside the top 10 in a 58-runner competition. The Jackson Heights team took fourth in the competition, while Royal Valley's team finished ninth.

Phillips, coming in 11th, and teammate Hanna Davault, in 13th, added to the Cobras' team score, while for Royal Valley, Katie Hanshaw led with a 15th-place finish and Chloe Richter rounded out the top 20. Holton's top runner was Paige Paxton, coming in 33rd.

In the junior varsity races, Hiawatha again finished first on the boys' side despite a trio from Perry-Leocompton taking the top three spots. Jackson County's runners were led by Masen Spoonhunter of Royal Valley, taking sixth in a field of 55, followed by Devon Hale, Holden Mundy and Quo-Jon Tye taking eighth through 10th, respectively, for the Panthers.

Stella Rector of Royal Valley led the way for Jackson County's JV girls, finishing seventh, with teammates Megan Keehn and Paige Ogden finishing 10th and 11th, respectively.

For Holton, head coach Darin Stous said many of the runners on the Wildcat team set personal records at the meet, which featured "a more challenging course."

The varsity Wildcats will next run on Thursday at Hiawatha, while Royal Valley's next varsity meet will be held Thursday at McLouth and the Cobras will

run Thursday at Onaga.

Wildcats take 2nd at Riley County

By Ali Holcomb
The Holton High School varsity volleyball team took second place at the Riley County tournament Saturday.

The Lady Wildcats beat Valley Heights in the semifinals but fell to host Riley County to earn the second-place finish.

Other schools in the tournament included Clay Center, Jefferson County North, Chapman, Mission Valley and St. Marys.

Holton started pool play with a win against Clay Center in three sets, 25-19, 19-25 and 25-22.

Next, the Wildcats defeated Chapman 25-20, 22-25 and 25-22 but fell to St. Marys 25-21, 18-25 and 17-25.

In the semi-finals, Holton won 25-18, 15-25 and 25-17 against Valley Heights to advance to the finals against Riley County.

The Lady Falcons came out strong against the Wildcats and won the tournament in straight sets, 25-21 and 25-21.

The Lady Wildcats split a pair of Big Seven League matches with Jefferson West here Tuesday.

In the first match, the Wildcats won in straight sets, 25-20 and 25-18.

During the match, junior Regan Baum had eight kills in 20

attempts, and junior Josie Marriott had six kills in 14 attempts. Marriott also had two blocks.

Both Sarah Lierz and Shay Tanking, who are both seniors, had ace serves during the match.

Tanking led the team in digs with 18 in the two sets. Baum followed with 10.

The Lady Wildcats and the Lady Tigers battled back and forth in the second match before Jeff West won in straight sets, 26-24 and 30-28.

In the two sets, both Baum and Marriott each had seven kills.

Tanking had 14 digs followed by 13 from Baum.

The Wildcats had three ace serves and a total of eight blocks during the second match.

Holton will travel to Wathena on Tuesday to face Riverside. Games begin at 5 p.m.

Scoring
Varsity:
Holton def. Jeff West: 25-20 and 25-18.

Jeff West def. Holton: 26-24 and 30-28.

Junior varsity:
Holton def. Jeff West: 20-25, 25-20 and 25-13.

Holton def. Jeff West: 25-21, 13-25 and 26-24.

Freshmen:
Holton def. Jeff West: 25-17 and 25-21.

Holton def. Jeff West: 25-20 and 25-17.

The Holton Wildcats hosted the Sabetha Bluejays in varsity football action here last Friday night with the Bluejays winning 21-0. A defensive battle, the Bluejays took advantage of better field position and better specials teams play to win the Big Seven League game. The longest run from scrimmage for either team was about 10 yards.

Photo by Michael Powls

Wildcats drop Big 7 League football game

The Holton Wildcats gave up 21 points in the first half of the varsity football game against Sabetha here Friday night, but then held the visiting Big Seven League Bluejays scoreless in the second half.

Sabetha's defense held Holton's offense in check in the first half, holding the host team to just 30 yards rushing through two quarters and just two first downs.

Meanwhile, the Bluejays' offense scored on three of its first four possessions, with three of those possessions starting in Wildcat territory.

It was reportedly the first time the Wildcats had been shutout on the home field in 22 years.

Sabetha improved to 2-2 and Holton dropped to 1-1. This Friday, Sabetha will host Jeff West (2-0) and Holton will travel to Nemaha Central (2-0).

Sabetha's first drive ended at the Wildcats' two-yard line.

Holton fumbled on its second possession with Sabetha recovering the ball at the Holton 20-yard line. Joe Gruber scored for Sabetha from the two-yard line.

The visitors' second touchdown came after a 39-yard punt return by Sabetha's Wyatt Beyer that placed the ball at the Holton one-yard line. Gruber carried the ball into the end zone from there.

The third Sabetha TD came on a nine-yard run by Mason Engelken with 4:23 left in the second quarter that wrapped up

a successful 11-play, 64-yard run.

"We did struggle a little with injury and illness in the week leading up to the Sabetha game," said HHS head coach Brooks Barta. "We were not well prepared for an odd front defense, which was something Sabetha had never played against us before. However, probably our number one problem was that we lacked football intelligence. We took poor tackling angles and failed to make adjustments on offense. On defense, we made some very simple mistakes that cost us giving up first downs."

Sabetha rushed for about 100 yards in the first half on 26 carries and passed for about 30 more on two completions, picking up six first downs along the way.

Holton kicked to Sabetha to start the second half and held the Bluejays on three downs, forcing them to punt.

Holton took over possession of the ball at its own 41 and senior fullback Dylan Aeschlimen reeled off an eight-yard run that ended up being the team's longest run from scrimmage in the game. The Wildcats picked up one first down on the drive before being required to punt into the Bluejay end zone.

Sabetha punted next on a fourth and one situation at their own 27. After Holton took over at its 29, the Wildcats could do no better and punted with 3:00

left in the third quarter.

Holton forced Sabetha to punt on its next possession, also.

The Wildcats' offense showed some spark on its next possession as QB Mason Strader, on a third down and 10 yards to go play, the final play of the third quarter, connected with Cael Jackson on a 20-yard pass that took the ball to the Sabetha 27.

The Wildcats kept the ball rolling for a total of 19 offensive plays in the drive with a steady dose of short gains by Jackson, Aeschliman, Strader and Trey Wright.

The drive ended at the Sabetha 13-yard line on an incomplete pass from Strader to Aguirre.

The Wildcats had another big defensive play in the fourth quarter as Kyler Tannahill recovered a Bluejay fumble at the Sabetha 48.

The Wildcats earned a first down on its next possession and Wright got loose for a 32-yard run but it was called back due to a holding penalty.

"Our defense played pretty well, however we made simple mistakes in alignment and stunts that gave their offense opportunities" Barta said. "We did not make any defensive adjustments at halftime. We just made fewer mistakes in the second half."

Unofficially, Holton finished with 129 yards on 52 carries and 20 yards on one of four pass attempts. The Wildcats had one turnover, eight first downs and six penalties for 40 yards.

■ Holton CC

(Continued from Page 6)
Other individuals: 11. S. Phillips (Jackson Heights) 24:19.28, 13. H. Davault (Jackson Heights) 24:25.69, 15. K. Hanshaw (Royal Valley) 24:42.56, 20. C. Richter (Royal Valley) 25:15.25, 26. K. a touchdown, it was noted.

Up next, the Cobras will head to Oskaloosa on Friday for a match-up with the Bears, who are also 2-0 in the NEK league and overall after last Friday's 36-12 win over Horton. Wick said restricting the Bears' speed will be key to another road win for the Cobras.

"Oskaloosa's a very fast football team," he said. "They're not an overly big football team, but their skill positions are very, very fast. We're going to have to limit them on getting to the outside for sure."

Cobras beat Rams

By Brian Sanders

Defense was key to the second win of the 2017 football season for Jackson Heights, Head Coach Caleb Wick noted after the Cobras' 38-6 win over Pleasant Ridge on Friday.

"Defensively, it was a collective effort. Whenever you can hold an opponent to less than 100 total yards going into the fourth quarter, it's hard not to feel good about what you're doing on the defensive side of the ball," said Wick, whose team now holds a 2-0 record both overall and in the Northeast Kansas League.

Wick said despite the somewhat lopsided score, the match-up between the Cobras and the Rams was one that was well-fought.

"I thought Pleasant Ridge came out and played very well," he said. "They looked night-and-day better than they looked on film from week one. It was a very, very physical football game, and I think we wore them down a bit in the second half."

Much of that, Wick emphasized, was due to the defense's effort, led by Sebastian Butto with 10 tackles and Carson Williams with nine, along with quarterback sacks from Garrett Hartman and Lane Thomas.

On the other side of the ball, Wick said the Cobras "just kept plugging away, two or three yards at a time." Brady Holliday led the Cobras with 159 yards on 26 carries, including a pair of TDs.

"He was the catalyst of the offense, for sure," Wick said of Holliday.

Cooper Williams also played a role in the attack on the Rams, going two for two passing for 37 yards, including a touchdown pass to Braden Dohl, and rushing for 23 yards on 10 runs. Garrett Hartman ran for 21 yards on nine carries, including

digs, followed by Williams with six digs, two kills and two blocks, and Dieckmann with six digs.

Then on Saturday, the Lady Cobras traveled to the Frankfort Invitational, where they took on Frankfort, Doniphan West, Onaga, Washington County and Wetmore, taking second by beating all teams except for first-place tournament winner Washington County.

The Lady Cobras will travel to Winchester on Tuesday for a triangular NEK league meet with Jefferson County North and Maur Hill-Mount Academy.

September is Prostate Health Awareness Month

By Nancy Nelson
Meadowlark Extension
District Agent
Family Life

Prostate cancer is the most common cancer among men and the second most common cause of cancer-related deaths among American men. African-American men are more likely to get prostate cancer and twice as likely to die from the disease.

The U.S. Food and Drug Administration (FDA) regulates screening tests and treatments for prostate cancer to ensure their safety and effectiveness.

Prostate cancer is frequently a very slow growing disease, often causing no symptoms un-

Netawaka U.M.C.

By Mary E. Edwards
Sept. 10 was a nice cool fall morning. Jackets and sweaters were appreciated. Thanks to Alyssa Mullins for carrying in the light; Steve Banaka for gathering the offerings; and Verona Grannell for taking care of recorded music at Netawaka United Methodist Church.

Worship leader Marilyn Banaka gave the welcome and announcements. Joys and concerns were shared. It was nice to have Joan Fall from California present with her cousin, Estella Pagel. Everett and Frederika Mullins enjoyed Grandparents' Day at Jackson Heights third grade last week.

Some concerns mentioned were Kenny Nott, who is in the hospital with a serious illness; the family of Dale Wichman, who died last Monday; and the Nance family, former pastors at Wetmore Bible Church, as their daughter died recently, leaving young children.

"Make A Joyful Noise To The Lord" was the call to worship, led by Marilyn. The hymn of praise was "Joyful, Joyful, We Adore Thee!" followed by the responsive reading of Psalm 66:8-20.

The children's message by Pastor Younghwan Won was about choosing the right way, not just what is more attractive.

The prayer hymn was "God Will Take Care Of You." Pastor Young led the reading of the congregational prayer. After silent reflection and meditation were the pastoral prayer and the Lord's Prayer.

The New Testament lesson was 2 Timothy 2:8-13. The sermon title was "The Hope Of The Resurrection."

Even though Sunday was not Easter, it is good to think of Christ's resurrection. It is not possible to explain Christianity without the resurrection story.

The Jews thought Jesus and His disciples were blasphemers and heretics who wanted to "spoil" their religion. Jesus was sent by God to save us, to die for us so we can have eternal life. We live with the hope of the resurrection. We should celebrate Jesus' resurrection and His promise to return, and share this hope with our neighbors.

The closing hymn was "In His Time."

til it is in an advanced stage. At that point, symptoms may include difficulty starting urination, weak or interrupted flow of urine and frequent urination, especially at night.

However, these symptoms can have many other causes than prostate cancer, such as a benign enlarged prostate. If you have any concerns about any of these symptoms, you should contact your health care professional.

Most men with prostate cancer die of other causes, and many never know that they have the disease. But once prostate cancer begins to grow quickly or spreads outside the prostate, it is dangerous. While the disease is rare before age

50, experts believe that most elderly men have traces of it.

One promising area of prostate cancer research is related to preventing overtreatment of patients with prostate cancer that is still localized to the prostate and who have a low risk of becoming symptomatic or dying from the condition. Careful selection of these men to ensure that they are low-risk is crucial.

There is increasing evidence that close surveillance and repeated biopsies may safely allow these patients to delay definitive therapy (surgery or radiation). There is a need to reduce the burden to patients of overtreatment if the prostate cancer is slow growing.

Public Notice

(Published in The Holton Recorder, Holton, Kan., on Monday, Sept. 11, 2017.)

City of Mayetta Ordinance No. 8-2-17

The Uniform Public Offense Code

An Ordinance regulating public offenses within the corporate limits of the City of Mayetta, Kansas; incorporating by reference the "Uniform Public Offense Code for Kansas Cities," edition of 2017, and repealing Section 11-101 of the Code of the City of Mayetta as adopted by Ordinance No. 12-2016 and all other Ordinances in Conflict therewith.

Be it Ordained by the Governing Body of the City of Mayetta:

Section 1. INCORPORAT-

ING UNIFORM PUBLIC OFFENSE CODE. There is hereby incorporated by reference for the purpose of regulating public offenses within the corporate limits of the City of Mayetta, Kansas, that certain code known as the "Uniform Public Offense Code," Edition of 2017, prepared and published in book form by the League of Kansas Municipalities, Topeka, Kansas. One official copy of said Uniform Public Offense Code shall be marked or stamped "Official Copy as Adopted by Ordinance No. 8-2-17," and to which shall be attached a copy of this ordinance, and filed with the city clerk to be open to inspection and available to the public at all reasonable hours.

Section 2. REPEAL. Section 11-101 of the Code of the City of Mayetta as adopted

by Ordinance No. 12-2016 and all other ordinances and/or Code provisions in conflict herewith are repealed.

Section 3. EFFECTIVE DATE. This ordinance shall take effect and be in form from and after its publication in *The Holton Recorder*.

Passed by the council the 6th day of September, 2017.

Signed by the mayor this 6th day of September, 2017.

Community HealthCare System (CHCS) is seeking a RN to join our team of professionals. RNs at CHCS enjoy many benefits of working at the state-of-the-art facility, however, the most enjoyable aspect is working with the system's outstanding medical staff. At CHCS, all care professionals work together for the common goal of providing the best outcome for our patients.
Community HealthCare System has a 6p-6a RN position at the Onaga Campus and a 6a-6p RN position at the St. Marys Campus.
Both of these positions are eligible for a \$3,000 sign-on bonus. Successful applicants will receive:

- \$1,500 after successful completion of six (6) months of employment.
- \$1,500 after successful completion of one (1) year of employment.

For more information and to apply go to www.chcsks.org and click on “Careers” or contact Human Resources at 785-889-5026. EOE

Public Notice

(Published in The Holton Recorder, Holton, Kan., on Monday, Sept. 11, 2017.)

City of Mayetta Ordinance No. 8-2017

The Standard Traffic Offense

AN ORDINANCE REGULATING TRAFFIC IN THE CITY OF MAYETTA, KANSAS: INCORPORATING BY REFERENCE THE "STANDARD TRAFFIC ORDINANCE FOR KANSAS CITIES", EDITION 2017, WITH CERTAIN CHANGES AND ADDITIONS; PROVIDING CERTAIN PENALTIES: AND REPEALING SECTION 14-01 OF THE CODE OF THE CITY OF MAYETTA AS ADOPTED BY ORDINANCE NO. 12-2017 AND ALL OTHER ORDINANCES IN CONFLICT HEREWITH.

Be it Ordained by the Governing Body of the City of Mayetta:

Section 1. INCORPORATING STANDARD TRAFFIC ORDINANCE.

There is hereby incorporated by reference for the purpose of regulating traffic within the corporate limits of the City of Mayetta, Kansas, that certain standard traffic ordinance known as the "Standard Traffic Ordinance for Kansas Cities," Edition of 2017, prepared and published in book form by the League of Kansas Municipalities, Topeka, Kansas, save and except such articles, sections, parts or portions as are hereafter modified or changed. One copy of said Standard Traffic Ordinance shall be marked or stamped "Official Copy as Adopted by Ordinance No. 8-2017," with all sections or portions thereof intended to be changed clearly marked to show any such change and to which shall be attached a copy of this ordinance, and filed with the city clerk to be open to inspection and available to the public at all reasonable hours. The police department, municipal judge and all administrative departments of the city charged with enforcement of the ordinance shall be supplied, at the cost of the city, such number of official copies of such Standard Traffic Ordinance similarly marked, as may be deemed expedient.

Section 2. TRAFFIC INFRACTIONS AND TRAFFIC OFFENSES.

(a) An ordinance traffic infraction is a violation of any section of this ordinance that prescribes or requires the same behavior as that prescribed or required by a statutory provision that is classified as a traffic infraction in K.S.A. 8-2118.

(b) All traffic violations which are included within this ordinance, and which are not ordinance traffic infractions, as defined in subsection (a) of this section, shall be considered traffic offenses.

Section 3. PENALTY FOR SCHEDULED FINES.

The fine for violation of an ordinance traffic infraction or any other traffic offense for which the municipal judge establishes a fine in a fine schedule shall not be less than \$25 nor more than \$500, except for speeding, which shall not be less than \$30 nor more than \$500. A person tried and convicted for violation of an ordinance traffic infraction or other traffic offense for which a fine has been established in a schedule of fines shall pay a fine fixed by the court not to exceed \$500.

Section 4. REPEAL. Section 14-01 of the Code of the City of Mayetta as adopted by Ordinance No. 12-2016 and all other ordinances and/or Code provisions in conflict herewith are repealed.

Section 5. EFFECTIVE DATE. This ordinance shall take effect and be in force from and after its publication in The Holton Recorder.

Passed by the Council the 6th day of September, 2017.

Signed by the Mayor the 6th day of September, 2017.

Burns graduates from Wichita

More than 350 students completed their degrees at Wichita State University in summer 2017, it has been reported.

Among those graduating was Victoria D. Burns of Hoyt, who received a master of arts degree in communication sciences and disorders.

Undergraduate students who have attained a grade point average of 3.9 out of a possible 4.0 received the summa cum laude award; those with an average of 3.55 received the magna cum laude award; and those with an average of 3.25 received the cum laude award.

WSU enrolls about 14,500 students and offers more than 50 undergraduate degree programs in more than 150 areas of study in six undergraduate colleges.

The graduate school offers an extensive program including more than 40 master's degrees that offer study in more than 100 areas.

Megan Rhule

Earns KGCSA scholarship

Megan Rhule is the recipient of the 2017 Kansas Golf Course Superintendents Association Legacy Scholarship. Megan is the daughter of Dan Rhule (assistant golf course superintendent at Firekeeper Golf Course) and Susan Rhule and is pursuing a degree in psychology at William Jewell College.

Megan is a graduate of Holton High School, where she served as treasurer of the National Honor Society. She was a member of SAFE, Student Council, SADD, Jackson County Youth Coalition, Unity Task Force and participated in volleyball and softball. She serves as a career specialist while attending William Jewell College.

KGCSA provides an annual \$1,000 Legacy scholarship to the children or grandchildren of active members.

County Commission...

Continued from Page 1

* Heard a weekly report from Mixie Schafer, noxious weed and environmental services director. Schafer has sent a proposal to the Doniphan County Commissioners to review regarding Jackson County handling Doniphan County’s household hazardous waste again.

* Learned that the Kansas Department of Health and Environment notified Schafer that the ‘catch pond’ for run-off water is now considered too close to the construction/demolition landfill area. The pond has to be moved every five to seven years, it was reported, and the road and bridge department has moved it in the past.

Schafer will talk to Dan Barnett, road and bridge administrator, about moving the pond.

* Heard a weekly report from Barnett, who asked if taxes collected from the special .4 percent retailers’ tax could be used to haul rock for .4 percent road projects. Commissioners said yes.

* Received a letter from Kansas Department of Transportation notifying the county of changes to the Federal Fund Exchange (FFE) Program beginning in October.

* Learned that Barnett has implemented a purchase card policy where cards have to be checked out from the office when purchases need to be made out of county.

* Discussed an issue with a Royal Valley school bus that is unable to turn around in a person’s driveway. The bus needs to use the driveway to turnaround because past the drive is a minimum maintenance road.

There is also a fence at the location that is impeding the

turnaround. The commissioners referred the issue to the school district and the homeowner.

* Discussed with Barnett the possibility of the county purchasing a small backhoe. Barnett said he thinks the county can get more work done with a small backhoe than with a skid steer.

* Met in executive session for 10 minutes to discuss a personnel matter. No action was taken back in open session.

* Learned from Jackson County Appraiser Jason Claycamp that two of his department’s computers are more than five years old and need to be replaced. The two computers with no monitors will cost \$2,400 and \$800 for set up and will be purchased directly from Dell. The commissioners approved the purchase.

* Heard a weekly report from John Kennedy, Banner Creek Reservoir director. Revenue at the reservoir for the week totaled \$4,594.

* Approved the Jackson County Tourism Council’s request to allocate \$500 to Holton American Legion Post 44 to advertise a gun show on Sept. 23 and 24.

* Unanimously denied a request from the VFW to operate a beer garden on the Courthouse courtyard during the chili cook-off and fall fest on Oct. 14.

* Learned from Commissioner Janet Zwonitzer that Barbara Brockman has requested a “Slow – Church Entrance” sign at Buck’s Grove Church. Zwonitzer referred her to the Kansas Department of Transportation since the church is located on Kansas Highway 16.

Brockman also said she was

concerned with the condition of O Road north of Kansas Highway 16 and would also like to have the speed limit reduced to 40 miles per hour. Zwonitzer referred her to Barnett with the road and bridge department.

* Discussed the proposed 2018 budget with Jackson County Attorney Shawna Miller.

* Met in executive session with Kate Immenschuh to discuss a personnel matter for 10 minutes. Jackson County Appraiser Jason Claycamp was present for a portion of the meeting. Back in open session, the commissioners agreed to allow Immenschuh to complete training to receive her RMA license.

* Learned from County Counselor Alex Morrissey that Treasurer Linda Gerhardt will close the tax year and then around early October she will have a list of delinquent tax owners and locations ready to begin the next tax sale.

* Met with Bill Stumpf concerning a fencing issue. It was determined that a fence viewing would not be helpful under the circumstances explained.

* Signed a request and petition to allow Giant Communications to occupy a county right-of-way to bore a line under 162nd Road. The commissioners also signed another request to allow CenturyLink to occupy a right-of-way at 15112 142nd Road.

* Signed payroll increases for sheriff employees Dennis Immenschuh, Travis Spiker, Andrew Shenn, Edward Hernandez, Chris Miller, Laura Leidel Maldonado and Misty Herbst and Tara Peek, a part-time employee with the clerk’s office.

* Adjourned the meeting at 4:30 p.m.

Purple Heart...

Continued from Page 1

were married on June 28, 1936, in Mayetta, where Vera and their children lived while Hudson trained in Army camps in the Los Angeles, Calif. area and elsewhere.

It was reported that in the summer of 1944, Hudson, by now a first sergeant in the Army, was with the 3rd Army in Europe. He was awarded the Bronze Star later that year “for courage and devotion to duty in a succession of operations with the 3rd Army,” according to a newspaper article from October of that year.

It was during that October that Hudson learned of the death of his younger brother, Harold, who was killed in action while in France. After the end of World War II, Hudson was later stationed at Mount McClellan, Ala., but returned home to celebrate holidays with his family, according to reports in *The Holton Recorder* and other area newspapers.

When war broke out in Korea, Hudson signed on with the Seventh U.S. Cavalry, and in the early fall of 1950, he was part of a task force that broke through Red Korean defenses to make the first serious breach of North Korean positions along the Na-

ktong River. It was during this time that he was wounded in battle, earning one of his Purple Heart medals.

The Recorder reported in February of 1951 that Hudson was recuperating from battle exhaustion in a hospital in Japan. It was also reported that month that Hudson had been awarded the Silver Star for his actions in Korea.

“The citation credited Hudson with (being) largely responsible for stopping 10 communist tanks attacking his unit,” *The Recorder* noted in its Feb. 26, 1951 edition.

The Hudson family moved to the Leavenworth area sometime after that, and Hudson retired from the Army in 1962 at the rank of first sergeant after 32 years of service. For the next 10 years, he worked at Kansas State Penitentiary in Lansing, retiring in 1972.

Rollie and Vera Hudson would go on to enjoy their retirement, and they had six children and 16 children at the time of Rollie’s death on June 11, 1990, at the age of 82. He was buried in Mount Calvary Cemetery in Leavenworth. Vera died six years later and was buried next to Rollie.

Clear the Halls...

Continued from Page 1

■ Bomb threat protocols.

Smith emphasized that “Clear the Halls” is not the same as an actual lockdown, nor have there been any lockdowns in the history of the new school — in fact, the last time school buildings in the Holton district were locked down was in January 2014.

That particular lockdown, which school officials at the time noted lasted only a few minutes, was in response to an incident at Holton Community Hospital that prompted Jackson County Sheriff Tim Morse to recommend the lockdown at area schools.

Smith also noted that in January of 2013, in response to the deadly shooting at Sandy Hook Elementary School in Connecticut a month earlier, doorbells were installed at the former Colorado and Central elementary schools. Before the doorbells were installed, she noted,

anyone could just walk into the schools via their respective main entrances.

The new Holton Elementary School, which opened its doors to students in kindergarten through fifth grades for the 2016-17 school year, has larger hallways that Smith said are used more frequently as “learning environments.” “Clear the Halls” is intended to alleviate any disruption in those environments.

“The way our school is designed, we’ve got lots of things going on outside the room, and if a situation arises, for safety and for privacy, we just ask students to go back into their classrooms until they get the all-clear,” she said.

Student safety is all-important in implementing the above safety procedures, Smith noted, and parents who have any questions about “Clear the Halls” may call the school at 364-3251.

25th Pioneer Day...

Continued from Page 1

A beard and mustache contest for adults will also be held at this time.

10:30 a.m. – Raw egg race.

11 a.m. – Jell-O eating contest.

Also this time, Indian tacos will be for sale at the flea market and food will be available at the Masonic Lodge.

11:30 a.m. – Pioneer shoe lacing contest.

Noon – Music by Brad Hamilton throughout the afternoon.

12:30 p.m. – Pancake flipping contest.

1 p.m. – Rope spinning demonstration.

1:30 p.m. – Cow pie toss for adults.

Noon, 1 p.m. and 2 p.m. – Special showings of a movie about Mayetta from 1928 and 1929.

2:30 p.m. – Parade line-up begins at Royal Valley Middle School and travels down Main Street.

3 p.m. – Parade featuring

the We Ta Se Post 410 Color Guard.

4 p.m. – Community dinner served at the Mayetta Christian Church.

For its 25th year, Darnell said that \$100 will be given away as part of a drawing. Free tickets for the drawing will be available at city hall and you must be present at 4 p.m. that day to win.

A poetry contest is also being held for all ages. The three categories are humorous, cow-

boy and native. Poems must be entered before Sept. 14 to be judged on that Saturday.

Poems can be sent to Pioneer Days Poetry, P.O. Box 42, Mayetta, KS 66509.

Some handicapped parking will be located west of the Masonic Lodge.

For more information, call Judy Darnell at (785) 966-2710, Gladys Schlodder at (785) 554-6275 or Denise at (785) 851-0226.

Denison Bible Church

By Esther L. Hall

On Sept. 10 at Denison Bible Church, Pastor Tom preached on “Influencing The Grandkids!” The responsive reading was Genesis 48:8-12.

As parents, family life seems like it just gets better and better. But in reality, it never gets easier. Our kids grow up, all too quickly, and before we know it we’re grandparents and maybe eventually great-grandparents. It can be a challenge to be not just a good parent/grandparent, but more so to be a godly one.

As grandparents, we may get a second chance in the lives of our grandkids, but difficulties are inevitable. Our kids leave home to begin new lives with families of their own and the grandkids don’t come often enough.

As grandparents, we’re to be influencers. Whether we know it or not, we influence our grandchildren. God’s word tells us we are to influence others

toward God and His purposes, especially in our own kids and grandkids. We should be dedicated to being a godly influence on them.

We’re instructed to leave an inheritance for our children, and that doesn’t necessarily mean a monetary inheritance. We’re to leave an inheritance of love, knowledge and understanding of Jesus Christ.

There are four areas of influence they should be able to experience through our dedication.

Visually – Let our faith be visible to them so they can see what’s needed. They need to see us having a daily relationship with Jesus. They should see us faithfully reading our Bibles.

Verbally – They need to be able to hear what they see. Don’t wait until mealtime to pray. We should pray for our grandkids on a regular basis and let them know that we always pray for them.

Variability – They will learn the “right” way. It may cause disagreements, but the “right” way is always best. We shouldn’t impose our will on them, but do it the right way, even if it’s upsetting.

Victoriously – When a dedicated Christian dies, the “send off” is shared. We live so that when we die, the memories we have left behind will help others in their Christian walk.

Our dedication to being a godly influence in our grandchildren’s lives is the only way that “it” gets better. What kind of influence are you to your kids?

Get the word out!

Let us help you spread the word about club, church and family activities — visit our office at 109 W. Fourth St. in Holton; mail to *The Holton Recorder*, P.O. Box 311, Holton, KS 66436; or e-mail holtonrecorder@giantcomm.net
