# HOLTON, KANSAS • Monday, Nov. 6, 2017

Sarah DeDonder is shown above organizing winter coats by size prior to the fifth annual Coats for Kids event held Friday in Holton at the Senior Citizens Center. DeDonder was one of many volunteers who helped distribute coats, hats and gloves to families needing extra assistance during the colder months.

# Coats for Kids serves 327 in its fifth year

*By Ali Holcomb* A total of 327 requests for coats for Jackson County children in need were fulfilled during Friday's Coats for Kids event in Holton.

"This is our biggest year yet," said organizer Sarah DeDonder prior to the start of event, which was held from 3:30 p.m. to 6:30 p.m. at the Jackson County Senior Center. DeDonder purchased an addi-

"We've been busy getting all tional 225 coats with donated the coats organized. It's chaotic funds. but good."

DeDonder said that 114 families submitted requests for a total of 327 coats, which were distributed during the fifth annual event here Friday.

A total of 100 coats were donated by churches, individuals and businesses, and then

Besides coats, each child received a hat and a pair of gloves

DeDonder said this is the first year the organization has received more than 300 applications for coats.

To qualify, families must receive assistance through the Women, Infants and Children

program or free and/or reduced unches at area school districts, but no proof is required for the application form.

We want to thank the people of the community for their support," DeDonder said. "They really rallied around us." The mission of Coats for

# Holton High School to present "Thoroughly Modern Millie"

### By Brian Sanders

In the pre-Depression 1920s, it was considered a "thoroughly modern" thing for women to marry for money rather than love.

Over the next two weekends, the Holton High School drama department will present a Tony Award-winning musical dv about Kancac woman's attempts to do exactly that. "Thoroughly Modern Millie," based on the 1967 movie of the same name, will be presented on the HHS stage on Saturday and Sunday and again on Saturday, Nov. 18 and Sunday, Nov. 19, with all performances beginning at 7 p.m. A dinner theater performance is scheduled for Saturday, Nov. 18, with dinner to be served at 5 p.m., it was reported.

Director Randall Bond said at first, he was initially unfamiliar with the musical, which features music by Jeanine Tesori, lyrics by Dick Scanlan and a book by Scanlan and Richard Morris. Bond had sent out some "feelers" last year to colleagues and received a few replies suggesting "Millie."

We are down in and assuming the modern look of a "flapper." She meets and befriends Jimmy, an attractive young paper clip salesman who does not show pride in his wealth, and Dorothy, an actress from California.

Along the way, she gets a job working as a stenographer and sets her sights on her boss, Trevor Gravdon, much to the dismay of Jimmy, who has fallen in love with her. Other problems arise when she checks into a hotel owned by Mrs. Meers, the leader of a white slavery ring in China – and are Jimmy and Dorothy really who they say they are? The musical, which won six Tony Awards in 2002, is based on a movie that featured Julie Andrews and Mary Tyler Moore,

# Evans, however, is moving to a different part of town and is no longer eligible for the position. Her name will still be on the ballot since she did not withdraw from the race by the filing deadline. Michiel Ford (incumbent) filed for re-election to posi-

tion five on the Holton Board of Education, and Christina

# Donations sought for Thanksgiving dinner

By Brian Sanders Every Thanksgiving Day since 1985, more than 300 people in the Holton area leave cooking the tur-key, sweet potatoes and stuffing to a group of volunteers in the Holton community.

Holton resident Freda Galer, who has been involved in organizing the Community Thanksgiving Dinner for several years. said she'd like to see that number climb even higher this year.

"We had 375 last year," Galer said. "We're hoping for 400 this year.'

But before this year's event can be a success, Galer said, donations of food and volunteer service for the community must be made.

This year's Community Thanksgiving Dinner will be held from 11 a.m. to 1 p.m. Thursday, Nov. 23 at the Evangel United Methodist Church Family Life Center at Third Street and Pennsylvania Avenue

in Holton. This year also marks the fourth year that EUM has hosted the dinner, which outgrew its orig-inal home of St. Dominic Parish Hall.

Galer continues to emphasize that the annual Thanksgiving event, as it has been in the past, is open to everyone - regardless of their age, income, residence or religious affiliation.

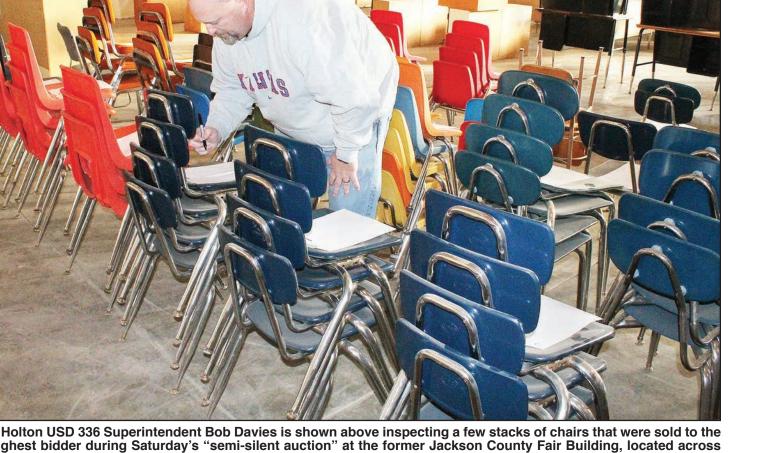

Getting to the meat of the food requests, Galer said she is looking for donations of a dozen 20-pound turkeys, cooked and deboned, for this year's event, along with three 10-pound hams. Volunteers are also asking for six gallons each of corn, green beans and sweet potatoes, along with five gallons each of baked beans and instant potatoes

Other food items on the want list include 26 pounds of stuffing, 17 fruit and vegetable salads, 17 Jell-O salads, 26 dozen

The Jackson County Farm Bureau and Lem Kemp, agent for the Farm Bureau Mutual Insurance Company, have moved their offices to their new location on the west side of the Holton Square. The Farm Bureau now occupies the building that formerly housed the Baertch Shore Store.

David Schirmer was named chairman of the Holton planning commission, it was reported. Sheldon Hochuli, who is new member of the commission, was named secretary. Other new members of the commission are Dale Buss and Leonard Kimmel.

Nancy Kay Hansen has been announced as the new fifth and sixth grade teacher at USD 335, Netawaka Attendance Center, Circleville.

# Correction

The former Jackson County Fair Building was incorrectly identified as the new Holton USD 336 bus barn in a recent news article. The district held a silent auction of surplus equipment Saturday at the building, which is located at the intersection of Fifth Street and Dakota Avenue and houses the Fresh Start program. The Recorder apologizes for the mistake.

Jim Barnett (at left), a Republican candidate for Kansas governor and a practicing physician for 35 years, visited Holton Community Hospi-tal on Thursday and got a tour of the facility from HCH Ádministrator Carrie Saia (at right) before meeting with a group of hospital staff to talk about concerns in the medical industry. During his visit, Barnett told hospital staff he would support Medicaid expansion, which would benefit such hospitals as HCH. Photo by Brian Sanders

# Unclaimed property program returns millions of dollars to Kansas residents

Kansas Treasurer Jake La-Turner is on his tour of Kansas' 105 counties to promote many of the initiatives and services administered by the Kansas Treasurer's Office.

LaTurner has hosted events in 94 of the 105 Kansas counties, and he will be completing the tour on Nov. 9 in Wichita. He and his staff are providing free unclaimed property searches for Kansans in their home counties.

"From helping a working, single-mother claim thousands of dollars in inheritance to assisting a long-term living facility retrieve needed funds for reinvestment, it has been a pleasure returning millions to Kansans in their hometowns" said LaTurner. "I am committed to continuing to return even more property to the people of our state.

Since July 1 of this year, the treasurer's office has returned more than \$8 million to Kansans, and LaTurner and staff are returning unclaimed property at a record pace. Remaining

Greenwood, Butler, Cowley, Sumner, Harper, Shawnee, Lyon, Chase and Sedgwick counties.

"Every Kansan should have the opportunity to experience the services of the treasurer's office in their home county," LaTurner said. "It's important to realize that this is money belongs to Kansans, not the government, and it's been extremely rewarding returning money to Kansans who can really use it. We will

tour stops are Chautauqua, Elk, in the meantime, we are just a phone call away or an email message away.'

> For more information on the Kansas State Treasurer's Office or unclaimed property, visit www.KansasCash.com or call (785) 296-3171.

Note: For many years up until the mid-1980s, the state of Kansas was required to publish a public notice in each official county newspaper listing the names of county residents with unclaimed property held by the state.

schedule," reporting hours to a Topeka firm.

Elroy McAlexander, a native of Mayetta, was recently honored for more than 40 years of service to his hometown by the Kansas League of Municipalities. McAlexander, now in his mid-70s, began his civic career as a member of the Mayetta Fire Department in 1935. The fire department still owns the 1928 Model A fire truck he first drove.

# **OPINION** Mollette: Prevention is issue a lot of times

By Glenn Mollette Most of us believe in prevention but we don't always practice it. An ounce of prevention is worth a pound of cure we've heard before.

The best way to keep a car healthy faithis ful service. Changing the oil, taking care of the transmission and replacing parts are all part of the

long term game.

Our bodies are the same way. A friend of mine joked at 76, "If I had known I would live this long I would have taken better care of myself.'

The problem is he died at about 77 and spent the last few years of his life not walking much due to his 30-plus years of smoking cigarettes that had devastated his lungs.

A close family member who we loved suffered a lot the last three or four years of her life. Diabetes tormented her the last vear of her life and brought a toll of suffering that was painful for her and us to watch.

We had all watched her abuse herself with bad eating and beverage habits most of her life. Dialysis and spending most of her last two years in a nursing home was painful.

You can take good care of yourself 100 percent of the time and still end up with health problems.

We see it happen to the best of people. You can take the best care of your car and still wreck it. A lot of healthy people wreck their lives so there is never a silver bullet.

However, we should try. We should eat less sugar, drink more water, and eat less red meat and exercise a little harder more during the week.

Visiting the doctor and getting routine checkups are crucial as well. Senior adult friends have said to me in the past, "When you get old it seems about all you do is go to the doctor." As cars get old they require a lot of care and if we are blessed with old age there is going to be more routine care to keep us going. It's just part of it.

We have to be concerned about overall prevention in this country. We can't wait until we are ready to file bankruptcy to worry about the national debt. We can't wait to improve medical insurance for Americans. I am in favor of every American having health insurance but we have to improve what we are doing. I don't think the government simply issuing medical insurance to every American is going to work since we are already on the verge of bankruptcy ourselves. Making insurance available across state lines is huge. Competition is important between insurance carriers, drug companies and hospitals. Medicare

should be available for Americans to buy into if their insurance company ever disqualifies them because of a preexisting condition. If we are going to spend trillions on Iraq and Afghanistan we can at least make healthcare available to everyone

There is a lot of gnawing and gnashing in America over guns. own several.

Chicago is a shining example of why making guns illegal is a bad idea. I don't have any automatic weapons. Well, I have a shotgun that will fire off three shells, but that's it.

If I thought ISIS was coming up through Mexico I would want access to some automatic weapons. I know our military would be there. Although I do know that when you call 911 it always takes a few minutes for the police to show up. You don't have a few minutes if someone is coming up your drive to attack you.

Americans must maintain the freedom to protect ourselves. If would be attackers know we have no protection in our homes we are sitting ducks for assault, robbery and maybe death. I do agree that we don't need the kind of weapons the Las Vegas shooter had recently that he used to kill and wound so many people.

There are a lot of areas where prevention is the issue. Building a wall sounds dumb to some people but it is one aspect of securing our country. It's not a cure all by any means. A healthy military that is cared for and has up to date vehicles, weapons, housing and enough persons to get the task done are all crucial.

Prevention requires a lot of effort. There are so many areas to cover that's important. It's not easy staying alive. Personally and as a nation we owe it to our families and fellow citizens to take care of ourselves.

Note: Glenn Mollette is a columnist who is read in all 50 states.

# Fuel prices up a little in the past week

Average retail gasoline prices in Kansas have risen 4.4 cents per gallon in the past week, averaging \$2.38/g yesterday, according to GasBuddy's daily survey of 1,329 gas outlets in Kansas.

This compares with the national average that has increased 6.5 cents per gallon in the last week to \$2.53/g, according to gasoline price website GasBuddy.com.

Including the change in gas prices in Kansas during the past week, prices yesterday were 40.7 cents per gallon higher than the same day one year ago and are 7.3 cents per gallon higher than a month ago. The national average has increased 3.8 cents per gallon during the last month and stands 32.0 cents per gallon higher than this day one year ago.

According to GasBuddy historical data, gasoline prices on November 6 in Kansas have ranged widely over the last five years: \$1.97/g in 2016, \$2.14/g in 2015, \$2.91/g in 2014, \$2.97/ g in 2013 and \$3.26/g in 2012. Areas near Kansas and their current gas price climate:

Wichita – \$2.34/g, down 2.6 cents per gallon from last week's \$2.37/g.

Lincoln - \$2.59/g, up 1.5 cents per gallon from last week's \$2.57/g.

Topeka – \$2.36/g, up 3.8 cents per gallon from last week's \$2.32/g.

"It's been a frenzied week at fuel pumps across the country, but without a hurricane driving up prices, many motorists have been dumbfounded about what's taking place with the unseason-able upward trend," said Patrick DeHaan, head of petroleum analysis for GasBuddy. "Such a strong weekly upward move is rare in the fall, but is explained by a confluence of factors, including oil prices hitting a new 2017 high, a major pipeline leak resulting in disruption, autumn refinery maintenance, but perhaps among the more surprising

- robust demand for gasoline so late in the season. Such demand has magnified relatively mundane factors into a major gas price event for much of the United States and Canada. But some slowdown is expected in the Great Lakes, the region hardest hit with price spikes in the last week, as repairs Explorer Pipeline have been completed, but some additional bumps in the road ahead can be expected for motorists elsewhere.

Smith

Anna "Nadine" Smith, 78, Whiting, died Tuesday, Oct. 31, 2017, at Medicalodges Jackson County in Holton. She was born May 12, 1939,

in Arlington, Texas, the daughter of Arndt and Opal Scheid Schumann. She graduated from Topeka High School.

Mrs. Smith was a homemaker and a farm wife.

She was a member of St. Leo's Catholic Church in Horton.

She married Daryl Smith on June 29, 1957, at St. Leo's Catholic Church. He survives.

Other survivors include a daughter, Sheryl Callison and husband Mark, Holton; four sons, Terry Smith and wife Gena, Horton, Garry Smith and wife Kerri, Soldier, Jerry Smith, Whiting, and Perry Smith and wife Sarah, Wetmore; a brother, Donald Schumann, Corona, Calif.; 13 grandchildren; and 17 great-grandchildren. She was preceded in death by her parents and a grandson, Curtis Smith.

Funeral mass was held Monday morning at St. Leo's Catholic Church in Horton. Burial was held in St. Leo's Cemetery.

Memorial contributions may be made to the Nadine Smith Memorial Fund, to be designated later and sent in care of Dishon-Maple-Chaney Mortuary in Horton.

▲Holton Recorder 11/6/17

# Shopteese

Derek Randall "Wabski" Shopteese, 26, Topeka, died Monday, Oct. 30, 2017.

He was born May 1, 1991, in Topeka, the son of Leland John Matchie and Victoria Ann Shopteese. He attended school in Rapid City, S.D. Mr. Shopteese had worked for

Security Benefit in Topeka. He was a member of Prairie Band Potawatomi Nation.

Marsden William J. Marsden Jr., 62, of Avondale, Penn., passed away on Saturday, Oct. 14, 2017, following unexpected cardiac arrest.

A Wilmington (Del.) at-torney, William is survived by his wife of 37 years, Ellen Jones Marsden; his children, Benjamin (Britta), Margaret and Emma; his sisters Jo Ann Andren and Gloria Stavropoulos (Pete) of Holton; and a devoted circle of extended family, colleagues and friends.

William was born to William John and Muriel Smith Marsden in Tenafly, N.J. He graduated from Haverford College in 1978 and then worked as an intern for the Friends Committee on National Legislation in Washington, D.C., where he met Ellen. William graduated from the University of North Carolina School of Law in 1983 and began working with the firm of Potter, Anderson and Corroon focusing on in-tellectual property law. In 1999, William opened

Fish and Richardson's Delaware office as its only attorney and one of three employees. In the 18 years that fol-lowed, William expanded the office to employ dozens of attorneys and staff. Integrity, judgment and good humor were his hallmarks. According to his colleagues, he was the personification of all that is best in an American lawyer.

William's joy was land-scaping his farm in New Garden Township. He was a devoted steward of the farm on which his children are the fifth generation. He gave freely of his time and treasure, and his volunteer responsibilities ranged from serving on Haverford College's Board of Managers to chairing New Garden Township's Zoning Hearing Board. Additionally, William enjoyed golf, was a curious and adventuresome traveler and a lover of the arts, history and culture. His entire family depended on him, and his children and a host of nieces and nephews will lovingly remember him as the master of fun and games. A visitation was held Thursday, Oct. 19 at Kuzo & Grieco Funeral Home (610-444-4116) at 250 West State Street, Kennett Square, PA 19348. A Quaker memorial meeting for worship was held Friday, Oct. 20 in the London Grove Friends Meeting House at 500 W. Street Rd., Kennett Square, PA 19348. In lieu of flowers, the family requests memorial contributions be made to London Grove Friends Kindergarten (London Grove Monthly Meeting, 500 West Street Road, Kennett Square, PA 19348). To view William's online tribute and to share a memory with his family, please visit www.griecocares. com Holton Recorder 11/6/17 ▲

Mayo

Betty Faye Mayo of Filer, Idaho, passed away Wednes-day, Nov. 1, 2017, at Twin Falls St. Luke's hospital, with family by her side.

Betty was born in Burlingame on March 18, 1925. She was the fifth of 13 children born to Roy and Nellie Bickford.

Betty's family moved to Soldier prior to her starting the first grade and she graduated from Soldier High School in 1942. While in high school, she took numerous classes in education and started teaching at a country school upon graduation. Betty taught school for three years.

In December 1942, while Betty was teaching in a small country school near Soldier, she needed a Santa Claus for a Christmas program. LeRoy Mayo was volunteered by his cousin. They were married shortly thereafter on Feb. 20, 1943, and were married for 68 years.

Betty and LeRoy moved to Idaho's Salmon Tract in early summer of 1945. While there, Betty was approached by Hollister school board officials to teach at Hollister. She accepted and taught school for two years, during which time they moved to Hollister. Betty then accepted a position in the school lunch program and also started driving a school bus. In April 1972, Betty and LeRoy moved to Filer, when Betty was promoted to manager of the Filer lunch program. She continued to drive buses, hauling school children as well as the bus for school activities.

After one year in Filer, Betty discontinued her school bus driving and retired from the Filer lunch program in 1987 after 15 years.

# Kickapoo tribal election is completed

The Kickapoo Tribe in Kansas held elections for seven Tribal Council positions on the reservation on Sept. 29, it was reported. All seven council positions were open for election under the new Tribal Constitution that was amended last December, and all incumbents were retained in office.

Elected were Lester Randall, chairman (146 votes); Fred Thomas, vice chairman (94 votes); Russell Bradley, treasurer (137 votes); Carla Ramirez-Cavin, secretary (147 votes); Bernadette Thomas, member (141 votes); Jason Thomas, member (94 votes); and Christina Wahwasuck, member (97 votes). Randall, Bradley, Cavin and B. Thomas ran unopposed while the other members faced opposition.

All tribal members at least 21 years of age were allowed to register to vote in the tribal election, which was held by both absentee and poll voting. Under the new Constitution of the Kickapoo Tribe in Kansas, Fred Thomas, Carla Ramirez-Cavin and Bernadette Thomas will have a term of two years while the remaining four positions will be for a term of three years. Following the first election, Tribal Council members will be elected for three-year terms.

# Tips given on avoiding some scams

By Nancy Nelson Meadowlark Extension District Agent

*Family Life* Here are some tips to use and share with family and friends. Spot imposters. Scammers often pretend to be someone you trust, like a family member, a charity or a company you do business with.

Don't send money or give out personal information in response to an unexpected request whether it comes as a text, a phone call or an email.

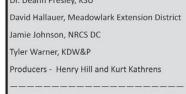

Do online searches. Type a company or product name into your favorite search engine with words like "review," "complaint" or "scam." Or, search for a phrase that describes your sit-uation, like "IRS call," to see if other people have reported them as scams.

Don't believe your caller ID. Technology makes it easy for scammers to fake caller ID information, so the name and number you see aren't always

Survivors include his father. Leland Matchie, Mayetta; his mother, Victoria Shopteese, Topeka; four sisters, Joy Matchie and Keirsten Hale, both of Mayetta, Jana Shopteese, Topeka, and Jennifer Wood, Carbondale; eightbrothers, Jason Wood and Jesse Kitterman, both of Topeka, Joshua Kitterman, Kansas City, Mo., Nigel Matchie, Leland Matchie Jr. and Dennis Matchie, all of Topeka, Todd Matchie, Konawa, Okla., and Shane Turnbull, Boulder, Colo.; and many nieces and nephews.

A wake was held Friday evening at Nozhackum Hall on the Prairie Band Potawatomi Reservation. Burial was held Saturday morning in the Danceground Cemetery. Mercer Funeral Home in Holton was in charge of arrangements.

Holton Recorder

# Death reported

Susan E. Nelson, age 70, died Monday, Nov. 6, at Holton Community Hospital.

Funeral arrangements are pending with Chapel Oaks Funeral Home of Hoyt.

After retiring, Betty and LeRoy traveled extensively in their motor home - camping, fishing and riding their motorcycles and participating in bus tours sponsored by local travel companies.

Betty was preceded in death by her parents and her husband LeRoy; her five sisters, Opal, Doris, Arlene, Barbara and Janice Sue; and her five brothers, LeRoy, Clifford, Wendell, Darrell and Leland. She is survived by her two brothers Kenneth and Leo; numerous sister/ brother-in-laws; and numerous nieces and nephews.

A funeral service was scheduled for 11 a.m. Monday, Nov. 6, 2017 at White Mortuary "Chapel by the Park" 136 Fourth Ave. E, Twin Falls, Idaho, with a viewing one hour prior at 10 a.m. Burial was scheduled to follow in Sunset Memorial Park, Twin Falls.

Memorial contributions can be made to American Cancer Society or an organization of your choosing.

To share a memory of Betty or to offer condolences to Betty's family please visit www.whitemortuary.com

Holton Recorder 11/6/17

real. If someone calls asking for money or personal information, hang up. If you think the caller might be telling the truth, call back to a number you know is genuine.

Talk to someone. Before you give up your money or personal information, talk to someone you trust. Con artists want you to make decisions in a hurry. They might even threaten you. Slow down, check out the story, do an online search, consult an expert or just tell a friend.

Hang up on robo calls. If you answer the phone and hear a recorded sales pitch, hang up and report it to the Federal Trade Commission. These calls are illegal, and often the products are bogus. Don't press 1 to speak to a person or to be taken off the list. That could lead to more calls.

If you spot a scam, tell someone. Then tell the FTC. Report it at ftc.gov/complaint. Consumer reports help the FTC and other law enforcement investigate scams and bring crooks to justice.

# Holton regional champ after win at Baldwin Wildcats to host Frontenac again in sectional playoffs

By David Powls The Holton Wildcats (7-3 overall now) wear a Class 4A-DII regional football crown this week after winning at Baldwin (6-4) Thursday night, 9-8.

(6-4) Thursday night, 9-8. The playoff victory sets up a sectional round game against the Frontenac Raiders (7-3 overall now) here on Friday, Nov. 10.

Last season, Holton and Frontenac also clashed in the sectional round of the playoffs and it took a 32-point scoring effort in the fourth quarter for the Wildcats to survive that game and advance to the sub-state round, 32-28.

The win over Baldwin this season was just as difficult as it was last season when the Wildcats beat the Bulldogs in the regional round, 20-14.

"I thought we played good defense until the last play of the game," said Holton head coach Brooks Barta afterwards. "We had held them to about 100 yards of total offense to that point. Our offense did a nice job of moving the ball, however we got stuck on the 10-yard line four times. We would like to think we could have scored 28 more points with our offensive effort. Our offense also limited them to just three possessions in the second half."

In other Class 4A-DII regional games last week, Hayden beat Prairie View 48-6, Burlington edged Columbus 22-21, Frontenac beat Girard 41-6, Clay Center got by Nickerson 21-20, Scott City beat Kingman 21-14, Smoky Valley beat Collegiate 12-2 and Holcomb beat Colby 46-15.

In this year's Baldwin game, the Bulldogs fumbled the opening kickoff from Holton and junior Parker Gilliland recovered it for the Wildcats at the Bulldogs nine-yard line.

From there, it took the Wildcats just two plays to score an eight-yard touchdown on a counter play to senior running back AJ Haussler. The PAT by sophomore Paul Kuffner was wide left, but with less than a minute played, Holton led 6-0.

Baldwin also fumbled the ensuing kickoff from Holton but was able to recover it at its own 20-yard line.

The Bulldogs picked up three first downs on their first offensive possession, including a 24vard gain on a pass from senior On fourth down and eight yards to go from Baldwin's 24yard line, Baldwin senior Hunter Ramirez intercepted a Holton pass and returned it to the Baldwin 38-yard line with 9:29 left in the second quarter.

The Bulldogs picked up two first downs before Holton forced them to punt on a fourth down and 13 situation.

The Wildcats used up the rest of the six minutes left on the second-quarter clock putting together four first downs on some nice runs, especially a 25-yard gain by junior running back Jackson Martin.

With four seconds left to play in the first half, Holton's Kuffner booted a 25-yard field goal to give Holton an 8-0 lead at intermission, capping a 14-play drive.

Baldwin kicked to Holton to start the second half of action.

The Wildcats picked up two first downs but were forced to punt on a fourth down and six situation.

Baldwin took over on offense at its own 20-yard line and picked up two first downs. With 3:13 left in the third quarter, however, on a fourth down and six yards to go situation, the Bulldogs could not complete a pass for first down and Holton took over at the 50-yard line.

The Wildcats held the ball for the rest of the third quarter, picking up one first down on a 14-yard by Haussler on a pitch to the right side.

On fourth down and eight yards to go at the Baldwin 31, Holton could not complete a pass for a first down and Baldwin took the ball at its own 38yard line.

Baldwin's offense was its own worst enemy throughout the game, often taking two steps forward and one step back due to penalties.

On first down this time, for example, Laskowski completed a pass for a 10-yard gain but it was nullified on 10-yard personal foul.

Laskowski went on to complete another pass on this drive as his team put together four first downs.

With 9:58 left in the game, Laskowski scored on a sevenyard TD run but the points were taken off the scoreboard due to a holding penalty.

Four plays later, Holton se

the Wildcats ran a QB sweep around the right end that was stopped short.

Baldwin took over possession of the ball with 27 seconds left. Laskowski completed two passes for two first downs and then scampered 47 yards himself for a touchdown leaving no time left on the clock.

Laskowski passed to senior receiver Garret Owings for the two-point conversion to bring about the final score – 9-8.

"We played pretty smart football overall, which demonstrates our progress this year," coach Barta said. "Baldwin had some costly mistakes in penalties and our defense took advantage of the situation most of the time."

Holton unofficially had 15 first downs in the game to 14 for Baldwin.

Holton had one penalty for five yards while Baldwin had eight penalties for 70 yards. In turnovers, Holton had one

In turnovers, Holton had one and Baldwin two.

The Wildcats rushed 60 times for 249 yards and the Bullldogs rushed 26 times for 145 yards.

Holton was 0 for 1 passing and Baldwin was 14 of 19 for

QB Luke Laskowksi to senior Garrett Borth.

On third down and 13 yards to go at Holton's 44-yard line, Holton sophomore Colby Roush rushed the passer and sacked him for a loss of seven yards.

On fourth down and 20 yards to go, Baldwin punted and Holton took over on its own 15yard line.

From there, Holton used up the rest of the first-quarter clock putting together a drive with four first-downs of its own. nior Mason Strader intercepted a Baldwin pass in the end zone, giving the Wildcats the ball at the Baldwin 20.

The Wildcats, from there, marched the ball down the field, picking up four first downs along the way. The longest run of the series was a 19-yard run by Haussler.

On third down and nine yards to go at the Baldwin 11, however, Holton fumbled the ball but recovered it. On fourth down and 17 and the Baldwin 19,

123 yards.

Senior Dylan Aeschliman rushed 12 times for 51 yards. Haussler rushed 18 times for 91 yards and a TD. Martin rushed 14 times for 75 yards and Strader rushed 14 times for 25 yards. Laskowski was Baldwin's leading rusher with 103 yards on 15 carries.

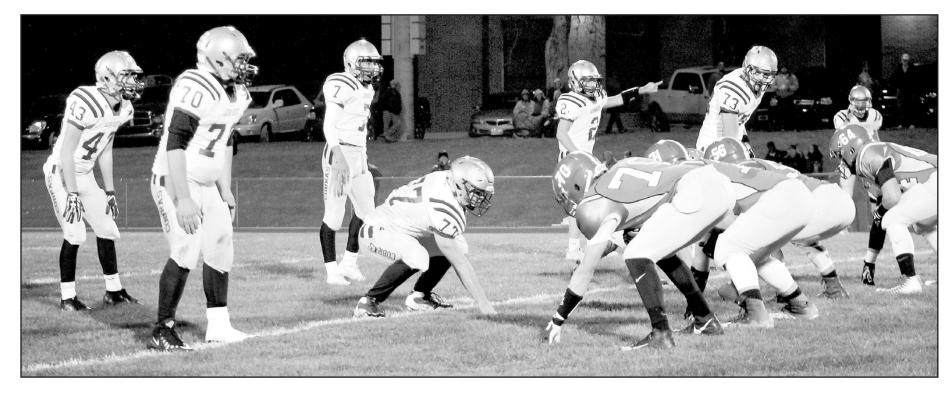

Coach Barta said the next opponent, Frontenac, is a different team personnel wise from last season.

"The obvious position is

quarterback. They have a different quarterback. He does a nice job playing within their system," Barta said. "They are scrappy on both sides of the ball and show a lot of sophistifacation in their offense. They are a tough prep for a defense and we are going to have to hold our blocks on offense."

Holton senior running back A.J. Haussler (No. 22 with the football) is shown in the top photo taking advantage of a nice block by junior teammate Jackson Martin (No. 26) in the recent Santa Fe Trail game. Haussler rushed for 91 yards against Baldwin Thursday. HHS coach Mark Middlemist is shown in the photo above talking to senior lineman Kyler Tannahill (No. 58) during the Santa Fe Trail game. This Friday, the Wildcats will host the Frontenac Raiders of the CNC League in southeast Kansas.

# Cobras' impressive season ends at regional game

By David Powls WINCHESTER – In the battle of unbeaten football teams from the Northeast Kansas League here Friday night, tied 14-14 at halftime, it was the home team's dominant third quarter that made all the difference.

The Jefferson County North Chargers scored 22 points in the third quarter against Jackson Heights and led the game 36-20 as the game clock wound

down.

The Chargers improved to 10-0 with the Class 2A-1A regional playoff victory.

The Cobras finished the season with an impressive 8-2 overall record.

In the NEK league, these two teams shared the league title this season without playing each other. Jackson Heights was 5-0 in league play while JCN was 6-0 in the league.

On Friday, Nov. 10, JCN will

host Olpe in sectional playoff competition.

In other Class 2A-1A regional playoff action, Olpe beat Yates Center 62-0, Centralia beat Doniphan West 63-24, Pittsburg-Colgan beat Lyndon 48-6, Ell-Saline beat Sedgwick 44-41, Plainville beat Meade 21-0, Smith Center beat Medicine Lodge 84-7 and Elkhart beat LaCrosse 35-6.

The Chargers kicked-off to the Cobras in Friday night's game.

The Cobras picked up their first, first down on the game on a 54-yard left sweep by senior running back Brady Holliday, which moved the football to the Chagers' nine-yard line.

Four plays later, on fourth down and two yards to go, sophomore quarterback Cooper Williams found paydirt to give his team an early 6-0 lead. Holliday took the handoff on the two-point conversion run, but it was no good.

After the ensuing kickoff by the Cobras, the Chargers took over possession of the ball on their own 47-yard line.

JCN senior running back Ridge Robertson reeled off a 27-yard run for the Chargers to the Cobras's 27-yard line on second down and senior running back Anthony Cahill took the ball on a left sweep to the Cobras' eight-yard line.

On third down and goal to goal, Robertson scored JCN's

first TD on a five-yard run. JCN's PAT was no good and the game was tied 6-6.

Midway through the first quarter, the Cobras were forced to punt on their next possession.

The Chargers picked up two first downs on their next possession as Robertson broke loose for a 17-yard run on one of the big plays.

Second row, left to right, Logan Blatske, Cael Frazier, Kerrick DeDonder, Dalton Peters, Jeffrey Warner and Josh Smith. Coaches shown on the back row were, left to right, Rex Frazier, Wyatt Althof, Chris Etzel and Keith DeDonder. Submnitted photo

# Cobras complete impressive season

# JCN to play Olpe next

### Continued from Page 6

On fourth down and five yards to go at the Cobras's 37-yard line, the Chargers were unable to convert on a screen pass to Robertson.

The Cobras had the ball for the rest of the first quarter, picking up three first downs a long the way. One of the bigs plays for the Cobras' was a 17-yard run by Williams to the JCN 15yard line.

Three plays later, with 11:20 left in the second quarter, Holliday scored a Cobra TD on a pitch to the left side of the wishbone from the 11-yard line on third down and five. The Cobras kicked the extra point and took a 14-6 lead.

JCN fumbled the ensuing kickoff but were able to recover it at their own 36-yard line.

A steady dose of Robertson and Cahill running the football allowed the Chargers to pick up four first downs and eat up a big chunk of the third-quarter clock.

With 6:56 left in the third quarter, Robertson scored a TD for JCN on five-yard run. JCN senior QB Boston Lane scored the two-point conversion to tie the score at 14-14.

The Cobras held the ball for the rest of the third picking up four first downs and moving the ball to the Chargers' 20-yard line. With 12.7 seconds left in the first half, the Cobras ran the ball down to the JCN five-yard line but failed to make a first down, giving the ball over to the Chargers.

The team's two-point conversion failed but the Chargers had their first lead of the game.

The Cobras were forced to punt on their next possession. JCN took the ball at their own 20-yard line.

On a third down and eight yards to go play at their own 22, JCN's Robertson caught a short pass from Lane, broke loose, broke three tackles, and scored a TD on a 78-yard run. The two-point conversion pass from Lane to Summers was good and the Chargers led 28-14 with 7:08 left in the third.

After stopping the Cobras again in the third quarter, the Chargers completed a 38-yard halfback pass from Robertson to Summers to set up five-yard TD run by Robertson four plays later. Lane passed to senior receiver Samuel Larson for the two-point conversion to give the Chargers 36-14 with 2:59 left in the third quarter.

In the fourth quarter, the Cobras fought back and senior fullback Garrett Hartman scored a TD on a one-yard run to bring about the final score.

Unofficially, Holliday rushed 22 times for 140 yards in the game and senior Sebastian Butto rushed 11 times for 70 yards. Williams rushed 14 times for 11 yards, Hartman 10 times for 52 yards and senior Conlan Bruggeman six times for 21 yards. For JCN, Robertson rushed 16 times for 85 yards, Larson seven times for 38 yards, Cahill four times for 28 yards and Lane four times for 23 yards.

# USDA report

The U.S. Department of Agriculture's (USDA's) Natural Resources Conservation Service (NRCS) is accepting applications for the Agricultural Conservation Easement Program (ACEP), it has been announced.

The goal of ACEP is to protect land devoted to food production and wildlife habitat from being converted to non-agricultural uses and to restore wetlands. ACEP is a voluntary program for landowners or tribal governments that allow them to leave a conservation heritage for their family and community.

Applications can be submitted at any time, but to be considered for 2018 funding opportunities, applications in Kansas must be received by Dec. 22, 2017 for the first application and ranking date. Additional application and ranking cutoff dates are Feb. 9, 2018 and April 6, 2018. Applications are currently being accepted for both agricultural land and wetlands reserve easements.

There are two programs under ACEP, each with a different application process. It is very important that applicants contact their local NRCS office or conservation district office for specific information for your county to ensure the applicant receives guidance on the correct application process.

Landowners have several options to consider applying for ACEP. NRCS is partnering with Ducks Unlimited through the Regional Conservation Program Partnership (RCPP) to implement a Kansas Wetland Easements project under the umbrella of ACEP.

Targeted wetland complexes for this RCPP project include, but are not limited to, the playa region in western Kansas, Cheyenne Bottoms, Quivira, Jamestown and McPherson Valley Wetlands, Marais des Cygnes River Valley and the Neosho River Valley. Additional high priority wetlands outside of these areas will also be considered.

Applications that are marked RCPP ACEP-WRE will be ranked separately from general sign-up ACEP-WRE using a ranking worksheet developed for RCPP ACEP-WRE. Special boxes for RCPP are to be marked if a landowner is wanting to make an ACEP application under the RCPP Kansas Wetland Easements project.

It is important that applicants provide accurate records of ownership and ensure they have established a record of ownership with USDA's Farm Service Agency. Application information is available at your local USDA Service Center and at www.nrcs. usda.gov/GetStarted.

For more information, visit the Kansas NRCS Web site www. ks.nrcs.usda.gov/programs or your local U.S. Department of

Holton Elementary School students in kindergarten through fifth grade put on their Halloween costumes and took to Holton's Town Square on Tuesday afternoon, marching through falling snow in the annual Halloween parade. Many students also returned to the Square after school to participate in a trick-or-treating event where businesses on the Square gave kids of all ages a safe option for filling their Halloween baskets with candy.

Photos by Brian Sanders

# Musical preferences vary among WHS students

By Seth Shumaker Student Correspondent Wetmore High School

Music is an important part of many people's lives, and at Wetmore High School, the love of certain types of music is very evident. The love of country music prevails throughout the high school student body.

With 45 percent of the vote in a recent poll of Wetmore High School students, country takes a marginal lead as the most popular form of music at Wetmore.

From blasting it in their car radios to the songs the choir sings at concerts, there is no arguing that country music is important to the people of Wetmore.

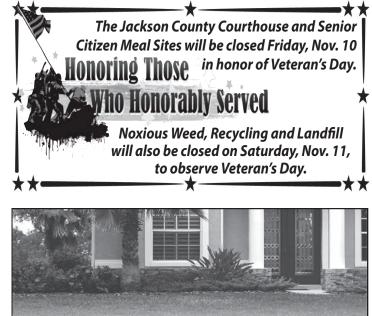

Junior Curtis Bloom, who enjoys country music, says, "I relate to it; it reminds me of home and where I was born and raised, and I really like that about country music."

In second place, pop music comes in with 21 percent of the high schoolers' favorability. Headbangers rejoice as rock and metal takes third place with 12 percent of the vote. Rap and R&B both respectively only had 6 percent.

"Jazz is dying" is a phrase that everyone has heard a time or two, and sadly, the statistics at Wetmore High don't do jazz a favor. Scraping the bottom of the barrel at a whopping 0 percent of the vote is jazz.

Also at 0 percent are electric dance music and dubstep. However, the other 9 percent goes to an "other" category.

Overall, one can see that although many types of music are available, most Wetmore students tend to flock together in their own musical tastes.

YOU CAN HAVE The best lawn in town

Your local certified local K-Lawn dealer is fully trained to give you the best lawn in town. Our proprietary lawn chemicals and slow release fertilizers will make your lawn the envy of any neighborhood.

Lowe.

Seventh Grade: Kennedy Bryan, Andrea Clements, Morgan Davis, Gracie Filbert, Olivia Flowers, Connor Hammes, Cheyenne Hittle, Benjamin Kneisler, Sherena Penry, Abigail Robinson, Brennan Smith and Jase Wege.

Sixth Grade: Zachary Boyden, Joie Boyer, Phoenix Cannon, Callie Coleman, Walker

# *Wetmore seniors face* various challenges

By Jossie Shumaker Student Correspondent

Wetmore High School Whoever said that one's se-

nior year was the best year of a teenager's life lied. Senior year comes with many stressful moments. The stress can come from academics, extracurricular activities and future plans.

Academics is perhaps the largest source of stress. Faith Bratcher, who hopes to graduate in December, especially feels this stress.

"Trying to keep my grades up above an A-minus and having a 3.5 or above GPA is a struggle," Bratcher said.

Senior Myrna Crismas agrees.

"The biggest struggle for me is trying to understand all the college stuff and maintain good high school grades as well," Crismas said.

Another source of pressure is all the extracurricular activities that come with being a senior.

"I mainly seem to struggle with juggling two sports, a college class and my regular classes all at once. Not to mention that I'm in pep band, the school musical, SADD, STUCO and on the KAYS board," said senior Alena Pfrang.

Teachers and sponsors also see that the students at Wetmore are struggling with all that they do.

"At a small school such as ours, students are involved in literally everything," said English teacher Linda Boyd. "Our students are athletes, musicians and actors. They are also supposed to use their time in volun-teer activities as well."

Deciding what they want to pursue after high school and applying for scholarships is still another source of anxiety.

McKayla Henry said she is attempting to figure out which major and career to pursue, while Jossie Shumaker is trying to figure out how she can do volunteer hours in order to fulfill a requirement to qualify for a physical therapy program.

Academics, extracurricular activities and future choices are all major sources of tension for seniors, but for some students, basic functioning appears to be a problem.

"Waking up every day" is a struggle, according to Ethan Osterhaus.

No matter what the challenge, most seniors know that all too soon they will graduate and wake up to new challenges.

Coulter, Deserae Diekhoff, Josie Hefner, Savana Hess, Killie Johnson, Jackson King, Erika Linn, Aidan McKinsey, Devon Rodewald and Mackenzie Schmidt. Fifth Grade: Hayden Berry, Athena Broaddus, Robert

Ğriffith, Alexander Harman, Alexandria Kester, Samantha Klotz, Ashlyn Long and Averie Stithem.

### **Honor Roll** (A's and B's)

Eighth Grade: Ethan Boster, Colby Carreno, David Daubon, Cooper Daugherty, Megan Fenske, Antonio Greemore-Hop-kins, Elaina Heavner, Marissa Jackson, Breauna Jewell, Jake Kelly, Kaylee Klem-Andrews, Brady Klotz, Lily Lefferd, Levi Parrett, McKaleb Parrett, Brianna Potts, Hannah Robinson, Autumn Wabaunsee, Jacob Wahwassuck and Kendon Wege.

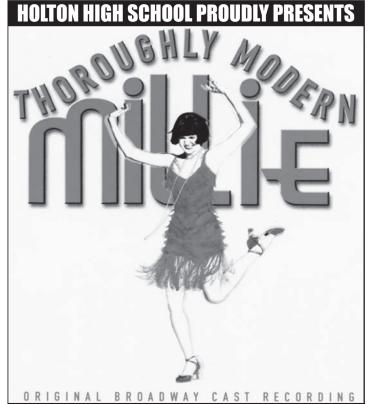

Seventh Grade: Daniel Coleman, William Criqui, Emma Deghand, Abigail Everts, Natalie Fox, Nevaeh Grubb, Garrett Hammer, Catherine Harvey, Mary Howley, Tressa Jim, Lexi Koch, Eric Koon, Parker Mc-Clane, Henry Mitchell, Kirsten

Reicherter, Ryan Russell, Erica Schnacker, Emma Schuetz, Jaemon Smith, Natalie Woods and Richard Zeller.

Sixth Grade: Oscar Ayala, James Bellew, Carson Blackwood, Joshua Boyden, Danielle Branson, Connor Broxterman, Ethan Caviness, Gishgo Hale, Curtis Holdren, Logan Jewell, Jacob Lemke, Tanaya Mahkuk, Tyson Parks, Vivian Reynolds, Odessa Schmidt, Alyssa Schuetz, Zachary Simmons, Olivia Sims, Alexus Smith, Amanda Smith, Ethan Smith, Elijah Torres, Haily Vig, Anthony Wabaunsee and Riddick Warton.

Fifth Grade: Carson Beam, Bobbi Buchtel, Kylie Diekhoff, Lucas Goltz, Jillian Hammer, Dakota Hittle, Thomas Holcomb, Reagan Holte, Wasai Johnson, Wylie Johnson, Daniel Lewis, Grace Matya, Caliber Miller, Molly Ogden, Elayna Smith, Lauren Smith, Aaron Wabskie, Tara Wabskie and Preston Wahquahboshkuk.

# Goff Lions ham and bean feed scheduled for Saturday

In honor of veterans, the Goff Lions Club will have special guest, 28-year war veteran Tom Tavtigian from Manhattan, who is the founder and representative of Wounded Warriors United, at the annual ham and bean feed, which will be held from 11 a.m. to 2 p.m. on Saturday, Nov. 11.

WWU is a non-profit organization that provides much needed support for the men and women who have served the country during combat. The mentor program helps those veterans struggling with PTSD, pain, suicidal thoughts and evervday challenges by providing outdoor activities that encourage interaction between a veteran mentor and a veteran.

To be able to talk with someone who has been through what they are dealing with is priceless to these wounded warrior heroes. WWU also does minor home repairs for veterans and provides suicide prevention support.

Along with various wartime memorabilia, there will be a display depicting the World War I fallen namesakes of the Goff American Legion, Post 316.

The ham and bean feed will take place at the Goff Community Building on Saturday, Nov. 11, starting at 11 a.m. until 2 p.m. and will also include chicken noodle soup, corn bread, ham sandwiches and a variety of homemade pies and desserts.

taken at the door with a portion of the proceeds going to the Wounded Warriors United organization. Donations to the Goff Lions Club or Wounded Warriors United are welcome and can be sent to Goff Lions Club c/o Patti Dean, PO Box 74, Goff, KS 66428.

# **RV** students take third in Unsung Hero competition

Royal Valley students Emma McKinsey (left) and Lilly Rooks took third place recently at the Lowell Milken Center for Unsung Heroes competition for a video about a Civil War nurse. Submitted photo

### By Ali Holcomb

A documentary highlighting the work of a Civil War nurse created by two Royal Valley students took third place recently at the Lowell Milken Center for Unsung Heroes, it was reported.

RVHS freshmen Emma McKinsey and Lilly Rooks received a \$1,000 prize for their 10-minute documentary, "Eliza Potter: Unsung Hero of the Civil War."

The video tells the story of Unsung Hero Eliza Potter, who devoted herself to attending wounded Union soldiers in Confederate Army territory.

Potter lived in South Carolina, a Confederate state, during the Civil War. She tended to Union soldiers injured in the Civil War between 1861-1865.

McKinsey and Rooks said they first learned about Potter in middle school through former RVMS history teacher Nathan McAlister. They said they found her story interesting and decided to do more research on her and make her the focus of their project.

The students began working

on the video in October 2016, completing it in January in time for the National History Day competition.

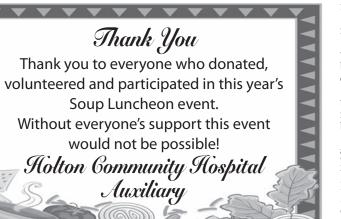

"We really enjoyed interviewing people," McKinsey and Rooks said. "Not a lot of people know about Eliza, so when we interviewed some historians, it was very interesting to see what they knew and compare it to our knowledge."

Risking her own life and the life of her family for helping "enemy soldiers," Potter treated Union soldiers who were taken prisoner during the war. She used her own funds to provide them with medical care and food.

McKinsey and Rooks said they admire Potter's resolve.

"She stuck with her beliefs even though she was tortured and humiliated," they said. "No matter what happened to her and her family, she stayed loyal to the Union."

To view the video, visit https://lowellmilkencenter. org/2017-discovery-award-winners/

# Potawatomi Methodist

### By Ilene Dick

Unfortunately, the Potawatomi Methodist Church new items will be short this week since I had to miss church Sunday, Nov. 5, due to a back injury.

The acolyte for Sunday was Betty Bowser. Laura Schreiber read the scripture from Psalm 91:4. Tina Pugh gave the special, sharing information of well-known hymns and their composers.

The prayer concerns continue for Keith and Dorthea Bell who are both at home now. They were grateful for their daughter, Christina, spending some time with them.

Added to the prayer list are Ronald's sister, Virginia Wesley, who is in Via Christy Hospital in Manhattan with pneumonia and gallstones; and for me with a painful back injury.

Our sympathy and prayers are with the family of Loren Roush who passed away Sunday morning at his home.

Hymns sung were "The Church's One Foundation," "Faith of our Fathers," and "Holy, Holy, Holy! Lord God Almighty," with music provided by Tina Pugh and Ann Wilkening. Offertory ushers were Leon Daugherty and Jim Shenk.

Pastor Howard's serion was titled "Not Yet," with the text coming from Luke 21:5-19.

Pastor Howard served Holy Communion, assisted by Laura Schrieber. Marjean and Jim Shenk enjoyed watching McKenzie Shenk play basketball at Rossville on Tuesday evening, Oct. 31.

evening, Oct. 31. Lily Hall had the pleasure of attending her daughter's dr. appointment with her. She is expecting a baby in March – a joy. Pam and Leon Daugherty attended

Pam and Leon Daugherty attended a surprise birthday party Saturday, Nov. 4, for Tanner Daugherty's 16<sup>th</sup> birthday at the home of Loretta Roush. Tanner's special day is Nov. 5. Others present were Jeff Daugherty, and Kathy and Duane Daugherty. Duane is Tanner's father. They had a good meal and fellowship. community. Also at this time, three Quilts of Valor quilts, made by students, will be presented to local veterans.

The official Veterans Day holiday is Saturday, Nov. 11, but is being observed by many businesses and organizations, including local governments, on Friday.

Jackson The County Courthouse and the senior citizen meal sites will be closed Friday, as well as local city halls.

On Saturday, the county noxious weed, recycling center and landfill will be closed. The United States Post Office will also be closed on Saturday.

"Thoroughly Modern Millie"...

# **Continued from Page 1**

and that movie was itself based on a 1956 British musical "Chrysanthemum." Bond said the storyline takes a few twists and turns of its own.

"It's a little different from the movie version," he said. "But once the patrons come to see it, they'll be able to get into it."

Bond also said students involved in the musical have progressed from cynicism at first, since the musical isn't one of the "stock" shows that performers and audiences may not be that familiar with, to enthusiasm.

They were a little lukewarm at first, but once we got into reading it, we found out that the songs are what make the show," Bond said. "Once they started singing the songs, they

totally bought in - even the Trasen ones who might have been less enthusiastic about it at the beginning. The songs are just amazing."

The role of Millie will be played by Tabor Barta at the Saturday performances and by Sydney Snyder at the Sunday performances. Other featured performers are Ethan Teter as Jimmy, Savannah Phillips as Dorothy, Walker Sheldon as Trevor Graydon, Ashlyn Robinson as Muzzy Van Hossmere and Taylor Stevens as Mrs. Meers.

Other cast members include Kyler Rose, Kale Purcell, Paige Crouch, Abby Martin, Danielle Adcock, Cailin Parks, Kinleigh Rhodd, Lexi Jenner, Kassidy Fisher, Sophia Mellenbruch, Ethan Brownell,

Snavely, Rees Robinson, Emily McGrath, Kaden Woltje, Abby Hundley, Celana Zehner, Olivia Heitzman, Jackie Sanchez, Raegan Call, Mary Pritchett, Madison Taliaferro, Sadie Gilliland, Megan Mercer, Emma Reith, Janae Skaggs, Lee Wellman, Marcus Pruett, Ana Lemon, Chris Roush, Jose Gomez, Seth Peterson. Keegan Purcell, Carly Raney, Tressa Henry and Gracie Fisher.

Ticket prices are \$5 for adults and \$3 for students; dinner theater tickets are \$15 each for adults and students. To purchase advance tickets or make dinner theater reservations, or for more information, call the HHS office at 364-2181.

# Nafziger... **Continued from Page 1**

in capable leadership in the 2nd Judicial District," Nuss

said Nafziger is a native of Republic County and is a graduate of Kansas State Univer-

sity, Washburn University School of Law and the National Judicial College. Before becoming a judge,

Nafziger had a private law practice in Jefferson County and served as county attorney.

"I am honored for the opportunity to serve as chief judge, and I look forward to working with the Supreme Court and everyone within the 2nd Judicial District,' Nafziger said. Each of Kansas' 31 judi-

cial districts has a chief judge who, in addition to his or her judicial responsibilities, has general control over case assignments within the district, as well as general supervisory authority over the administrative and clerical functions of the court.

# **Soldier**

By Sondra Hill On Oct. 4, the cousins met at Boomers' for lunch. Those present were Mary DeVader, Rosie Boling, Joyce DeVader and me. We planned to meet on Nov. 1 at Burger King.

On Saturday, Oct. 7, Mary DeVader picked up Joyce DeVader and then came to Soldier and got Noah and me. Then, we went to Havensville for supper and to see the Cow Creek Opry. It was the first time Noah and I had been there. We really enjoyed the program.

On Sunday, Oct. 8, Noah and I went to Meriden to Lorri and Brad Trimble's home to celebrate Sarra Ann Mahoney's birthday, which was Oct. 3. It's hard to believe she is a freshman at KU.

Noah and Betty Camblin, Charmin Hladky and I went to Topeka KNI for in-service with the foster grandparents. On Oct. 20, the foster grand-

parents had a recognition brunch at the Ramada Inn on Fairlawn and Sixth Street. Betty received her 18-year pin and I received my nine-year pin. We had a good time.

On Oct. 27, Noah and I met four of my brothers at Sac and Fox for supper. One of my brothers, Randy, was here from Florida. Also, there was Floyd, Boots and Rose, and Rick and RoseAnn Hladky and Noah and me.

On Oct. 25 after I left Holton Elementary School, I visited with Ellen Lacey.
