Plan now to participate in the 20th Annual Christmas Parade of Lights in Holton, which is set for 5:30 p.m. on Saturday, Dec. 7 around the Holton Town Square!

In the Parade of Lights, floats and vehicles are lit up with Christmas lights and the parade is held just after dusk. The parade progresses around the Holton Town Square taking the same route as the fair parade and others.

After the parade, children can have their photos taken with Santa Claus and several local retailers plan to be open for business in the evening to accommodate shoppers.

It is a fun evening to visit the Holton Square! To help encourage participation, \$50 Chamber Bucks awards will be made to the top floats in the following categories - religious, business and club or organization.

Line-up for the parade will start at 5 p.m. north on New York Avenue starting at Sixth Street and backing up to the high school.

Each year, more and more area church congregations choose to participate in the parade with floats than ever before - reminding all of the reason for the season! All churches in Jackson County, Jefferson County, Pottawatomie County and Brown County are invited to join in on the fun!

It is hoped that there will again be lots of area businesses, clubs and organizations represented in the Christmas parade, along with emergency services vehicles - such as firetrucks, police cruisers and ambulances.

Please notify *The Holton Recorder* in advance at 364-3141 or holtonrecorder@giantcomm.net if you plan to participate in the Christmas Parade (if possible) so we can announce your participation in the newspaper.

Starting this year, the current president of the Holton/Jackson County Chamber of Commerce will serve as grand marshal for the Christmas Parade. Everyone is welcome in the Christmas Parade! Local families who enjoy parades are also encouraged to decorate a float or vehicle and participate in the parade, too. The main goal is to have fun and get into the Christmas spirit!

THANK YOU

VISIT JACKSON COUNTY BUSINESSES FOR CHRISTMAS SHOPPING THIS YEAR!

28th year for Horton's Luminaries - Festival of Lights

In 1991, the South Brown County Ministerial Association (SBCMA) began a project to bring the story of Christ's life to the area during the Christmas season. What began as a one-year experiment was so well-received that it has continued and is now in its 28th year.

This year the Luminaries - the Festival of Lights - will take place from 5:30 p.m. to 7:30 p.m. Sunday, Dec. 1 at the junction of U.S. Highway 73 and Kansas Highway 20 in Horton. The event will be extended if cars are still going through the display.

The Luminaries stem from an old Spanish custom of putting candles in paper bags weighted with sand. The candles are lit and put along

the path to one's home on Christmas Eve to light the way for the Christ Child to come into the home and into the lives of the people who live there.

In Horton, 1,300 candles light the 10-block route, which will have 17 living scenes of representative times in the life of Christ. Members of Horton-area churches will dress in Biblical clothes and form still pictures (tableaus) from the prophecy in Isaiah about the coming of Christ to His crucifixion and, ultimately, His ascension into heaven.

Colorful costumes, music, backdrops designed by the churches and even live animals will be part of the scenes along the way, it was reported.

The city of Horton turns off

street lights in this area so that the luminaries are even more pronounced. It is described as a beautiful, peaceful display that people can enjoy from the comfort of their own vehicles. Those who do not wish to drive may board a free shuttle at Jim's Thriftway, 240 E. 15th St., which will take them through the Luminaries.

For those who drive, the route begins at 14th and Central streets and ends at 14th and First Avenue East. A route guide indicating all of the scenes will be handed out at the beginning of the drive.

The SBCMA asks that participants remain in their vehicles, as people who are walking can be a distraction to those who are driving. Also, because the lights are low, un-

even places in the sidewalks may not be seen as well, and there could be a danger of falling.

The Luminaries is a free event, but there is an opportunity at the end of the route for participants to make free-will donations to the Ministerial Association. The money will be used to support the ministries of the SBCMA, it was reported.

Churches in the SBCMA are First Baptist of Horton, First Christian of Horton, First United Methodist of Horton, St. Leo's Catholic of Horton, the United Church of Muscotah, Everest Christian and Zion Lutheran of Everest. President of the SBCMA is Dr. Ronald Lee Cobb of First Christian Church of Horton.
